

## CALL FOR PROPOSAL – INDIVIDUAL CONSULTANT

### **OBSTETRICIAN/ GYNAECOLOGIST - CONSULTANT**

Reference No: AUC/MHSD/C/002

#### **1. BACKGROUND:**

The African Union, established as a unique Pan African continental body, is charged with the responsibility of spear-heading Africa's rapid integration and sustainable development by promoting unity, solidarity, cohesion and cooperation among the Peoples of Africa and African States; as well as developing a new world-wide partnership. Its headquarters is located in Addis Ababa, Ethiopia.

The Medical and Health Services Directorate (MHSD) is one of the Directorates of the African Union Commission (AUC), under the Cabinet of the Deputy Chairperson. It provides medical care to AUC staff members and their Dependents; the AU Member State diplomatic Corps and their Dependents; and Delegates and Partners attending official AU missions, conferences, meetings and summit. The Directorate also oversees medical coverage plans and insurances for the AUC, AU Organs, AU Regional and Representational Offices.

In achieving its mandate, the Directorate invites expression of interest from the following category of medical professionals who are citizens of AU Member States and are interested in working on a part time basis at the AU Medical and Health Services Directorate.

#### **2. OBJECTIVE OF THE ASSIGNMENT:**

As the main objective of the Medical and Health Services Directorate is to provide health care to the growing number of clients, the Directorate has expanded its services to include numerous specialized services, specialty clinics as well as a 24/7 medical coverage. Therefore, the objective of this assignment is to equip these services and clinics with the needed medical, health and related professionals.

### **3. PLACE OF ASSIGNMENT:**

The assignment will be at the African Union Medical and Health Services Directorate at the AUC HQ in Addis Ababa, Ethiopia. The assignment will be carried out under the responsibility, supervision and coordination of the Director of Medical and Health Services. The Consultant will report to the Director of Medical and Health Services.

**Job Title:** Obstetrician/ Gynecologist - Consultant  
**Department:** Medical and Health Services Directorate  
**Supervisor:** Director of Medical and Health Services  
**Duty Station:** African Union Commission, Addis Ababa, Ethiopia.

### **4. MAJOR DUTIES AND RESPONSIBILITIES:**

Under the supervision of the Director of Medical and Health Services, the Obstetrician/ Gynecologist will be responsible for the day to day clinical and related activities of the Medical and Health Services Directorate as follows:

- i. Serve as the main reference or focal expert in Gynecology and Obstetrics, Reproductive Health and emerging health problems among women, men and Adolescents.
- ii. Provide high quality, client centered, out-patient clinic consultation in both Gynecology and follow up of pregnancies and deliveries.
- iii. Provide general and specialist Reproductive health services to AU staff, their dependents and members of the AU Diplomatic.
- iv. Take responsibility for the Gynecology clinic, supervising the other staff and ensuring that all work is performed efficiently and in accordance to international standards and best practices in Obstetrics and Gynecology, Reproductive Health and infection prevention and control.
- v. Perform complete Obstetric/Gynecological examinations and prescribe medications and/ or other assistive devices.
- vi. Perform various diagnostic tests including regular screening for sexually Transmitted Infections, reproductive tract cancers using Ultrasound scans, PAP smear, Colposcopic examinations etc. Interpret the test results and prepare a treatment plan for the patient/ clients.
- vii. Perform minor Gynecological/ Obstetric procedures and surgeries like contraceptive device insertion, D and C for incomplete abortion, cervical biopsy, cerclage etc within the minor theatre to minimize outsourcing these procedures/ surgeries and increase self-sufficiency.
- viii. Perform ward rounds regularly on any patient admitted with a gynecological or obstetric complaint and provide specialist level input into their management.
- ix. Provide initial assessment and management for gynecological or obstetric emergencies and arrange referral/ evacuation and transfer to other health facilities

(when necessary), follow up on their management and report back to the Head of Division, Clinical Services.

- x. Educate patients about their Reproductive Health conditions and organize Reproductive health awareness lectures or campaigns, including prevention of reproductive system cancers.
- xi. Participate in the development and delivery of health promotion, disease prevention and occupational Health and safety programs of the Directorate.
- xii. Actively participate in the AU Medical Board in determining the necessity for medical evacuations, prepare the clinical information and present same to the Medical Board for clearance.
- xiii. Play an active role in the management of the evacuation process, monitor the progress of the evacuees and follow up until their return.
- xiv. Actively participate in the upgrading of the AU Medical and Health Services Directorate with respect to equipment, diagnostic technologies and Continuous Medical Education for Medical Staff.
- xv. Train and teach clinical attachés and Interns within the MHSD in Obstetrics and Gynecology, when needed.
- xvi. Ensure regular maintenance of all diagnostic and operating Obstetric and Gynecology equipment and participate in the budgeting processes for the Unit.
- xvii. Regularly evaluate women health needs in the AU Commission, and among families from African member states embassies in Ethiopia and submit periodic reports with recommendations for their improvement to the Director MHSD.
- xviii. Regularly evaluate the immunization coverage and profile particularly among women of reproductive age and initiate adjustments.
- xix. Provide daily report at the end of each working day/shift to the Director, MHSD and Head of Division, Clinical Services.
- xx. Participate and provide expertise in medical coverage for AU Summits, AU Field Missions and outreach to AU Regional Offices, if needed.
- xxi. Participate in the activities of the Division including preparing SOPs, patient information and education leaflets, and fact sheets.
- xxii. Continuously evaluate service provision for clients and make recommendations for improvements where necessary.
- xxiii. Develop and implement projects/programs on disease prevention and health promotion, raise awareness on common illnesses, etc.
- xxiv. Quantify and forecast requirements of medical supplies and equipment for procurement and submit on time to the supervisor.

XXV. Keep abreast with developments/ innovations in emergency and general Obstetrics and Gynaecology and share such information periodically with Medical staff.

XXVI. Performing any other duties that may be assigned by the Director, MHSD or the immediate supervisor.

## **5. EDUCATIONAL QUALIFICATIONS:**
