RESOLUTION ON NAMIBIA

The Council of Ministers of the Organization of African Unity, meeting in its Fiftieth Ordinary Session in Addis Ababa, Ethiopia, from 17 to 22 July, 1989,

Having considered the report of the Co-ordinating Committee for the Liberation of Africa, as well as the report of the Secretary-General on the Situation in Southern Africa and having taken note of the information provided by the South West Africa People’s Organization (SWAPO),

Having also seriously reviewed the unfolding events relating to the implementation of United Nations Security Council Resolution 435 (1978),

Deeply disturbed by the racist Pretoria regime’s designs and schemes to manipulate the implementation of Namibia’s independence process in favor of its puppets and collaborators in flagrant violation of the letter and spirit of United Nations Security Council 435 (1978),

Further reiterating its resolutions, decisions and recommendations on the struggle for the liberation of Namibia being waged by SWAPO and its all-round support to that struggle,

Reaffirming the inalienable rights of the Namibian people to freedom and independence in conformity with the OAU and UN Charters,

Deeply concerned about the deteriorating security situation, especially widespread cases of murder, intimidation and harassment of SWAPO members, supporters and sympathizers by the notorious elements of the South African murder squads:

1. WELCOMES the commencement of the implementation of the United Nations Security Council Resolution 435 (1979);
2. DEPLORES the inadequate deployment of UNTAG in Namibia at the start of the implementation of United Nations Security Council Resolution 435 (1978) in April 1989, which enabled racist South Africa’s army of occupation to hunt down and massacre SWAPO combatants based in Namibia;

3. CALLS UPON the United Nations Secretary-General to take all measures, including increasing the military component of UNTAG to 7500 as provided for in United Nations Security Council Resolution 435 (1978), so as to ensure racist South Africa’s compliance with the resolution and create conditions for free and fair elections in Namibia;

4. STRONGLY CONDEMNS the decision to deploy racist South African forces on the eve of Namibia’s transition to independence, and the unwarranted military attacks against SWAPO combatants awaiting confinement to base in accordance with the provisions of United Nations Security Council Resolution 435 (1978), as well as the atrocities committed against the civilian population in Namibia;

5. HAILS the timely initiatives taken by the People’s Republic of Angola, Republic of Cuba, SWAPO, the Frontline States as well as the measures taken by President Moussa TRAORE, Current Chairman of the OAU in April 1989, aimed at bringing to an end the crisis engineered by the racist Pretoria regime and the subsequent carnage and other atrocities committed against the people of Namibia;

6. STRONGLY CONDEMNS racist South Africa’s continued machinations, especially the integration of the Koevoet murder squad in the South West Africa Police Force, which is supposed to maintain law and order during the period of transition to Namibia’s independence aimed at preventing SWAPO from winning the independence elections scheduled for November 1989;

7. DEMANDS the immediate demobilization of all Koevoet elements from the police force and the dismantling of their command structure in
accordance with the provisions of the United Nations Security Council Resolution 435 (1978);

8. DECIDES to follow closely developments in Namibia and, in the event of continued violations by racist South Africa, of the provisions of UN Security Council Resolution 435 (1978) thereby threatening to wreck prospects for free and fair independence elections in Namibia, to convene an emergency session to consider appropriate action;

9. CALLS UPON the United Nations Secretary-General to urgently ensure the overdue release of all Namibian political prisoners held by South Africa and the repeal of all oppressive and discriminatory laws and regulations as provided for in United Nations Security Council Resolution 435 (1978);

10. FURTHER CALLS UPON the United Nations Secretary-General to ensure that the voting system of proportional representation to be used in Namibia be straight-forward and simple so as to be understood by the Namibian people who have never participated in a democratic election;

11. APPEALS to the international community to urgently extend all necessary assistance to the United Nations High Commission for Refugees (UNHCR) and SWAPO, to facilitate the speedy repatriation of all Namibian exiles so as to enable them to participate in the elections;

12. REAFFIRMS the inalienable right of the people of Namibia to national independence and sovereignty in a non-fragmented and United Namibia, including Walvis Bay and the Penguin and other off-shore islands in accordance with United Nations Security Council Resolution 435 (1978);

13. STRONGLY RECOMMENDS that the United Nations discharge its full responsibility in ensuring its supervision and control of the elections, and that the Special Representative of the United Nations Secretary-General proceed with the step by step implementation process only after he has
satisfied himself that it will lead to free and fair elections as stipulated in
the United Nations Plan for the independence of Namibia;

14. EXPRESSES satisfaction with the solidarity shown by the international
community with the just struggle of the people of Namibia and
EXPRESSES its profound gratitude to all the States which are
participating in the United Nations Transitional Assistance Group
(UNTAG);

15. ENCOURAGES the UN Secretary-General and UNTAG and URGES
them to pursue their efforts to ensure the full implementation of
Resolution 435;

16. CALLS UPON the United Nations to exercise its full responsibility in
implementing Resolution 435 (1978) in Namibia, without any deviations
and not to allow South Africa to manipulate the interpretation of this
resolution to its own advantage;

17. CALLS UPON the international community and all democratic forces to
monitor closely Namibia’s independence process and to extend all
necessary assistance to the people of Namibia to realize genuine
independence;

18. FURTHER CALLS UPON the African and international media to
counter the South African propaganda against SWAPO and to take
necessary measures to fully cover the election events in Namibia.

RESOLUTION ON THE SITUATION IN THE MIDDLE EAST

The Council of Ministers of the Organization of African Unity, meeting in its Fiftieth Ordinary Session in Addis Ababa, Ethiopia, from 17 to 22 July, 1989,

Having considered the report of the Secretary-General of the Organization of African Unity on the Middle East as contained in Document CM/1544 (L),

Guided by the principles and purposes of the Charters of the OAU and the United Nations, and by the common determination of the African and Arab peoples to fight jointly to safeguard their independence,

Recalling the successive resolutions adopted previously by the Assembly of Heads of State and Government, and of the Council of Ministers of the OAU on the situation in the Middle East,

Noting with deep concern that in spite of the many resolutions adopted particularly by the United Nations General Assembly, the Security Council and the Organization of African Unity and the Movement of Non-Aligned Countries urging Israel to withdraw from Arab territories occupied since 1967, including Jerusalem, not only has Israel persistently refused to comply with these resolutions but continued to pursue its expansionist, repressive and occupationist policy,

Affirming its concern over Israel’s continued policy of thwarting the efforts aimed at finding a just solution to the Palestinian problem, within the framework of an international peace conference,

Noting with concern that the collusion between the Zionist regime of Israel and the apartheid regime of South Africa is aimed at promoting the policy of terrorism and liquidation of the Palestinians and Arabs in the occupied territories on one hand and the majority of the black population of South Africa and Namibia on the other:
1. REAFFIRMS all previous resolutions adopted by the Assembly of Heads of State and Government and the Council of Ministers of the OAU on the Middle East Question and Palestine;

2. FURTHER REAFFIRMS ITS SUPPORT for the struggle of the Arab countries, victims of Israeli aggression, and its support for the Palestinian people in their just struggle to recover their usurped rights and their occupied territories; and REAFFIRMS ITS FULL and EFFECTIVE SUPPORT for the struggle of the Palestinian people under the leadership of its sole legitimate representative, the Palestine Liberation Organization;

3. AFFIRMS ITS SUPPORT for the efforts of the Special Committees on Palestine, affiliated to the United Nations, the Non-aligned Movement and the Committee of Seven in the League of Arab States;

4. STRONGLY CONDEMNS Israel, the occupying power, for not complying with the provisions of the Fourth Geneva Convention of 12 August 1949, on the Protection of Civilian Persons in Time of War;

5. CONDEMNS VIGOROUSLY the confiscation of Palestinian territories, the establishment of settlements by Israel in Palestine and other occupied Arab territories;

6. MAKES AN URGENT APPEAL to the international community to exert an effective pressure on Israel in all fields until it complies with the principles of international law and put an end to its occupation of Palestinian and other occupied territories;

7. REITERATES ITS REQUEST to the Security Council to take the necessary measures to secure international protection for the Palestinian people in the occupied territories until they are able to exercise their inalienable rights;
8. **STRONGLY SUPPORTS** the convening of an International Conference with mandatory power on the Situation in the Middle East under the auspices of the United Nations with the supervision of the Permanent Members of the Security Council as well as all the parties concerned including the Palestine Liberation Organization, as a party on equal footing with other parties;

9. **STRONGLY CONDEMNS** the continued occupation of Southern Lebanon and **CALLS** for the implementation of Resolution 425 adopted in 1978 by the United Nations Security Council stipulating respect of the territorial integrity of Lebanon and the immediate evacuation from occupied Lebanese territories;

10. **COMMENDS** the efforts deployed by the Committee of Three, comprising Algeria, Morocco and Saudi Arabia, which was set up by the Extraordinary Arab Summit Conference, held in Casablanca from 23 to 26 May, 1989, to create favorable conditions for the establishment of the unity and sovereignty of Lebanon and **CALLS UPON** all the parties concerned to support its efforts;

11. **CONSIDERS NULL AND VOID** any measures taken by Israel in the occupied Arab territories, aimed at exploiting their resources and **REQUESTS** all States, International Organizations and investment agencies not to recognize Israel’s authority over these territories and not to co-operate with it, in any form whatsoever in its illegal exploitation of these resources;

12. **REJECTS** all attempts and initiatives that ignore the inalienable rights of the Palestinian people, and which aims at aborting the heroic uprising of the Palestinian people and by-passing the Palestine Liberation Organization, the sole legitimate representative of the Palestinian people;

13. **STRONGLY CONDEMNS** the alliance between the racist Tel Aviv and Pretoria regimes and their co-operation in the field of nuclear energy and armament which threatens security and peace in Africa and the Middle
East, and therefore CALLS UPON Member States to deploy all efforts to prevent these two racist regimes from implementing their plants;

14. WELCOMES the cease-fire between Iraq and Iran and hopes that the peace talks will lead to the implementation of Security Council Resolution No.598;

15. REQUESTS the OAU Secretary-General to monitor the developments in the Middle East Question and to report to the next Ordinary Session of the Council of Ministers of the Organization of African Unity.
RESOLUTION ON THE QUESTION OF PALESTINE

The Council of Ministers of the Organization of African Unity, meeting in its Fiftieth Ordinary Session in Addis Ababa, Ethiopia, from 17 to 22 July, 1989,

Having considered the report of the Secretary-General on the Question of Palestine as contained in Document CM/1545 (L),

Recalling the resolutions adopted by the previous sessions of the Council of Ministers and Assembly of Heads of State and Government on the Question of Palestine and the problems of the Middle East,

Guided by the principles and objectives of the OAU and the Charter of the UN and the joint struggle against Zionism and Racism in order to attain freedom, independence and peace,

Further recalling all relevant resolutions of the United Nations and Non-Aligned Movement on the Question of Palestine and the problem of the Middle East,

Noting the reports of the United Nations Committee on the exercise by the Palestinian people of their inalienable rights,

Referring to the Resolutions of the Palestinian National Council at its Nineteenth Extra-ordinary Session held in Algiers from 12 to 15 November, 1988, and to the speech of the Head of State of Palestine, Mr. Yasser Arafat before the United Nations General Assembly meeting in its Forty-third Session in Geneva from 22 September 1988 to 15 December, 1988,

Reaffirming the legitimacy of the struggle of the Palestinian people under the leadership of the PLO, its sole legitimate representative in order to retrieve their land and exercise their full national rights,
Following attentively and with deep concern the continued heroic popular uprising of the Palestinian people in the occupied territories to put an end to Israeli occupation and regain their inalienable rights including their right to self-determination, the right to return to their homeland and to establish the State of Palestine on its territories with Jerusalem as its Capital,

Noting with deep concern the continued escalation of Israeli aggressive repression against the Palestinian people and their leadership inside and outside the occupied territories,

Noting further with deep concern the alliance of the Zionist regime of Israel and the apartheid regime of South Africa, both countries adopting a terrorist policy against the Palestinian people and the Arabs in the Arab and Palestinian occupied territories on one hand, and the peoples of South Africa and Namibia on the other,

Conscious of the fact that Lome Convention constitutes a very important framework for North-South Co-operation, given its special and differential treatment for ACP states,

Concerned about the continued deterioration of the economic situation in ACP countries and the fact that the structure ACP/EEC co-operation particularly with regard to commercial co-operation has not meaningfully changed since Lome I,

Noting that EEC total imports from ACP states have continued to decline and that commodity prices have been falling in real terms while the quantum of EDF resources has remained too low to have a meaningful impact on ACP countries,

Concerned about the likely effects on the EEC/ACP co-operation arrangements in the face of the proposed 1992 European Single Market,

10. URGES FURTHER the EEC countries to recognize that there can be no meaningful ACP/EEC trade arrangements without the protection of ACP Preferential margins of guaranteed access and to this end REQUESTS the European community countries to be more flexible during the negotiations in the area of trade barriers;

11. CALLS UPON the Secretary-General of the OAU and the Executive Secretary of ECA to undertake, with the technical and financial support of the relevant regional and international organizations, particularly ADB and UNDP, an exhaustive study on the implications of the 1992 European Single Market on the Economics of the African countries and submit to the Permanent Steering Committee of the OAU, proposals on short and long-term measures to be taken within the framework of the co-operation between Africa and EEC;
