Public Sector-Governance  
Grant Number: PANAF/2020/420-467  
Country: South Africa  
Project Title: APRM: AGA-SP

**BACKGROUND**

In December 2020, The African Peer Review Mechanism (APRM) received financing from the European Union (EU) in support of a three-year project. This project takes place within the framework of the African Governance Architecture Support Project (AGA-SP), consistent with the Africa-EU Partnership 2020-2023. The overall objective of the project is to contribute to the achievement of Aspiration 3: 'An Africa of good governance, respect for human rights, justice and the rule of law' and Aspiration 6 'An Africa, whose development is people driven, relying on the potential of African people, especially its women, youth, and children in line with the African Union's Agenda 2063.

Under this grant and project, the APRM hereby seeks to procure the services of an experienced financial risk expert to undertake a comprehensive study to assessment of

legal, institutional, and financial feasibility of establishing an African Credit Rating Agency (ACRA) as an independent entity of the African Union.

## **OBJECTIVES OF THE ASSIGNMENT**

The objective of the comprehensive study is to inform the African Union's Specialized Technical Committee (STC) on Finance, Monetary Affairs, Economic Planning and Integration and other policy organs of the African Union to make conclusions in determining the feasibility of establishing an African Credit Rating Agency (ACRA) as an independent entity of the African Union. This is part of the proposed mechanisms to support African countries in accessing affordable capital for development. The findings and recommendations of the study will facilitate policy and investment decisions regarding the most optimal arrangements and formulation for supporting Member States in the area of credit ratings.

The assignment will consist of the following three main aspects:

- i. An assessment of the legal frameworks, instruments, and other legislative requirements for the proposed ACRA in Member States, at a regional and continental level;
- ii. Analysis of the institutional model for the ACRA, with a clear description of the roles of all potential parties that may be part of the institutional framework;
- iii. An analysis of the capitalization and other investments required to establish an ACRA as an entity of the African Union.

## **QUALIFICATION & REQUIREMENTS**
