(CONSULTING SERVICES– INDIVIDUAL CONSULTANT)**

Project Name: Strengthening of Food Safety Standards and Nutrition in Africa (SFNA)

Project ID: P-Z1-AAG-046

ASSIGNMENT TITLE: Nutrition Expert

Procurement Reference Number: - AUC/AfDB/C/IC/011

The African Union Commission has received financing from the African Development Bank (ADB) toward the cost of the Strengthening of Food Safety Standards and Nutrition in Africa and intends to apply part of the proceeds for consulting services.

The overall objective of the consultancy service is to ensure effective coordination of food safety activities with all stakeholders to ensure support and advice are accurate, responsive, timely, and in an appropriate manner. The Nutrition Expert will be responsible for managing all aspects of food safety and laboratory quality assurance systems for the SFNA project

The consultant will be part of the Project Implementation Unit and will work functionally under the SFNA Project Coordinator in expediting nutrition activities under the project in an effective and efficient manner and completing the activities within the duration of the project.

The following are the major responsibilities of the consultant;

- a) Develop and execute a comprehensive work plan to enhance stakeholder engagement, visibility, awareness, and understanding of the SFNA project's objectives, activities, and outcomes.
- b) Assist the SFNA Project Coordinator in the daily management of the Project in line with the area of responsibility.
- c) Promote gender and nutrition-sensitive agri-food products to address issues of undernutrition and micronutrient deficiency.
- d) Develop national guidelines on biofortification, the registration, certification, and production of biofortified seeds or cuttings to allow for private and public sector multiplication and distribution.
- e) Support organization and facilitation of stakeholder workshops, and events to promote dialogue, knowledge sharing, and collaboration among project stakeholders.
- f) Create and maintain a database of stakeholders, monitor, collate, and disseminate relevant information to the relevant audiences.
- g) Monitor project progress and handle any issues that arise in the area of responsibility.

- h) Draft reports and presentations as needed in the area of responsibility.
- i) Engage with project Member States in identifying and implementing behavioral change nutrition priorities.
- j) Perform any other related duties as assigned.

The African Union Commission now invites eligible individuals (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:
