TERMS OF REFERENCE

SERVICE PROVISION

LABORATORY INFORMATION TECHNOLOGY SUPPORT

1. Background

The livestock sector has consistently played a major role in poverty reduction and food security and considered as one of the main contributors towards the attainment of the Millennium Development Goals (MDGs).

The African Union Pan African Veterinary Vaccine Centre (AU-PANVAC) is the AU technical Centre responsible for "promoting the availability of safe, effective and affordable veterinary vaccines in Africa.

In the implementation of its mandates, AU-PANVAC plays a critical role in the enhancement of quality of veterinary vaccines in Africa and their adequate utilization by producers in the field and in supporting national and regional diagnostic laboratories to access needed reagents and enhance their diagnostic capacities.

2. The Pan African Veterinary Vaccine Centre (PANVAC) Structure

It is paramount important to recognize that the current structure of AU-PANVAC did not consider the importance of the information technology for the fulfilment of its mandates during. Consequently, AU-PANVAC is intending to procure a service provider – Information Technology Service who shall be responsible for managing the information technology to its staff by liaising with the directorate of Management Information Service of the Headquarters and establish Bar Code system to the quality control certificates issued to AU Member States Laboratory

and international partners while the proposed structure of AU-PANVAC is in the process of reviewing by the concerned authority.

3. Objectives of the work

The aim of the Service Provider – Laboratory Information Technology Support is to ensure that the laboratory personnel of AU-PANVAC are fully supported in respect of information technology support and maintain updated website of the AU-PANVAC.

4. Scope of the Work

The service provider shall perform the following duties:

1. Review and improve the structure of the existing AU-PANVAC Website,
2. Responsible for the maintenance of AU-PANVAC Website,
3. Compile the documents & information such as vaccine quality control results, news and events at AU-PANVAC,
4. Regularly update the AU-PANVAC Website by posting the documents and information,
5. Make sure that the laboratory information management systems are working properly,
6. Assist Laboratory personnel on the use of laboratory information management systems,
7. Perform any other related duties as required by the Director of PANVAC

8. Specific Tasks

The service provider will deliver the following specific tasks:

- Monitor and update the website of the AU-PANVAC,
- Ensure the proper functionality of the laboratory management systems,
- Assist the laboratory personnel on the use of the laboratory information management systems
- Perform activity report on laboratory information management systems

6. Deliverables

The service provider shall deliver a monthly activity report related to the scope and tasks carried out.

7. Timeline

The assignment shall be for a period of six (6) months beginning 1st May 2025.

8. Duty Station

The service provider will be based at the Pan African Veterinary Vaccine Centre (AU-PANVAC), Bishoftu, Ethiopia.

9. Service provider fee and schedule payments

- a) The service provider will be paid a monthly lump sum of USD 1,000. (One Thousand United States Dollars only) on a monthly basis for the assignment. This amount includes all of the service provider's fees, reimbursables and profits as well as any tax obligation that may be imposed on the service provider. It excludes travel costs and daily subsistence allowance, when the service provider is required to travel on official mission, which will be fully paid for by the AU-PANVAC in line with the relevant Guidelines and procedures.
- b) Payments will be based on outputs/deliverables specified in the TOR and upon certification of satisfactory work by the Supervisor. The payment will be made on monthly basis subject to submission of satisfactory report by the service provider and acceptance of the same by the Client.

10. Qualification and Experience of the Service Provider

- I. Candidates must hold at least a BSc in Computer Science.
- II. 5 years' Work experience on information technology preferably on laboratory information management system and bar code system;
- III. Adds value to team-based activities;
- IV. Demonstrates integrity, a collaborative spirit, a sense of achievement, and in past experiences;
- V. Languages: Fluency in English (required); French, Arabic and Portuguese (desired).
- VI. Good knowledge of the AU policy making processes, prospects, and challenges will be an added advantage

11. Evaluation and Qualification criteria

For evaluation of the submission the following criteria will be applied:

Technical proposal evaluation points		
1	General Education, Qualification and General training	30
2	Experience relevant to the Assignment	60
3	Understanding of the assignment	10
	Total	100

12. Language Requirements

Applicants must be proficient in English or French. Advanced Knowledge of one more or several other working languages would be an added advantage.

13. Contract Management Reporting

The contract will be managed by the African Union Pan African Veterinary Vaccine Centre (AU-PANVAC). The Service provider will report on its activities to the Senior Veterinary Vaccine Officer and Finance & Administration Office of AU-PANVAC.

14. Invitation

AU-PANVAC now invites eligible Individual Service provider to express their interest in providing the Services. Interested candidates must provide information demonstrating that he/she has the required qualifications and relevant experience to perform the Services. Any clarification requests shall be addressed to the email address hereunder
