**CALL FOR INDIVIDUAL CONSULTANT - TO CONDUCT THE PROCESS OF  
OPERATIONALIZATION OF THE RESOURCE CENTRE FOR GOVERNANCE  
DEMOCRACY, HUMAN RIGHTS AND ELECTION**

**APP Ref: AUC/PAPS/GCPD/C/009**

**TERMS OF REFERENCE**

**1. Background:**

The African Union, established as a unique Pan-African continental body, is charged with spearheading Africa's democratic and good governance, promoting human and peoples' rights, and fostering sustainable development among the peoples of Africa and the African States. Additionally, it aims to develop new partnerships worldwide to achieve these broad objectives. Its headquarters is located in Addis Ababa, the capital city of Ethiopia.

The African Union GCPD is consolidating its Resource Centers to enhance knowledge management in Democracy, Governance, Human Rights, and Elections (DGHRE). Building on the foundational work completed in 2023-2024 (for example Koha LMS implementation, partial database integration), this consultancy aims to fully operationalize the merged GCPD Resource Centre by advancing digital systems, policies, and stakeholder engagement.

In light of these objectives, the African Union Commission's Department of Political Affairs established a Resource Centre in 2004 to ensure effective resource management in the areas of Human Rights, Governance, Democracy, and Elections. Following the merger of the Department of Political Affairs and the Department of Peace and Security, and the establishment of the Political Affairs, Peace, and Security Department (DPAPS) (Assembly Decision of the AU Eleventh Extraordinary Session - Nov. 2018 - Ext/Assembly/AU/Dec.1-4(XI)), the initiative to merge the Resource Centre's of Governance, Democracy, and Human Rights with that of the Conflict Management Directorate (CMD) has progressed. This includes the updated inventory and

cataloguing of publications on the Koha library management system and the establishment of an online Digital Repository for DPAPS.

As the next step in the implementation strategy for the merger of the two Resource Centre's, the Department is tasked with operationalizing the Governance and Conflict Prevention Directorate (GCPD) Resource Centre.

In this context, the DPAPS has decided to urgently recruit a Consultant (international/national) to operationalize the Resource Centre.
