

CALL FOR PROPOSAL – INDIVIDUAL CONSULTANT

ENDOCRINOLOGIST - CONSULTANT

Reference No: AUC/MHSD/C/002

1. BACKGROUND:

The African Union, established as a unique Pan African continental body, is charged with the responsibility of spear-heading Africa's rapid integration and sustainable development by promoting unity, solidarity, cohesion and cooperation among the Peoples of Africa and African States; as well as developing a new world-wide partnership. Its headquarters is located in Addis Ababa, Ethiopia.

The Medical and Health Services Directorate (MHSD) is one of the Directorates of the African Union Commission (AUC), under the Cabinet of the Deputy Chairperson. It provides medical care to AUC staff members and their Dependents; the AU Member State diplomatic Corps and their Dependents; and Delegates and Partners attending official AU missions, conferences, meetings and summit. The Directorate also oversees medical coverage plans and insurances for the AUC, AU Organs, AU Regional and Representational Offices.

In achieving its mandate, the Directorate invites expression of interest from the following category of medical professionals who are citizens of AU Member States and are interested in working on a part time basis at the AU Medical and Health Services Directorate.

2. OBJECTIVE OF THE ASSIGNMENT:

As the main objective of the Medical and Health Services Directorate is to provide health care to the growing number of clients, the Directorate has expanded its services to include numerous specialized services, specialty clinics as well as a 24/7 medical coverage. Therefore, the objective of this assignment is to equip these services and clinics with the needed medical, health and related professionals.

3. PLACE OF ASSIGNMENT:

The assignment will be at the African Union Medical and Health Services Directorate at the AUC HQ in Addis Ababa, Ethiopia. The assignment will be carried out under the responsibility, supervision and coordination of the Director of Medical and Health Services. The Consultant will report to the Director of Medical and Health Services.

Job Title: Endocrinologist - Consultant
Department: Medical and Health Services Directorate
Supervisor: Director of Medical and Health Services
Duty Station: African Union Commission, Addis Ababa, Ethiopia.

4. MAJOR DUTIES AND RESPONSIBILITIES:

Under the supervision of the Director of Medical and Health Services, the Endocrinologist will be responsible for the day to day clinical and related activities of the Medical and Health Services Directorate as follows:

- i. Provide daily routine general and specialized medical consultations, diagnosis and treatment to the MHSD Clients and Patients (inpatient and outpatient).
- ii. Provide emergency care for the Clients and Patients in the above category in Internal Medicine and Endocrinology.
- iii. Perform ward rounds regularly on all admitted patients and provide specialist level input into their management.
- iv. Perform bedside procedures like thoraco and abdomino centesis, lumbar puncture and pericardial fluid aspiration, where necessary.
- v. Maintain an up-to-date registry of specialists in other hospitals or clinics who can help resolve the patient's specific complaint and conditions.
- vi. Arrange referral/ evacuation and transfer of such cases, follow up on their management and report back to the Head of Division, Clinical Services.
- vii. Cover shifts as contained in the duty roster if needed. Provide daily report at the end of each working day/shift to the Head of Clinical Services Division.
- viii. Keep abreast with developments/ innovations in Internal Medicine/ Endocrinology and share such information periodically with other Medical staff.
- ix. Participate in the activities of the Division including preparing SOPs, patient information and education leaflets, and fact sheets.
- x. Continuously evaluate service provision for clients and make recommendations for improvement where necessary.
- xi. Participate in the development and delivery of health promotion, disease prevention and occupational Health and Safety programs of the Directorate

- xii. Actively participate in the AU Medical Board in determining the necessity for medical evacuations, prepare the clinical information and present same to the Medical Board for clearance. Play an active role in the management of the evacuation process, monitor the progress of the evacuees and facilitate their return.
- xiii. Participate and provide expertise in medical coverage for AU Summits, AU Field Missions and outreach to AU Regional Offices as needed.
- xiv. Actively participate in upgrading the AU Medical and Health Services Directorate with respect to equipment, diagnostic technologies and Continuous Medical Education for Medical Staff.
- xv. Train and teach clinical attachés at the MHSD when needed.
- xvi. Performing any other duties that may be assigned by the Director, MHSD and the immediate supervisor.

5. EDUCATIONAL QUALIFICATIONS:

MD or MBBS degree, with a clinical specialization in **Internal Medicine (Fellowship of the Regional College of Physicians or equivalent)** and additional training or work experience in Endocrinology/ Metabolic Medicine.

Or

MD/MBBS with Masters/PhD in Internal Medicine. Sub-specialty in Endocrinology is an asset.

6. WORK EXPERIENCE:

At least 8 years of relevant experience and must currently be working in a clinical role as an Endocrinologist or Metabolic Medicine Specialist in a healthcare facility.

Must be licensed to practice medicine as a Specialist in his/her home country at the time of application.

Experience in private practice or work in an International Organization will be an advantage.

7. OTHER RELEVANT SKILLS:

- i. Must have excellent and updated clinical skills and bedside manners.
- ii. Must be computer literate, be familiar with the Integrated Medical Record System software (IMRS) or Hospital Information System (HIS), and able to use various continuous medical education tools including internet-based ones like telemedicine.
- iii. Must have ability to communicate scientific information to clients/ patients and medical staff using appropriate language and medium.

- iv. Able to communicate with and work effectively as part of a team in a complex, multi-cultural, multi ethnic environment to achieve Unit goals.
- v. Must have a friendly demeanor, empathy and be able to communicate well with medical staff, clients and care givers politely.
- vi. Must be able to work effectively under pressure and maintain confidentiality at all times.
- vii. Proficiency in one or more of the AU working languages, fluency in another AU language is an added advantage.

8. EVALUATION AND QUALIFICATION CRITERIA:

For evaluation of the expressions of interest the following criteria will be applied:

- a) Certified copies of Academic Qualification and relevant professional training (35 points);
- b) Strength of relevant experience related to the Assignment (60 points)
- c) Language (5 points)

9. PAYMENT ARRANGEMENTS:
