# FOREWORD

BY THE CHAIRPERSON  
OF THE AFRICAN UNION

It is with great pleasure that we present the 2022 edition of the *African Union Handbook*.

As we celebrate the 20th anniversary year of the African Union, we have much to be proud of as we recollect the work that has been undertaken towards living up to the African Union Vision of an “Integrated, Prosperous and Peaceful Africa”. Through the collective action of our Member States, we have made great strides in promoting peace and security and establishing institutions to enhance the democratic principles that are key for the stable environment required to achieve our development aspirations envisioned in Africa’s Agenda 2063.

We have also made great strides towards economic and regional integration through the implementation of trade under the African Continental Free Trade Area (AfCFTA), the launch of the Single African Air Transport Market (SAATM), implementation of regional infrastructure projects under the programme for Infrastructure Development in Africa as well as building on the work of the Regional Economic Communities and Regional Mechanisms to further enhance our integration efforts as a continent.

As Africa we have understood that the development goals to which we aspire can only be achieved if we prioritise the needs of our people and work together with “Unity of Purpose”. We have demonstrated our ability to come together to speak with one voice in the global arena, to dedicate our resources towards financing our own development including financing our peace efforts through the AU Peace Fund; as well as uniting in our efforts to face and address crises that impact our people. This unity of action has been demonstrated in our ability to work together to face public health emergencies such as those precipitated by Ebola and the Covid-19 pandemic and to invest in our continental public health institutions such as the Africa Centres for Disease Control and Prevention (Africa CDC) and the African Medicines Agency.

I am particularly proud of the work we have done as a Union to empower our women and girls. The dedication of the years 2020–30 as the Decade of African Women’s Financial and Economic inclusion as one of the key initiatives aimed at implementing the African Union’s Gender Equality and Women’s’ Empowerment Strategy was a commitment at the highest level by Africa’s leaders to build a more equitable society as advocated for in the African Charter on the Rights of Women in Africa (Maputo Protocol). I am also honoured to have hosted the first ever African Union Men’s Conference on Positive Masculinity in November 2021 to mobilise and rally African men and boys to support and drive efforts towards promoting a more inclusive society that promotes the well-being of our women and girls including ending gender-based violence.

Amidst the successes and challenges we have faced and as we celebrate twenty years since we launched the African Union, we must continue to uphold the spirit of Pan-Africanism that binds us together as a people and embrace the goals of Aspiration 5 of Agenda 2063 which envisions “An Africa with a strong cultural identity, common heritage, and shared values and ethics”. Our commonalities are far greater than our differences and as we look forward to the next 20 years, we must hold onto these words that bring us together as the vibrant continent of Africa to achieve far more than we can as individual Member States.

8

I would like to thank all African Union staff past and present who have contributed to this remarkable twenty-year journey. What we have achieved as a Union is a testament to the work of men and women who have dedicated themselves towards building the Africa We Want. I would also like to extend our gratitude on behalf of the Union to the various development partners who have worked with the African Union to support the delivery of its mandate and to welcome continued partnership for the future.

I would also like to extend our gratitude to the Government of New Zealand for its continued support to the Information and Communication Directorate of the African Union Commission and for its ongoing partnership and friendship in supporting the preparation and publication of each edition of the *African Union Handbook*.

My best wishes for peaceful and prosperous times ahead.

# FOREWORD

BY THE CHAIRPERSON OF THE  
AFRICAN UNION COMMISSION

Every year, the African Union produces a handbook that provides key information about our organisation. The book provides updates on the main benchmarks that outline the political and professional identity of the institution. It gives readers a comprehensive overview of the various components of the Union, including information on the key people who drive its work through their commitment to the development of the continent.

In addition, the book provides readers with a summary of the most notable activities carried out during the year of publication.

This 2022 edition coincides with the 20th anniversary of the African Union (AU). Twenty years in which the work begun by the founding fathers of the Organization of African Unity (OAU) has been intensified through the strong commitment to build *An integrated, prosperous and peaceful Africa, driven by its own citizens and representing a dynamic force in the global arena*. Each year that has passed has played a part in contributing to the pursuit of this important goal, for which the implementation measures are enshrined in Agenda 2063.

The challenges we encountered in 2021 continued to concern the Union this year, such as the devastation wrought by the COVID-19 pandemic, the post-Covid economic recovery, insecurity linked to the rise of terrorism and violent extremism, the adverse effects of climate change (floods and drought), the management of refugees and internally displaced persons, issues related to governance and unconstitutional changes of government, and the severe food crisis resulting from the Russian-Ukrainian conflict.

Faced with these various challenges, the African Union has taken important initiatives to mitigate their impact on the wellbeing of people. To this effect, measures were taken to strengthen the operational capacities of the Africa CDC, while the process of setting up the African Medicines Agency (AMA) was accelerated. In a similar vein, efforts were made to facilitate access to COVID-19 vaccines, including by producing vaccines on the continent.

With regard to security and the management of the humanitarian crisis, the AU Assembly held two extraordinary sessions in Malabo, Equatorial Guinea in May 2022, one on the humanitarian situation/conference of donors and one on unconstitutional changes of government. Both made crucial Declarations at the end of the sessions.

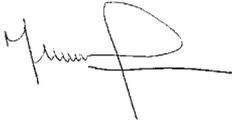

The Heads of State and Government who were present at these sessions set a very high bar for contributions through exemplary acts of solidarity, thereby giving meaning to the principle of 'African solutions to African problems', a principle which should henceforth govern the actions of our various partners. The Assembly also called for the operationalisation of the African Humanitarian Agency (AfHA).

The AU has also taken measures relating to food security and nutrition on the continent by adopting the following theme for 2022: *Strengthening Resilience in Nutrition and*

10

*Food Security on the African Continent: Strengthening Agro-Food Systems, Health and Social Protection Systems for the Acceleration of Human, Social and Economic Capital Development.*  
This theme places at the heart of our priorities the need to invest in agriculture to accelerate the achievement of the goals set out in the Malabo Declaration on Accelerated Agricultural Growth and Transformation.

All of these efforts mark an encouraging start to the revival of development in Africa and are being consolidated through the completion of the institutional reform of the Union.

A handwritten signature in black ink, appearing to read 'Moussa Faki Mahamat', with a large, stylized flourish extending to the right.

*E ngā tini, e ngā mano, koutou katoa tēnā koutou!*  
To the many gathered here, greetings to you all!

The African Union theme for 2022 focuses on “Strengthening Resilience in Nutrition and Food Security on the African Continent”. This is a pertinent theme for 2022, with global and regional events, as well as the impacts of climate change, significantly impacting on food security and nutrition outcomes across Africa.

Many of Aotearoa New Zealand’s tangata whenua (people of the land) believe in the indivisible connection between environmental and human health. The state of our food crops has a direct impact on the well-being of people. With agriculture a key component of our economy in Aotearoa New Zealand, we are also preparing for climate change and ensuring the resilience of our food systems.

The African Union has identified that the burden of malnutrition is a significant human rights issue and critical to economic and social development. Partners, including Aotearoa New Zealand, are committed to supporting the African Union in its aspirations in improving nutrition outcomes.

Aotearoa New Zealand offers its continued support to the African Union and its Member States in its commitment towards achieving an integrated, inclusive and united Africa.

We are proud to support this book and look forward to continuing to work together as strong and active members of the international community.

*No reira tēnā koutou katoa*  
Therefore, greetings to you all.

# WHAT THIS BOOK DOES

This handbook is published by the African Union Commission (AUC) in partnership with the New Zealand Government. It is intended as a ready reference guide for people working within the AU system, as well as the AU's partners and wider civil society.

The book has at its heart information about the principal organs established by the AU Constitutive Act and subsequent protocols: the Assembly; Executive Council; Permanent Representatives Committee; Specialised Technical Committees; Peace and Security Council; African Union Commission; Pan-African Parliament; Economic, Social and Cultural Council; and judicial, human rights, legal and financial institutions. It also contains information about the specialised agencies and structures, as well as regional and other arrangements, including the Regional Economic Communities, which are the pillars of the AU and work closely with its institutions. Non-governmental organisations, inter-governmental organisations and political groups are not included, except where they have a formal agreement with the AU.

The handbook focuses on the AU's current structures and organs, including those in the process of becoming operational. As many of the AU structures and organs are directly inherited from its predecessor, the Organization of African Unity (OAU), key details about the original OAU structures and transition to the AU are included where possible.

The information in this book is intended to be accurate as at 31 March 2022, unless otherwise stated.

Internet, email and postal/physical addresses are included where possible, along with telephone and fax numbers. The primary contact details for AU Headquarters are:

# INTRODUCTION

The African Union (AU) was officially launched in July 2002 in Durban, South Africa, following a decision in September 1999 by its predecessor, the Organization of African Unity (OAU), to create a new continental organisation to build on its work. All 55 African countries are Member States of the African Union.

## Vision

The AU vision is: *An integrated, prosperous and peaceful Africa, driven by its own citizens and representing a dynamic force in the global arena.* Agenda 2063, officially adopted by the AU Assembly in 2015, provides a collective vision and roadmap to build a peaceful, prosperous and united Africa, based on shared values and a common destiny.

## Objectives

Under article 3 of the **Constitutive Act** of the African Union (2000) and the **Protocol** to the Act (2003),<sup>3</sup> the Union's objectives are to:

- Achieve greater unity and solidarity between African countries and the peoples of Africa
- Defend the sovereignty, territorial integrity and independence of its Member States
- Accelerate the political and socio-economic integration of the continent

- Promote and protect human and peoples' rights in accordance with the African Charter on Human and Peoples' Rights and other relevant human rights instruments
- Establish the necessary conditions that enable the continent to play its rightful role in the global economy and in international negotiations
- Promote sustainable development at the economic, social and cultural levels as well as the integration of African economies
- Promote cooperation in all fields of human activity to raise the living standards of African peoples
- Coordinate and harmonise policies between the existing and future Regional Economic Communities for the gradual attainment of the objectives of the Union
- Advance the development of the continent by promoting research in all fields, in particular in science and technology
- Work with relevant international partners in the eradication of preventable diseases and the promotion of good health on the continent
- Ensure the effective participation of women in decision-making, particularly in the political, economic and socio-cultural areas
- Develop and promote common policies on trade, defence and foreign relations to ensure the defence of the continent and the strengthening of its negotiating positions

### Note

- <sup>3</sup> The 2003 **Protocol** on Amendments to the Constitutive Act enters into force 30 days after the deposit of the instruments of ratification by a two-thirds majority of Member States (article 13). As of March 2022, 50 Member States had signed the Protocol and 30 had deposited their instruments of **ratification**.

## History

The OAU was formed in 1963 in Addis Ababa, Ethiopia, by the 32 African states that had achieved independence at the time. A further 21 members joined gradually, reaching a total of 53 by the time of the AU's launch in 2002. In 2011, South Sudan became the 54th Member State, and in 2017, Morocco became the 55th Member State.<sup>4</sup>

The OAU's main objectives were to: promote the unity and solidarity of African states; coordinate and intensify their cooperation and efforts to achieve a better life for the peoples of Africa; safeguard the sovereignty and territorial integrity of Member States; rid the continent of colonisation and apartheid; promote international cooperation within the United Nations framework; and harmonise members' political, diplomatic, economic, educational, cultural, health, welfare, scientific, technical and defence policies. The OAU operated on the basis of its Charter and the 1991 Treaty Establishing the African Economic Community (known as the Abuja Treaty).

Through the 1990s, leaders debated the need to amend the OAU's structures to reflect the challenges of a changing world. The creation of the AU shifted focus from supporting liberation from colonialism and apartheid to spearheading Africa's development and integration. The vision for the Union included accelerating the process of integration in Africa; supporting the empowerment of African states in the global economy; addressing the multifaceted social, economic and political problems facing the continent; and promoting peace, security, stability, democracy, good governance and human rights.

Three summits were held in the lead-up to the official launch of the AU, the:

- Sirte Summit (1999), which adopted the Sirte Declaration calling for the establishment of the AU
- Lomé Summit (2000), which adopted the AU Constitutive Act
- Lusaka Summit (2001), which drew the roadmap for implementation of the AU.

The Durban Summit (2002) launched the AU and convened its first Assembly of Heads of State and Government.

A significant number of OAU structures were carried forward into the AU, as were all treaties and conventions. The AU Constitutive Act and protocols also established a significant number of new structures, both at the level of major organs and through a range of new technical and subsidiary committees. Many of these have evolved since 2002 and some remain under development.

In January 2016, AU Assembly decisions included the need to revise and review the AU Constitutive Act "for it to be an effective legal instrument to accelerate, facilitate and deepen the efficiency and the integration process on the continent" (*Assembly/AU/Dec.597(XXVI)*).

## Symbols

The AU emblem comprises four elements. The palm leaves shooting up on either side of the outer circle stand for peace. The gold circle symbolises Africa's wealth and bright future. The plain map of Africa without boundaries in the inner circle signifies African unity. The small interlocking red rings at the base of the emblem stand for African solidarity and the blood shed for the liberation of Africa.

---

### Note

- 4 Morocco left the OAU in November 1984. In September 2016, Morocco officially submitted a request to accede to the AU Constitutive Act and become a member of the Union. The AU Assembly decided at its 28th Ordinary Session in January 2017 to admit Morocco as a new Member State (*Assembly/AU/Dec.639(XXVIII)*). Morocco deposited its instrument of accession to the Constitutive Act on 31 January 2017.

The current African Union flag was adopted in July 2009 at the 13th Ordinary Session of the Assembly of Heads of State and Government, held in Sirte, Libya ([Assembly/AU/Dec.267\(XIII\)](#)). The design is a dark-green map of the African continent on a white sun, surrounded by a circle of five-pointed gold (yellow) stars, on a dark-green field. The green background symbolises the hope of Africa, and the 55 stars represent Member States.

### **Anthem**

The AU Anthem *Let us all Unite and Celebrate Together* is included in the appendices section of this handbook and is on the AU website [www.au.int](http://www.au.int) in all the Union's six official languages (follow the tab 'Who we are').

### **Languages**

Under article 11 of the Protocol to the AU Constitutive Act, the official languages of the AU and all its institutions are Arabic, English, French, Portuguese, Spanish, Kiswahili and any other African language. The AU's working languages are Arabic, English, French, Kiswahili, Portuguese and Spanish.<sup>5</sup>

## **Operating structure**

The AU's key decision and policy organs are the:

**Assembly of Heads of State and Government.** The Assembly is the AU's supreme policy and decision-making organ. It comprises all Member State Heads of State and Government.

**Executive Council.** The Executive Council coordinates and takes decisions on policies in areas of common interest to Member States. It is responsible to the Assembly. It considers issues referred to it and monitors the implementation of policies formulated by the Assembly. The Executive Council is composed of foreign ministers or such other ministers or authorities as are designated by the governments of Member States.

**Permanent Representatives Committee (PRC).** The Committee is charged with the responsibility of preparing the work of the Executive Council and acting on the Executive Council's instructions. It comprises Permanent Representatives to the Union and other plenipotentiaries of Member States.

**Specialised Technical Committees (STCs).** These thematic committees are provided for under the AU Constitutive Act and are responsible to the Executive Council. They comprise Member State ministers or senior officials.

**Peace and Security Council (PSC).** The PSC is the AU's organ for the prevention, management and resolution of conflicts. It comprises 15 elected Member States.

**African Union Commission (AUC).** The Commission is the AU's Secretariat. It is based in Addis Ababa, Ethiopia, and is composed of an elected chairperson, deputy chairperson, six commissioners, and staff.<sup>6</sup>

5 In February 2020, the AU Assembly urged Member States and the Commission to operationalise the use of Spanish as a working language ([Assembly/AU/Dec.794\(XXXIII\)](#)). In February 2021, the Assembly urged the Commission to make Kiswahili a working language and to promote Kiswahili as a language of wider communication in Africa ([Assembly/AU/Dec.796\(XXXIV\)](#)). In February 2022, the Assembly approved the introduction of Kiswahili as a working language of the Union and language of wider communication in Africa ([Assembly/AU/Dec.832\(XXXV\)](#)).

6 In November 2018, the AU Assembly decided to reduce the number of commissioners from eight to six from 2021 ([Ext/Assembly/AU/Dec.1\(XI\)](#)). Elections for the commissioners were held during the February 2021 Assembly Summit. See the [AUC chapter](#) for more information.

In January 2016, Executive Council decisions directed that all AU organs shall, where applicable, have two representatives from each of the five African regions and one floating seat rotating among the regions, and that at least one member of each region shall be a woman (EX.CL/Dec.907(XXVIII)Rev.1).

The RECs have developed individually and have differing roles and structures. Generally, the purpose of the RECs is to facilitate regional economic integration between members of the individual regions and through the wider African Economic Community (AEC), which was established under the Abuja Treaty (1991). This Treaty, which has been in operation since 1994, ultimately seeks to create an African common market using the RECs as building blocks. The AU recognises eight RECs:

## Regional Mechanisms (RMs)

Under article 16 of the [Protocol](#) Relating to the Establishment of the Peace and Security Council (PSC), the Regional Mechanisms (RMs) for Conflict Prevention, Management and Resolution “are part of the overall security architecture of the Union, which has the primary responsibility for promoting peace, security and stability in Africa”. Article 16 covers the relationship between the RMs and the AU, including that the PSC and the Chairperson of the Commission shall work closely in partnership with the RMs in the promotion and maintenance of peace, security and stability. There are three RMs:

### International Conference on the Great Lakes Region (ICGLR)

## Observers

Non-governmental organisations, non-African states, regional integration organisations and international organisations can apply for observer status or accreditation to the AU. The Executive Council adopted the criteria for granting observer status and the system of accreditation in its decision [230\(VII\)](#) of July 2005, as set out in document EX.CL/195(VII) Annex V. See the Partnerships [chapter](#) for a list of non-African states and organisations accredited to the AU. The Assembly recognises representatives of the African diaspora<sup>7</sup> invited to attend Assembly sessions as observers ([Assembly/AU/Res.1\(XVIII\)](#) of January 2012).

---

### Note

<sup>7</sup> In January 2008, the Executive Council suggested that the African diaspora be treated as Africa’s sixth region and its participation in the AU’s organs and activities be strengthened ([EX.CL/Dec.406\(XII\)](#)). The Assembly has recognised the diaspora as a substantive entity contributing to the economic and social development of the continent and has invited its representatives as observers to Assembly sessions (see [Assembly/AU/Res.1\(XVIII\)](#) of January 2012).

## Agenda 2063

**Agenda 2063** is Africa's strategic framework that aims to deliver on the goals of inclusive and sustainable development and is a concrete manifestation of the pan-African drive for unity, self-determination, freedom, progress and collective prosperity pursued under Pan Africanism and the African Renaissance. It is anchored on the AU **Constitutive Act**, AU vision, AU Assembly 50th Anniversary Solemn Declaration of 2013 and seven African aspirations for 2063, and sets out a national, regional and continental blueprint for progress. Agenda 2063 was adopted by the AU Assembly on 31 January 2015 at its 24th Ordinary Session (**Assembly/AU/Dec.565(XXIV)**). In January 2016, the Assembly reiterated that Agenda 2063 is a common continental framework for socio-economic development (**Assembly/AU/Dec.588(XXVI)**).

The Second Continental Report on the Implementation of Agenda 2063 was published in February 2022 and is available on the AU website under the 'Agenda 2063' tab and 'key documents'.

### The Seven Aspirations of Agenda 2063

- A prosperous Africa based on inclusive growth and sustainable development
- An integrated continent, politically united, based on the ideals of Pan Africanism and the vision of Africa's renaissance
- An Africa of good governance, democracy, respect for human rights, justice and the rule of law
- A peaceful and secure Africa
- An Africa with a strong cultural identity, common heritage, values and ethics
- An Africa whose development is people-driven, relying on the potential of African people, especially its women and youth, and caring for children
- Africa as a strong, united, resilient and influential global player and partner.

Agenda 2063 is divided into a series of five 10-year plans over the 50-year horizon of its timeframe. The purpose of developing the 10-year plans is to:

- Identify priority areas, set specific targets and define strategies and policy measures required to implement the First Ten-Year Implementation Plan (FTYIP) of Agenda 2063
- Bring to fruition the fast-track programmes and initiatives outlined in the AU Assembly Malabo **Decisions** of June 2014 to provide the big push and breakthroughs for Africa's economic and social transformation
- Provide information to all key stakeholders at the national, regional and continental levels on the expected results/outcomes for the first 10 years of the plan and on the roles/assignment of responsibilities in its implementation, monitoring and evaluation
- Outline the strategies required to ensure availability of resources and capacities together with citizens' engagement in the implementation of the first 10-year plan.

Agenda 2063 has 15 fast-track or 'flagship' projects that have been identified as key to accelerating Africa's economic growth and development as well as promoting a common identity by celebrating Africa's history and vibrant culture.

### Flagship Projects of Agenda 2063

#### Continental High-Speed Train Network

This initiative aims to connect all African capitals and commercial centres.

The AUC and the National Development and Reform Commission of China signed a memorandum of understanding (MoU) on an African integrated high-speed train network (AIHSRN) in January 2015. The two parties agreed to prepare a Joint Africa–China Vision

2063 of the AIHSRN. A Joint Africa–China Five-Year Action Plan (2016–20) was agreed in 2016. The first phase was a detailed scoping study and the second was a comprehensive feasibility study. In 2020, the AU launched a call for a contracting firm to conduct a financial and technical, legal and institutional audit of the African Union of Railways, with a view to its revitalisation. An AIHSRN project steering committee, chaired by the AUC, was established to guide implementation of the project. The first meeting of the Steering Committee was held in June 2019 in Dakar, Senegal. The AU Development Agency (AUDA-NEPAD) serves as the Secretariat. Committee members include the UN Economic Commission for Africa (ECA), the African Development Bank (AfDB) and the Regional Economic Communities (RECs).

As of February 2022, the First Ten-Year Implementation Plan of the AIHSRN had been developed. The Plan features 14 pilot projects and three accelerated pilot projects. In addition, regional workshops had been undertaken to evaluate the readiness of Member States and the RECs involved in the project. Member States had also been trained on the (Luxembourg) Rail Protocol and the Cape Town Convention on International Interests in Mobile Equipment, a global treaty that will make it much easier for the private sector to finance railway rolling stock worldwide.

### **Pan African Virtual and e-University (PAVeU)**

This initiative aims to use information communications technology (ICT)-based programmes to increase access to tertiary and continuing education in Africa so as to accelerate development of human capital, science, technology and innovation.

The January 2018 AU [Summit](#) decided that PAVeU would be an open, distance and e-learning (ODEL) arm of the Pan African University (PAU), and would be hosted at the PAU rectorate headquarters in Yaoundé, Cameroon. The project was relocated to Yaoundé in 2018, and PAVeU was officially launched in December 2019. In 2020, PAVeU launched four course programmes: Introduction to Virtualisation; Entrepreneurship Knowledge and Skills and Digital Literacy with Cloud Computing; Skills for Employability; and Media and Information Literacy.

As of February 2022, 10 online courses, content and curricula had been developed; online information technology equipment procured; and the structure and cost implication of PAVeU reviewed by the Permanent Representatives Committee (PRC) Sub-Committee on Structural Reforms, which was expected to lead to the adoption of PAVeU's structure.

### **African Commodities Strategy**

This initiative aims to enable African countries to add value, extract higher rents from their commodities, integrate into the global value chains, and promote vertical and horizontal diversification anchored in value addition and local content development. In addition, it aims to transform Africa from simply being a raw-materials supplier for the rest of the world to a continent that actively uses its own resources to ensure the economic development of Africans.

The Strategy and its Action Plan were adopted in September 2021, following the development of the draft strategy in 2016. They focus on energy, agriculture and cross-cutting strategies dealing with mining and industrialisation. As of February 2022, the process of recruiting a coordination team for the implementation of the Commodity Strategy was under way. Ongoing initiatives by the AU include the development of agro-processing and value chains within the framework of the Comprehensive Africa Agriculture Development Programme (CAADP) and harnessing the Blue Ocean Economy.

## African Economic Platform (AEP)

This initiative aims to bring together African political leadership, the private sector, academia and civil society in multi-stakeholder meetings to reflect on how to accelerate Africa's economic transformation by harnessing its vast resources to enhance the development of the African people.

The first AEP was held from 20 to 22 March 2017, in Mauritius, and included focus on African development, economic transformation, industrialisation and the free movement of people and goods as pivotal components for the implementation of Agenda 2063. In July 2017, the AU Assembly decided that a tripartite summit (Member States, academia and private sector) on education and skills development, science, technology and innovation should be convened before the second AEP. As of February 2022, a roadmap for the implementation of the first AEP recommendations and a concept note for the establishment of the African Business Council Platform and Trade Observatory had been developed. No date had been set for a second AEP.

## African Continental Free Trade Area (AfCFTA)

This initiative aims to significantly accelerate growth of intra-African trade and use trade more effectively as an engine of growth and sustainable development, by doubling intra-African trade and strengthening Africa's common voice and policy space in global trade negotiations.

The AfCFTA **Agreement** was adopted and opened for signature on 21 March 2018 at the 10th Extraordinary Session of the Assembly, held in Kigali, Rwanda (*Ext/Assembly/AU/Dec.1(X)*). The Agreement entered into force on 30 May 2019 following the deposit of the required minimum number of 22 instruments of ratification by AU Member States. The operational phase of the AfCFTA was launched during the July 2019 12th AU Extraordinary **Summit**, held in Niger, through the adoption of five key instruments: Rules of Origin; Tariff Concessions; the Online Mechanism for monitoring, reporting and elimination of non-tariff barriers (NTBs); the Pan-African Payment and Settlement System; and the African Trade Observatory. The 13th Extraordinary **Session** of the Assembly, held by videoconference on 5 December 2020, underscored the urgent need for Member States to kick-start trading activities under the Agreement. Trading under the Agreement began on 1 January 2021. Trading was to have started on 1 July 2020 but was delayed because of the COVID-19 pandemic.

The AfCFTA will be one of the largest free trade areas since the formation of the World Trade Organization (WTO), given Africa's population of 1.3 billion people, which is expected to grow to 2.5 billion by 2050. Some of its expected benefits include:

- Increasing trade among African countries, which currently ranges between 15 and 18 percent
- Stimulating production through the development of regional value chains to ensure that manufacturing, agricultural processing and other activities across the continent are stimulated to supply the market
- Strengthening the capacities of African companies to access and supply world markets
- Strengthening Africa's economic and commercial diplomacy.

As of March 2022, 54 Member States had signed the Agreement and 42 had deposited their instruments of ratification.

For more information, see <https://au.int/en/treaties> for the full AfCFTA Agreement and the ratification status list; <https://afcfta.au.int> for more information about AfCFTA; and the AfCFTA Secretariat section in the Specialised and Technical Agencies, Treaty Bodies and Other Institutions chapter of this book.

## African Passport and Free Movement of People

This initiative aims to fast-track continental integration by removing restrictions on Africans' ability to travel, work and live within their own continent.

The African Passport was launched symbolically at the AU Assembly Summit in July 2016, in Kigali, Rwanda. In July 2018, chiefs of immigration from AU Member States met in Nairobi, Kenya, to review the draft guidelines for the design, production and issuance of the African Passport. A meeting of experts from Member States was held in 2017 in Port Louis, Mauritius, to consider the draft Protocol on the Free Movement of Persons, Right to Residence and Right of Establishment in Africa and its draft implementation plan. During the Extraordinary Summit on the African Continental Free Trade Area (AfCFTA), held in Kigali, Rwanda, in March 2018, 32 of the 55 AU Member States signed the Free Movement [Protocol](#).

As of March 2022, 33 Member States had signed the Protocol and four had deposited their instruments of ratification. The Protocol has been popularised among AU Member States and RECs, with a view to achieving the requisite 15 ratifications for it to come into force.

## Silencing the Guns in Africa

This initiative aims to end all wars, civil conflicts, gender-based violence and violent conflicts, and prevent genocide.

In January 2017, the Assembly endorsed the AU Master Roadmap of Practical Steps for Silencing the Guns in Africa by 2020 ([Assembly/AU/Dec.630\(XXVIII\)](#)). The inaugural roadmap implementation report was presented by the Peace and Security Council (PSC) in July 2017. The Assembly called on Member States and the RECs to strengthen their accountability mechanisms, and, amongst other things, stressed the importance of promoting the involvement of youth and women in addressing the problems of proliferation and the use and movement of illegal weapons and illicit goods. In addition, the Assembly declared the month of September of each year until 2020 as Africa Amnesty Month for the surrender and collection of illegally owned weapons/arms ([Assembly/AU/Dec.645\(XXIX\)](#)).

The AU Executive Council adopted the theme of the year for 2020 as: *Silencing the Guns: Creating Conducive Conditions for Africa's Development*. In December 2020, the Silencing the Guns in Africa initiative was extended for another 10 years (2020–30) ([Ext/Assembly/AU/Dec.1\(XIV\)](#)).

## Grand Inga Dam Project

This initiative aims to generate 43,200 megawatts (MW) of power to support current regional power pools, and for their combined service to transform Africa from traditional to modern sources of energy and ensure clean and affordable electricity.

The project in DR Congo aims to substantially expand hydropower generation beyond the existing two Inga Falls plants. The first step is the Inga 3 hydropower project, for which the concept has increased from 4800 MW to 12,000 MW for an investment cost of US\$18 billion. The combined capacity of Inga 1 and 2, built in the 1970s and 1980s, is 1775 MW. As of February 2022, progress includes that the law to facilitate the execution of the project has been enacted and awaits ratification; a roadmap with key milestones for the implementation of the project is in place; and a memorandum of understanding (MoU) has been signed between the Government of DR Congo and two service providers regarding the legal and operationalisation modalities of the consortium.

## Pan-African e-Network (PAeN)

This initiative aims to put in place policies and strategies that will lead to transformative e-applications and services in Africa, especially the intra-African broadband terrestrial infrastructure and in cyber security, to make the information revolution the basis for service delivery in the bio- and nanotechnology industries and, ultimately, transform Africa into an e-society.

The Agreement has been signed and the Network installed in 48 AU Member States: Benin, Botswana, Burkina Faso, Burundi, Cabo Verde, Cameroon, Central African Republic, Chad, Congo Republic, Comoros, Côte d'Ivoire, DR Congo, Djibouti, Egypt, Eritrea, Eswatini, Ethiopia, Gabon, Gambia, Ghana, Guinea, Guinea Bissau, Kenya (under relocation), Lesotho, Liberia, Libya, Madagascar, Malawi, Mali, Mauritania, Mauritius, Mozambique, Namibia, Niger, Nigeria, Rwanda, São Tomé and Príncipe, Senegal, Seychelles, Sierra Leone, Somalia, South Sudan, Sudan, Tanzania, Togo, Uganda, Zambia and Zimbabwe.

As of February 2022, a satellite-hub earth station in Dakar, Senegal, and up to 150 VSAT (very small aperture terminals) satellite dishes had been installed and were fully operational; an action plan had been developed and adopted for the sustainability of the e-Network; 22,000 students had obtained degrees in various undergraduate and graduate disciplines; and 770 annual tele-medicine consultations and 6000 continuous medical education (CME) sessions had been held.

## Africa Outer Space Strategy

This initiative aims to strengthen Africa's use of outer space technology to bolster its development in key fields such as agriculture, disaster management, remote sensing, climate forecast, banking and finance, as well as defence and security.

In January 2016, the AU Assembly adopted the space policy and strategy, and requested the Commission to carry out consultations to evaluate the legal, structural and financial implications for the African Space Agency, which was submitted to Permanent Representatives Committee (PRC) sub-committees for consideration (*Assembly/AU/Dec.589(XXVI)*). In January 2018, the Assembly adopted the *Statute* of the African Space Agency (AfSA) (*Assembly/AU/Dec.676(XXX)*), which seeks to establish the Agency as an organ of the African Union. The Commission then carried out an assessment and evaluation of candidate countries that offered to host the Agency, and in February 2019 the Assembly decided that the Agency will be hosted by Egypt (*Assembly/AU/Dec.748(XXXII)*). The Commission, in consultation with Egypt, is working to engage national space agencies and other space institutions in Member States to agree on a detailed implementation and operationalisation framework with clear timelines, targets and deliverables.

As of February 2022, the African Earth Observation (EO) System had been strengthened; education and capacity building undertaken; an environmental scan done; at least 2000 people trained in earth observation, satellite communication, navigation and positioning, space science and astronomy, and space regulatory regimes; and the structure and cost implication of AfSA reviewed by the PRC Sub-Committee on Structural Reforms and this was expected to lead to the adoption of the AfSA structure.

## Single African Air Transport Market (SAATM)

This initiative aims to ensure intra-regional connectivity between the cities of Africa and create a single unified air transport market in Africa as an impetus to the continent's economic integration and growth agenda.

SAATM provides for the full liberalisation of intra-African air transport services in terms of market access and traffic rights for scheduled and freight air services by eligible airlines, thereby improving air services' connectivity and air carrier efficiencies. SAATM was launched during the January 2018 AU Assembly Summit (*Assembly/AU/Dec.665(XXX)*).

As of February 2022, the regulatory instruments for the implementation of SAATM – consumer protection regulations, competition regulations and rules of procedure of the SAATM Executing Agency, the African Civil Aviation Commission (AFCAC) – had been completed and AFCAC was coordinating the domestication of these instruments in Member States. In addition, 35 Member States, constituting 89 percent of intra-African air traffic, had signed the Solemn Commitment to support the full operationalisation of SAATM. However, the implementation of SAATM slowed during the COVID-19 pandemic and only 19 Member States had fully implemented concrete measures.

## African Financial Institutions

This initiative aims to accelerate integration and socio-economic development of the continent through the establishment of organisations that will play a pivotal role in the mobilisation of resources and management of the African financial sector.

The financial institutions to be established are the:

- African Central Bank (ACB)
- African Investment Bank (AIB)
- African Monetary Fund (AMF)
- Pan-African Stock Exchange (PASE).

See the [chapter](#) on Financial Institutions and the AU website <https://au.int/en/ea/epr/aufi> for more information.

## Great Museum of Africa (GMA)

This initiative aims to create awareness about Africa's vast, dynamic and diverse range of cultural artefacts and the influence Africa has had and continues to have, on the various cultures of the world in areas such as art, music, language and science.

The GMA will be a focal centre for preserving and promoting Africa's cultural heritage. To harness the benefits of the creative industries, AU Member States endorsed the establishment of the GMA, to be based in Algiers, Algeria, in 2016 during the second Ordinary Session of the Specialised Technical Committee (STC) on Youth, Culture and Sports, held in Addis Ababa, Ethiopia. In April 2017, the AUC met with the Government of Algeria to discuss the establishment of a technical advisory committee to develop an implementation roadmap for the Museum. AU Member States have been encouraged to provide financial support for construction of the museum.

As of February 2022, the GMA comprehensive project document and brochure had been finalised; preparations for the launch of the temporary site of the GMA and the first continental exhibition completed; and the draft Statute and draft Host Agreement between the AUC and Algeria submitted to the Legal Counsel for clearance.

## Cyber Security

This initiative aims to ensure that Africa incorporates in its development plans the rapid changes brought about by emerging technologies, and to ensure that these technologies are used for the benefit of African individuals, institutions and nation states by ensuring data protection and safety online.

The Cyber Security project is guided by the AU [Convention on Cyber Security and Personal Data Protection](#), which was adopted by the AU Assembly in Malabo, Equatorial Guinea, in June 2014 ([Assembly/AU/Dec.529\(XXIII\)](#)). As of March 2022, 14 countries had [signed](#) the Convention and 13 had deposited their instruments of ratification. The Convention will come into force 30 days after the deposit of 15 instruments of ratification.

The AUC launched data protection guidelines in May 2018 during the Africa Internet Summit in Dakar, Senegal. In October 2018, the first African forum dedicated to cybercrime was held in Addis Ababa, Ethiopia, in collaboration with the US Department of Justice. Capacity-building workshops were also held on cyber diplomacy, strategy and legislation. In addition, an Africa cyber security expert committee was established in 2019 in line with Executive Council decision [987\(XXXII\)](#) of January 2018. The committee is composed of 10 members, two from each of the five African regions, with the mandate of advising the AU on emerging cyber-related issues.

## Encyclopaedia Africana Project (EAP)

This initiative aims to advance the spirit of Pan Africanism. The EAP was added to the Agenda 2063 flagship projects by the February 2019 AU Assembly Summit ([Assembly/AU/Dec.732\(XXXII\)](#)).

The Secretariat of the EAP was established in 1962 by the Government of Ghana as the editorial and coordinating centre to systematically document the authentic history of Africa, African culture and contributions of African people throughout the world. The Project's institutionalisation and advancement as a continental initiative is at the centre of its activities. As of February 2022, three volumes of the *Encyclopaedia Africana* had been published.

See [www.au.int/agenda2063](http://www.au.int/agenda2063) for more information about Agenda 2063.

## Institutional Reform

African leaders decided in 2016 that institutional reform of the African Union (AU) was urgent and necessary, given the role the AU is expected to play in driving and achieving the African Agenda 2063 vision of inclusive economic growth and development. Progress notably includes that in 2021:

- A new process was used for the selection of the Chairperson of the Commission, Deputy Chairperson and Commissioners
- The number of Commissioners was reduced from eight to six
- A new Commission structure was adopted.

Milestones towards institutional reform include:

- In July 2016, Rwandan President Paul Kagame was mandated by the AU Assembly to lead the reform process (see [Assembly/AU/Dec.606\(XXVII\)](#) of July 2016, [Assembly/AU/Dec.635\(XXVIII\)](#) of January 2017, [Assembly/AU/Dec.650\(XXIX\)](#) of July 2017, and [Assembly/AU/Dec.690\(XXXI\)](#) of July 2018).
- Following a review of various studies as well as consultation with Member States and stakeholders, the reforms advisory team concluded that the AU needed to reposition itself and ensure it had the requisite institutional capacity and capabilities, given the evolving economic, political and social needs of the continent.
- In January 2017, the Assembly adopted the following five reform areas ([Assembly/AU/Dec.635\(XXVIII\)](#)):
  - (i) Focusing on key priorities with continental scope
  - (ii) Realigning AU institutions, in order to deliver against those priorities
  - (iii) Connecting the AU to its citizens
  - (iv) Managing the business of the AU efficiently and effectively at both the political and operational levels
  - (v) Financing the AU sustainably and with the full ownership of Member States.
- The Assembly decided in January 2017, amongst other things, that the Commission should put in place a reform implementation unit (RIU) within the Bureau of the Chairperson of the Commission, to be responsible for the day-to-day coordination and implementation of the Assembly's decisions on reforms, and this was implemented.
- In January 2018, the Assembly decided that further consultations would be held to deepen consensus; that the Reform Troika (the previous, current and incoming AU Chairpersons) would be expanded to include the Assembly Bureau; and that 15 Ministers of Foreign Affairs, three per region, would play an advisory role in the reform implementation process ([Assembly/AU/Dec.687\(XXX\)](#)).
- The Assembly also confirmed that from 2019 it would meet in ordinary session once a year, rather than twice. In place of the June/July session, the Assembly Bureau would hold a coordination meeting with the Regional Economic Communities (RECs), with the participation of the RECs' Chairpersons, AU Commission and Regional Mechanisms (RMs) ([Assembly/AU/Dec.635\(XXVIII\)](#) of January 2017). The first coordination meeting was held on 8 July 2019, in Niamey, Niger (see [MYCM/Decl.1\(I\)](#) of July 2019).
- The January 2018 Summit also made decisions on progressing:
  - (i) Equal representation of women and men
  - (ii) Increasing representation of youth and financing of youth empowerment programmes
  - (iii) Delegating budget adoption powers and functions to the Executive Council
  - (iv) Financing of the Union.
- In July 2018, the Assembly asked the AUC to finalise proposals and recommendations based on initial findings on the Pan-African Parliament (PAP), Peace and Security Council (PSC), African Court on Human and Peoples' Rights (AfCHPR), African Commission on Human and Peoples' Rights (ACHPR), African Peer Review Mechanism (APRM) and African Union Advisory Board on Corruption (AUABC).

- The Assembly also asked the AUC to implement reform, with a view to strengthening the overall administrative, operational and procedural effectiveness of the Commission.
- The Assembly held an extraordinary session on the institutional reform process on 17 and 18 November 2018 at AU Headquarters in Addis Ababa, Ethiopia, and decided, amongst other things that, from 2021, the Commission would be composed of eight elected positions: the Chairperson, Deputy Chairperson and six Commissioners, instead of eight Commissioners (*Ext/Assembly/AU/Dec.1(XI)*). The Assembly also decided to enhance the transparency and meritocracy of the selection process, and that the new process would come into effect at the end of the four-year tenure of the 2017–21 Commission; and to mandate the Chairperson of the Commission to develop a new “lean and performance-orientated” departmental structure, and delegated the Executive Council to adopt the new structure at its 35th Ordinary Session in July 2019. The Executive Council subsequently asked AU Member States to submit their inputs on the proposed AUC departmental structures so that detailed deliberations could take place (see Executive Council *Annex I* of July 2019).
- In February 2020, the Assembly, amongst other things, requested the Chairperson of the Commission to finalise the review of the other organs and institutions as outlined in decision 635 of January 2017 and to submit proposals to the 34th Ordinary Session of the Assembly in February 2021 (*Assembly/AU/Dec.749(XXXIII)*).
- In February 2021, the Assembly requested the Commission to finalise the remaining reform priorities for consideration by AU policy organs in January/February 2022 (*Assembly/AU/Dec.798(XXXIV)*). The Assembly also adopted its reform-aligned Rules of Procedure and a reform-aligned Statute of the Commission. The Executive Council adopted its reform-aligned Rules of Procedure in October 2020 (*EX.CL/Dec.1099(XXXVII)*).
- In February 2022, the Assembly decided to extend the deadline for submitting the outcome of the remaining reform priorities by one year to February 2023 (*Assembly/AU/Dec.819(XXXV)*).

## Financing the Union

The AU Assembly of Heads of State and Government has taken a series of key decisions in recent years about financing the Union, including the:

- January and June 2015 Addis Ababa and Johannesburg Summit decisions, which directed that Member States would fund 100 percent of the operational budget, 75 percent of the programme budget and 25 percent of the peace support operations budget (*Assembly/AU/Dec.561(XXIV)* and *Assembly/AU/Dec.578(XXV)*).
- July 2016 Kigali Summit decision 605(XXVII), which followed work on options to resolve a significant funding gap. The purpose of the decision was to provide reliable and predictable funding, reduce dependency on partners, and relieve pressure on Member States. The decision included:
  - (i) Reaffirming decision 578(XXV) of June 2015, including for the funding targets above to be phased in over five years from January 2016
  - (ii) Instituting a 0.2 percent *levy* on all eligible goods imported into the continent to finance the AU operational, programme and peace support operations budgets, starting from 2017
  - (iii) Endowing the Peace Fund with US\$325 million from the levy in 2017, raised in equal contributions from each of the five AU regions (US\$65 million each), rising to US\$400 million in 2020 (subsequently extended to 2023).

- January 2018 Addis Ababa Summit decision 687(XXX), which was part of decisions on institutional reform, and included:
  - (i) Expanding the Committee of Ten Finance Ministers to 15 (F15)
  - (ii) Endorsing the F15 budget oversight role and function based on the following primary duties: comparing the expenditure and the rate of results achievement; establishing a baseline for the following financial year's budget; ensuring alignment between the budget and results achieved; ensuring the link between revenue forecasts and affordability; and ensuring that the proposed budget does not pose any unsustainable risk over the long term
  - (iii) Adopting nine 'golden rules', to provide a framework for financial management and accountability principles at the AU
  - (iv) Adopting the Instrument Relating to the Enhanced Governance and Management Structure of the Peace Fund.
- February 2019 Niamey Summit, which decided, amongst other things:
  - (i) To maintain the scale of assessment tier system but adjust the scale so that no country shall pay less than US\$350,000 or more than US\$35 million as a contribution for the regular budget and the Peace Fund combined (see the Budget [chapter](#) for information about the 2020–22 scale of assessment)
- October 2020 Executive Council decision 1097(XXXVII), which included:
  - (i) Deciding that the 2021 budget would be an austerity budget and that a review mechanism be instituted in September of each year to address emerging issues
  - (ii) Urging the AUC to rationalise activities requiring consultancies, and directing the AUC and AU organs to make use of virtual meetings for cost savings
  - (iii) Noting the increased burden of the 2020–22 scale of assessment, and deciding that the Member States' assessment for 2022 shall not exceed US\$250 million.
- October 2021 Executive Council decision 1126(XXXIX), which included:
  - (i) Requesting the F15 to devise a methodology that puts a threshold on an amount to be drawn from the Reserve Fund as well as to come up with a budget matrix that assists the AUC to prepare results-based budgets
  - (ii) Directing the AUC to request only one supplementary budget a year
  - (iii) Directing that Member States' assessed contributions for 2023 shall not exceed US\$250 million.

See the Budget [chapter](#) and the Peace Fund section in the Peace and Security Council (PSC) [chapter](#) for more information. See <https://au.int/en/aureforms/financing> for more information about financing of the Union.

AFRICAN UNION HANDBOOK 2022

# ASSEMBLY

# ASSEMBLY OF HEADS OF STATE AND GOVERNMENT

The Assembly is the African Union's (AU's) supreme organ and comprises Heads of State and Government from all 55 Member States. It determines the AU's policies, establishes its priorities, adopts its annual programme and monitors the implementation of its policies and decisions.

In addition, the Assembly:

- Elects the Chairperson and Deputy Chairperson of the African Union Commission (AUC)
- Appoints the AUC Commissioners and determines their functions and terms of office
- Admits new members to the AU
- Adopts the AU budget
- Takes decisions on important AU matters
- Amends the **Constitutive Act** in conformity with the laid-down procedures
- Interprets the Constitutive Act
- Approves the structure, functions and regulations of the AU Commission
- Determines the structure, functions, powers, composition and organisation of the Executive Council.

The Assembly can create any committee, working group or commission as it deems necessary. It can also delegate its powers and functions to other AU organs, as appropriate.

On peace and security matters, the Assembly delegated its powers to the Peace and Security Council (PSC) when the Council became operational in 2004. The Council was established in 2003 to be the standing decision-making organ for the prevention, management and resolution of conflicts (**Protocol on Amendments to the Constitutive Act**, article 9). See the PSC [chapter](#) for more information.

Provisions governing the Assembly's composition, functions and powers, voting and procedures are contained in articles 6 to 9 of the Constitutive Act and the Protocol on Amendments to the Constitutive Act. Section 1, rule 4 of the Assembly Rules of Procedure, as amended in 2021, elaborates on the Assembly's functions and powers.

## Evolution

The AU Assembly replaced the Assembly of the Organization of African Unity (OAU). The OAU was established in 1963 and the AU was launched in 2002.

In February 2021, the Assembly adopted amended Rules of Procedure and an amended Statute of the Commission to align them with institutional reform of November 2018 ([Assembly/AU/Dec.806\(XXXIV\)](#)).

## Membership

There are 55 Member States. They are listed in the Member States section of this book, including their date of joining the AU or its predecessor the OAU.

A list of contact details for Permanent Missions of all AU Member States represented in Addis Ababa, Ethiopia, can be found at [www.au.int/en/member\\_states/embassies](http://www.au.int/en/member_states/embassies).

## Meetings

Article 6 of the AU **Constitutive Act** provides for the Assembly to meet in ordinary session at least once a year and in extraordinary session on request by a Member State and approved by a two-thirds majority of Member States. In 2004, the Assembly decided it would meet in

ordinary session twice a year ([Assembly/AU/Dec.53\(III\)](#)). Sessions usually took place in late January or early February at AU Headquarters in Addis Ababa, Ethiopia, and in June or July hosted by a Member State. In January 2018, the Assembly decided that ordinary sessions would be held once a year from 2019 ([Assembly/AU/Dec.687\(XXX\)](#)), and they have since been held in February each year. In place of the June/July session, the Assembly Bureau holds a coordination meeting with the Regional Economic Communities (RECs), with the participation of the Chairpersons of the RECs, Regional Mechanisms (RMs) and the Commission ([Assembly/AU/Dec.798\(XXXIV\)](#)).

Under rule 8 of the Assembly Rules of Procedure, as amended in 2021, the Assembly adopts its own agenda at the opening of each session. The provisional agenda and working documents for an ordinary session are prepared by the Commission 60 days before the opening session and submitted to the Permanent Representatives Committee (PRC) and Executive Council. The agenda comprises three strategic policy issues; items proposed by Member States, subject to due process; items proposed by other organs of the Union that do not report directly to the Executive Council; and items the Assembly has decided to place on its agenda. The Assembly examines such items together with recommendations of the Executive Council. Additional items can only be for information, not subject to debate or decisions (rule 9).

Two-thirds of AU members are required to form a quorum at any Assembly meeting. The Assembly makes decisions by consensus or, where consensus is not possible, by a two-thirds majority vote by Member States eligible to vote (Rules of Procedure, rule 19). Matters of procedure, including the question of whether a matter is one of procedure or not, are decided by a simple majority of Member States eligible to vote. Decision records are available on the AU website under the 'Resources' tab.

### **Assembly Chairpersons and Bureau**

The Assembly Chairperson is a Head of State or Government elected by his/her peers at the Ordinary Session for a renewable one-year term (articles 6(4) and 6(5) of the [Constitutive Act](#), as amended in 2003). In January 2017, as part of the institutional reform efforts, the Assembly decided that a troika arrangement amongst the outgoing, current and incoming Chairpersons would be established to ensure continuity and effective implementation of decisions ([Assembly/AU/Dec.635\(XXVIII\)](#)). In January 2018, the Assembly decided that the Reform Troika would be expanded to include the full Bureau of the Assembly ([Assembly/AU/Dec.687\(XXX\)](#)).

In February 2021, the Assembly, recalling that under the principle of rotation it would be the Western African region's turn, decided that the incoming Chairperson for 2022 would be Senegal ([Assembly/AU/Dec.809\(XXXIV\)](#)). The incoming Chairperson for 2023, under the principle of rotation, will be from the Eastern African region.

The 2003 [Protocol](#) on Amendments to the Constitutive Act provides for the Chairperson to be assisted by a bureau chosen by the Assembly (article 6(6)) for a one-year term. The Assembly Rules of Procedure, as amended in 2020, provide for the Bureau to comprise three vice-chairpersons and one rapporteur, with the rapporteur being the outgoing Chairperson. The Bureau is elected by the Assembly on the basis of rotation, agreed geographical representation and regional consultations. Between sessions, the Chairperson represents the Assembly at global forums.

The composition of the Assembly Bureau is reflected in the Executive Council and Permanent Representatives Committee Bureaus.

## **Assembly High-Level Committees**

### **Committee of Ten Heads of State and Government on the Reform of the United Nations Security Council**

The Committee, also known as C-10, was established by the AU Assembly in August 2005 at its fourth Extraordinary Session (*Ext/Assembly/AU/Dec.1(IV)*). Its mandate is to “present, advocate and canvass support” for two permanent and two additional non-permanent AU Member State seats on the Security Council, as proposed under the 2005 Ezulwini Consensus (*Ext/EX.CL/2(VII)*). The Consensus was endorsed by the Assembly in its 2005 Sirte Declaration on the Reform of the United Nations (*Assembly/AU/Decl.2(V)*) to form the African Common Position. This has been regularly reaffirmed by the Assembly, including by decision 819 of February 2022. The Committee is composed of 10 Heads of State and Government, two from each region, and coordinated by the President of Sierra Leone, Julius Maada Bio.

#### **Committee members (10)**

### **Committee of African Heads of State and Government on Climate Change (CAHOSCC)**

The Committee was established by the AU Assembly in July 2009 at its 13th Ordinary Session (see *Assembly/AU/Dec.257(XIII)* and *EX.CL/Dec.500(XV)*). Its mandate is to spearhead the African Common Position on Climate Change and its key messages, and ensure that Africa speaks with one voice in global climate change negotiations. The Committee usually meets on the margins of the Ordinary Session of the AU Assembly and also when necessary on the margins of other high-level events such as the UN General Assembly.

In 2013, the Assembly agreed that the coordination of CAHOSCC would rotate for two-year periods and that the host country of the African Ministerial Conference on the Environment (AMCEN) would serve as the Coordinator at the Summit level (*Assembly/AU/Dec.457(XX)*). The Coordinator for 2022–24 is the President of Kenya. Previous coordinators were

South Africa, Gabon, Egypt, Tanzania and Ethiopia. In January 2018, the Assembly approved a recommendation that Egypt and Mali become permanent members of CAHOSCC ([Assembly/AU/Dec.669\(XXX\)](#)).

CAHOSCC invites the Presidents chairing African Climate Commissions and climate change initiatives to give updates and report on progress at its sittings.

## Committee of Ten Heads of State and Government Champions for Education, Science and Technology in Africa

The 25th AU Assembly, held in June 2015, committed to the establishment of a team of Ten Heads of State and Government (two from each geographic region) to champion the cause of education, science and technology in Africa, and to meet and report annually to the AU Summit on the status of education, science and technology in Africa ([Assembly/AU/Dec.572\(XXV\)](#)). The Assembly endorsed Macky Sall, President of Senegal, as the first coordinator. In January 2018, the Assembly endorsed Béji Caïd Essebsi,<sup>2</sup> then President of Tunisia, as the first Vice-Chairperson, and Arthur Peter Mutharika, then President of Malawi, as the second Vice-Chairperson.

The Committee of Ten (C10) is instrumental as a high-level platform for advancing the implementation of the Continental Education Strategy for Africa (CESA 16–25); the Continental Strategy for Technical and Vocational Education and Training (TVET); and the Science, Technology and Innovation Strategy for Africa (STISA 2024), which are pivotal for the realisation of Agenda 2063 goals.

The Committee held its inaugural meeting in January 2018 in Addis Ababa, Ethiopia, and its first Extraordinary Summit in November 2018 in Lilongwe, Malawi, where it adopted a declaration and plan of action for championing education, science, technology and innovation.

## High-Level Committee of Heads of State and Government on Libya

The Assembly decided at its January 2016 Summit to establish the High-Level Committee, as agreed in the Peace and Security Council (PSC) Communiqué of 23 September 2014, to enable the AU to support more effectively the efforts of peace and reconstruction in Libya (*Assembly/AU/Dec.598(XXVI)*). The Committee was initially composed of the Presidents of Congo Republic, South Africa, Mauritania, Gabon and Niger, and the Prime Minister of Ethiopia. In January 2017, the Assembly decided to expand the membership to also include Algeria, Chad, Egypt, Sudan and Tunisia (*Assembly/AU/Dec.629(XXVIII)*). The Chair is Denis Sassou Nguesso, President of Congo Republic, who was appointed during a meeting of the High-Level Committee on 8 November 2016, in Addis Ababa, Ethiopia.

Assembly decision *792(XXXIII)* of February 2020 established a contact group, chaired by Congo Republic, to provide political leadership, as well as to promote coordination of international efforts in the search for a solution to the Libyan crisis. Assembly decision *819(XXXV)* of February 2022 included inviting the High-Level Committee to continue its mandate.

## African Union Development Agency (AUDA-NEPAD) Heads of State and Government Orientation Committee (HSGOC)

The African Union Development Agency (AUDA-NEPAD) Heads of State and Government Orientation Committee (HSGOC) is a sub-committee of the AU Assembly that provides political leadership and strategic guidance on the AUDA-NEPAD programmes, under Agenda 2063. The AUDA-NEPAD HSGOC provides reports, including recommendations, to the AU Assembly for full AU decisions or endorsement.

The AUDA-NEPAD HSGOC is composed of 33 members: eight Member States chairing the Regional Economic Communities (RECs) and five members from each of the five AU regions. The principle of rotation applies to membership after a term of two years, except for the five AUDA-NEPAD founding Member States: Algeria, Egypt, Nigeria, Senegal and South Africa (see Assembly decisions *691* of July 2018 and *763* of February 2020). The February 2020 Assembly Summit endorsed Paul Kagame, President of Rwanda, as Chairperson of the Bureau; Macky Sall, President of Senegal and outgoing Chairperson of the HSGOC, as Vice-Chairperson and Rapporteur; and three other Vice-Chairpersons to be nominated after regional consultations (*Assembly/AU/Dec.763(XXXIII)*). In February 2022, the Assembly endorsed the extension of the Bureau for an additional year (*Assembly/AU/Dec.818(XXXV)*).

The Committee was established in 2001 as the NEPAD Heads of State and Government Implementation Committee (HSGIC). The name was changed to the Heads of State and Government Orientation Committee (HSGOC) in 2010 (*Assembly/AU/Dec.283(XIV)*). In January 2017, in the context of institutional reform of the AU, the Assembly proposed the transformation of the technical implementing body, the NEPAD Planning and Coordinating Agency (NEPAD Agency), into the African Union Development Agency (AUDA-NEPAD) (*Assembly/AU/Dec.635(XXVIII)*). This recommendation was approved by the Assembly in July 2018 (*Assembly/AU/Dec.691(XXXI)*). For more information about AUDA-NEPAD, see the AU Commission [chapter](#).

To lead the implementation of key initiatives of the African Union as well as flagship projects of Agenda 2063, Heads of State and Government are selected by the Assembly as **Champions** to create awareness about these initiatives at continental and international levels and to get the necessary support required to ensure implementation by all Member States.

AFRICAN UNION HANDBOOK 2022

# **EXECUTIVE COUNCIL**

# EXECUTIVE COUNCIL

The Executive Council works in support of the African Union (AU) Assembly and is responsible to the Assembly. All Member States participate in the Executive Council, usually at foreign minister level.

Article 13 of the AU [Constitutive Act](#) mandates the Executive Council to coordinate and take decisions on policies in areas of common interest to Member States, consider issues referred to it and monitor the implementation of Assembly policies. The same article sets out a detailed list of substantive policy areas ranging from foreign trade, energy, agriculture and the environment to humanitarian response, health, social security and disability.

The Executive Council's core functions include:

- Preparing the Assembly session agendas and drafting decisions for its consideration
- Electing the Members of the AU Commission (AUC) for appointment by the Assembly
- Promoting cooperation and coordination with the Regional Economic Communities (RECs), African Development Bank (AfDB), other African institutions and the UN Economic Commission for Africa (ECA)
- Determining policies for cooperation between the AU and Africa's partners
- Considering and making recommendations to the Assembly on the AU Commission's structure, functions and statutes
- Ensuring the promotion of gender equality in all AU programmes.

Provisions governing the Executive Council's composition, functions and powers, voting and procedures are contained in articles 10 and 13 of the Constitutive Act.

The Executive Council makes decisions by consensus or, where consensus is not possible, by a two-thirds majority of Member States eligible to vote (Rules of Procedure, rule 19). Matters of procedure, including the question of whether a matter is one of procedure or not, are decided by a simple majority of Member States eligible to vote. Two-thirds of AU members are required to form a quorum at any Executive Council meeting.

## Evolution

The AU Executive Council is the successor to the Organization of African Unity's (OAU's) Council of Ministers.

In October 2020, the Executive Council adopted amendments to its Rules of Procedure to align them with institutional reform (see [EX.CL/Dec.1099\(XXXVII\)](#) of October 2020 and [Ext/Assembly/AU/Dec.1\(XI\)](#) of November 2018).

## Structure

All 55 AU Member States have one representative on the Executive Council. Members are usually ministers of foreign affairs but may be any minister designated by the Member State's government (AU [Constitutive Act](#), article 10; Rules of Procedure, rule 3). The Executive Council Bureau consists of a chairperson, three vice-chairpersons and a rapporteur. Positions are held by the same Member States that form the Assembly Bureau (Rules of Procedure, rule 16). Office holders serve for one year (usually February to February in recent years).

The Executive Council may delegate its powers and functions to the Specialised Technical Committees (STCs), give instructions to the Permanent Representatives Committee (PRC) and assign tasks to the Commission (Rules of Procedure, rule 5(2–4)).

## Meetings

The Executive Council meets at least twice a year in ordinary session, usually in early February and July. The Executive Council can also meet in extraordinary sessions at the request of the

Assembly, the Chairperson, any Member State or the Chairperson of the AUC in consultation with the Chairperson of the Executive Council, and on approval by two-thirds of all Member States (*Constitutive Act*, article 10; Rules of Procedure, rule 12). All sessions are closed to the public, unless the Council decides otherwise (by simple majority; Rules of Procedure, rule 14). Extraordinary sessions are held at AU Headquarters in Addis Ababa, Ethiopia, unless a Member State invites the Council to meet in its country (Rules of Procedure, rule 12).

The Executive Council adopts its agenda at the opening of each session. The provisional agenda for an ordinary session is drawn up by the PRC. The Chairperson of the AU Commission communicates the draft agenda to Member States at least 30 days before the opening of the session (Rules of Procedure, rule 9). The agenda may comprise the report of the Commission, the report of the PRC, items the Assembly has referred to the Executive Council, items the Executive Council decided at a preceding session to place on its agenda, the draft programme and budget of the Union, items proposed by other organs and items proposed by a Member State, subject to due process. Additional agenda items can only be for information, not for debate or decision (Rules of Procedure, rule 2(h)). Extraordinary session agendas can comprise only the item or items submitted in the request for convening the session (Rules of Procedure, rule 13).

In January 2016, the Executive Council asked the AUC, in collaboration with the PRC, to, amongst other things, rationalise the number of meetings each year; ensure that the Summit agenda and decisions address strategic rather than administrative issues; and ensure that decisions on which no action is taken after two or three years are recommended to policy organs for cancellation (*EX.CL/Dec.898(XXVIII)Rev.1*).

## Ministerial Committee on the Scale of Assessment and Contributions

The Committee is responsible for reviewing the scale of assessment for Member State contributions to the AU budget; advising the Assembly on the apportionment of AU expenses among Member States, broadly according to their capacity to pay, solidarity and equitable payments; and advising the Assembly on the treatment of Member States in arrears of their contributions.

The Committee was established following an Executive Council decision in January 2016 to restructure the Ad-Hoc Ministerial Committee on the Scale of Assessment into a standing committee and rename it the Ministerial Committee on the Scale of Assessment and Contributions (EX.CL/Dec.916(XXVIII)Rev.1). The Council also decided that the new committee would take over the mandate of the Permanent Representatives Committee's (PRC's) Sub-Committee on Contributions and that Sub-Committee would be abolished. The Ad-Hoc Ministerial Committee had replaced the Standing Sub-Committee on the Review of the Scale of Assessment (EX.CL/Dec.4(II) of March 2003), which had the same membership.<sup>2</sup>

Members are selected on the basis of geographical distribution for two-year terms. Meetings are scheduled to be held biannually on the margins of the Executive Council Ordinary Session in February and during mid-year summits.

#### Note

<sup>2</sup> Standing committees are ongoing and meet regularly, unlike ad hoc committees, which are usually established for a limited time to address a specific issue.

In June 2018, the Executive Council decided to reconfigure the composition of the Ministerial Committee to include the Fifteen Ministers of Finance (F15) Committee (EX.CL/Dec.1020(XXXIII)). The F15 Secretariat and Contribution Unit, under the AUC Cabinet of the Deputy Chairperson, serves as the Secretariat to this reconfigured Committee. The Secretariat works in close collaboration with the Directorate of Finance.

### Ministerial Follow-Up Committee on the Implementation of Agenda 2063 (Ministerial Committee on Agenda 2063)

The initial role of the Committee was to provide political direction for development of the Agenda 2063 final document and to report to the Executive Council on its implementation. Subsequently, its core mandate has centred on strategic orientation, efficiency, financing and accountability in the delivery of Agenda 2063, the First Ten-Year Implementation Plan and successive plans.

The Committee was established by the Executive Council's first ministerial retreat, held in Bahir Dar, Ethiopia, in January 2014, and formalised by the Executive Council's 24th Session, held in Addis Ababa, Ethiopia, also in January 2014 (EX.CL/Dec.807(XXIV)). Its mandate was renewed by the Executive Council's 29th Session in January 2016 (EX.CL/Dec.908(XXVIII) Rev.1), and its terms of reference were approved by the Executive Council in July 2016 (EX.CL/Dec.935(XXIX)). Members' terms are two years, taking into account the spirit of rotation and regional balance. The 2021–22 members were endorsed by the Executive Council at its 39th Ordinary Session, held in October 2021 in Addis Ababa, Ethiopia.

## **Open-ended Ministerial Committee on the International Criminal Court (ICC)**

The Open-ended Ministerial Committee on the International Criminal Court (ICC) was established in line with the Assembly's recommendation in June 2015 to form an open-ended committee of foreign ministers (see [Assembly/AU/Dec.789\(XXXIII\)](#) of February 2020). The Committee is chaired by the Foreign Minister of Ethiopia.

AFRICAN UNION HANDBOOK 2022

**PERMANENT  
REPRESENTATIVES  
COMMITTEE**

# PERMANENT REPRESENTATIVES COMMITTEE (PRC)

The Permanent Representatives Committee (PRC) conducts the day-to-day business of the African Union (AU) on behalf of the Assembly and Executive Council. It reports to the Executive Council, prepares the Executive Council's work and acts on its instructions (under article 21 of the [Constitutive Act](#)). All AU Member States are members of the PRC.

Rule 4 of the PRC Rules of Procedure specifies that its powers and functions include to:

- Act as an advisory body to the AU Executive Council
- Prepare its Rules of Procedure and submit them to the Executive Council
- Prepare Executive Council meetings, including the agenda and draft decisions
- Make recommendations on areas of common interest to Member States, particularly on issues on the Executive Council agenda
- Facilitate communication between the African Union Commission (AUC) and Member States' capitals
- Consider the AU's programme and budget as well as the Commission's administrative, budgetary and financial matters, and make recommendations to the Executive Council
- Consider the Commission's financial report and make recommendations to the Executive Council
- Consider the Board of External Auditors' report and submit written comments to the Executive Council
- Consider reports on the implementation of the budget of the Union
- Propose the composition of AU organ bureaus, ad hoc committees and sub-committees
- Consider matters relating to the AU's programmes and projects, particularly issues relating to the socio-economic development and integration of the continent, and make recommendations to the Executive Council
- Consider reports on the implementation of the policies, decisions and agreements adopted by the Executive Council
- Participate in the preparation of the AU programme of activities and calendar of meetings; consider any matter assigned to it by the Executive Council; and carry out any other functions that may be assigned to it by the Executive Council.

Rule 4 also provides that the PRC may set up ad hoc committees and temporary working groups as it deems necessary, including sub-committees.

In October 2020, the Executive Council adopted amendments to the PRC Rules of Procedure, to align them with institutional reform (see [EX.CL/Dec.1099\(XXXVII\)](#) of October 2020 and [Ext/Assembly/AU/Dec.1\(XI\)](#) of November 2018).

## Structure

All Member States are represented on the PRC at the level of Permanent Representative. Similar to the Assembly and Executive Council, the PRC Bureau consists of a chairperson, three vice-chairpersons and a rapporteur. The Bureau positions are held by the same states that form the Assembly and Executive Council bureaus. Office holders serve for one year (usually January to January). In addition to the official Bureau, a larger informal bureau of 15 Member States traditionally convenes to support arrangements for the Assembly Summit sessions.

At the PRC level, the five regional groups are informal discussion structures, chaired by the longest-serving representative, who acts as the Dean.

## Meetings

The PRC usually meets at AU Headquarters at least once a week and holds an ordinary session two times a year. It may also hold extraordinary sessions. The quorum is two-thirds of the total membership of the Union (Rules of Procedure, rule 6). The agenda for each session is drawn up by the Chairperson in consultation with the PRC Bureau and the AUC. Sessions are closed, except when the PRC decides otherwise (by simple majority).

The AU Executive Council decided in June 2018 that from 2019, the PRC would hold its sessions in time for it to adopt its reports at least two weeks prior to the start of the ordinary sessions of the Executive Council (EX.CL/Dec.1030(XXXIII)).

The PRC takes all its decisions by consensus or, failing that, by a two-thirds majority of Member States eligible to vote (Rules of Procedure, rule 13). Questions of procedure, and whether a question is one of procedure or not, require a simple majority of Member States eligible to vote. PRC meetings are governed by rules 5–9 of the Rules of Procedure and decision-taking by rule 13.

## Session dates: 2020–23

## Sub-Committees

Under the AU [Constitutive Act](#), article 21(2), the PRC “may set up such sub-committees or working groups as it may deem necessary. In addition, rule 4 of the PRC Rules of Procedure provides for the PRC to set up “such ad-hoc committees and temporary working groups, as it deems necessary, including sub-committees”, and that the functioning, mandate, composition and term of office of such ad-hoc committees and temporary working groups shall be determined by the PRC. The quorum for meetings of such sub-committees or temporary working groups is a simple majority.

Some sub-committees are composed of all 55 Member States and some of 15 Member States. The geographical distribution for the 15-member sub-committees is usually Central Africa: three seats; Eastern Africa: three seats; Northern Africa: two seats; Southern Africa: three seats; and Western Africa: four seats. In line with established practice, the composition and bureaus of the Sub-Committees are determined by consultations between the overall Dean and the regional Deans.

### Sub-Committee on General Supervision and Coordination on Budgetary, Financial and Administrative Matters

#### Purpose

The Sub-Committee oversees the financial and administrative management of the AU on behalf of the PRC. Under its draft terms of reference, the Sub-Committee's core tasks include:

- Reviewing the draft programme of activities and budgetary estimates presented by the Commission
- Reviewing all administrative and other matters with financial implications

- Considering unforeseen urgent expenditure
- Considering requests related to the working capital or other funds
- Reviewing the Commission's financial report for the preceding year and making recommendations to the PRC.

The Sub-Committee reports on each of its meetings and makes recommendations to the PRC. It may draft reports for review by the Executive Council on any issues concerning administrative, budgetary, management and financial matters. The Sub-Committee reviews drafts of the AU's financial rules and regulations, which are then submitted to the PRC for consideration before going to the Executive Council and on to Assembly-level approval.

#### Evolution

The Sub-Committee was previously named the Advisory Sub-Committee on Administrative, Budgetary and Financial Matters and was the successor to the OAU Sub-Committee of the same name. In January 2016, the AU Executive Council asked the PRC to strengthen and reform the Sub-Committee and rename it the Sub-Committee on General Supervision and Coordination on Budgetary, Financial and Administrative Matters ([EX.CL/Dec.916\(XXVIII\) Rev.1](#)). The Executive Council adopted draft terms of reference for the renamed Sub-Committee in July 2016 ([EX.CL/Dec.931\(XXIX\)](#)), and the name change took effect in 2017.

#### Meetings

Sub-Committee sessions are held at AU Headquarters at least quarterly, and extraordinary sessions may also be held. The Chairperson draws up the agenda in consultation with the

PRC Bureau, Sub-Committee Bureau and AUC. Sessions are closed, except when the Sub-Committee decides by simple majority to hold open sessions.

AFRICAN UNION HANDBOOK 2022

# **SPECIALISED TECHNICAL COMMITTEES**

## 64 SPECIALISED TECHNICAL COMMITTEES (STCs)

The African Union (AU) [Constitutive Act](#) provides for the establishment of Specialised Technical Committees (STCs) as organs of the Union (article 5), reporting to the Executive Council (article 14). The process of operationalising the STCs was completed in 2017.

### Purpose

The purpose of the STCs is to work in close collaboration with AU Commission (AUC) departments to ensure the harmonisation of AU projects and programmes as well as coordination with the Regional Economic Communities (RECs). Article 15 of the [Constitutive Act](#) provides that each committee shall, within its field of competence:

- Prepare AU projects and programmes and submit them to the Executive Council for approval
- Ensure the supervision, follow-up and evaluation of the implementation of decisions taken by AU organs
- Ensure the coordination and harmonisation of AU projects and programmes
- Submit to the Executive Council, either on its own initiative or at the request of the Executive Council, reports and recommendations on the implementation of the provisions of the Constitutive Act
- Carry out any other functions assigned to it for the purpose of ensuring the implementation of the provisions of the Constitutive Act.

Each STC develops its own Rules of Procedure to define its detailed activities and functions, and submits these to the Executive Council for approval.

### Evolution

STCs were originally created under the 1991 [Treaty](#) Establishing the African Economic Community (Abuja Treaty), article 25, and subsequently carried over from the Organization of African Unity (OAU) to the AU in the [Constitutive Act](#), articles 5 and 14–16, under the name Specialised Technical Committees. The STCs were not operationalised under the OAU and their functions were carried out by sectoral ministerial conferences. The Constitutive Act initially provided for seven STCs, and for the Assembly to restructure established committees or establish new ones. At its 12th Ordinary Session, held in February 2009, the Assembly reconfigured the STCs and enlarged the number to 14, to make the structure and thematic focus consistent with AUC portfolios ([Assembly/AU/Dec.227\(XII\)](#)).

In July 2011, at its 17th Ordinary Session, the Assembly requested the Commission to operationalise the STCs from January 2013 and to abolish the sectoral ministerial conferences. In June 2015, at its 25th Ordinary Session, the AU Assembly decided to empower the STCs to take decisions on issues falling under their respective competencies, except where there are attendant financial and structural implications ([Assembly/AU/Dec.582\(XXV\)](#)). In addition, the Assembly decided that the Executive Council may consider STC decisions at the request of any Member State.

### Structure

Each STC is composed of Member States' ministers and senior officials responsible for sectors falling within their respective areas of competence.

### Meetings

Four of the STCs usually meet in ordinary session once a year and the other 10 usually once every two years. The four that usually meet once a year are the STCs on Gender Equality and

Women's Empowerment; Finance, Monetary Affairs, Economic Planning and Integration; Defence, Safety and Security; and Justice and Legal Affairs (see [Assembly/AU/Dec.365\(XVII\)](#) of July 2011 and [Assembly/AU/Dec.589\(XXVI\)](#) of January 2016). All STCs can also hold extraordinary sessions, in accordance with their respective Rules of Procedure.

### **STC on Finance, Monetary Affairs, Economic Planning and Integration**

The STC is the prime forum for African ministers responsible for finance, economy, planning, integration and economic development, as well as central bank governors, to discuss matters about the development of Africa. In addition to the functions provided for in article 15 of the AU [Constitutive Act](#), rule 5 of the STC's Rules of Procedure includes following up on implementation of the integration agenda for the continent.

The STC first met in March 2015 and is scheduled to meet in ordinary session once a year. It initially met concurrently with the Conference of African Ministers of Finance, Planning and Economic Development of the UN Economic Commission for Africa (ECA), as had the AU Conference of Ministers Responsible for Economy and Finance, but has met independently since October 2017. Extraordinary sessions were held in December 2020 and December 2021. The fifth Ordinary Session was scheduled to be held in a hybrid format in Lusaka, Zambia, from 18 to 22 July 2022.

The STC reviews and harmonises Member States' policies and legislation, and capacity-building tools; and coordinates Common African Positions to advance African interests, promote tripartism and freedom of association, collective bargaining and decent work. The STC also reviews and assesses progress made by Member States and Regional Economic Communities (RECs) in implementing the various mechanisms, including the Joint Labour Migration Programme, instruments and policies that advance social protection.

AFRICAN UNION HANDBOOK 2022

**PEACE AND  
SECURITY  
COUNCIL**

# PEACE AND SECURITY COUNCIL (PSC)

The Peace and Security Council (PSC) is the main pillar of the African Peace and Security Architecture (APSA), which is the framework for promoting peace, security and stability in Africa. It was established as a standing decision-making organ of the African Union (AU) for the prevention, management and resolution of conflicts. It is also a collective security and early warning arrangement intended to facilitate timely and efficient responses to conflict and crisis situations in Africa.

The PSC was established pursuant to article 5(2) of the AU **Constitutive Act** (2000), and is specifically provided for under article 20 (bis) as inserted by article 9 of the **Protocol on Amendments to the Constitutive Act** (2003). The **Protocol** Relating to the Establishment of the Peace and Security Council (PSC Protocol) was adopted on 9 July 2002 in Durban, South Africa, and entered into force in December 2003. The PSC became fully operational in early 2004. The PSC Protocol, together with the PSC Rules of Procedure, the AU Constitutive Act and the conclusions of various PSC retreats, provides operational guidance to PSC activities.

Under article 7 of the PSC Protocol, the powers of the PSC include to:

- Anticipate and prevent disputes and conflicts, as well as policies, that may lead to genocide and crimes against humanity
- Undertake peace-making and peace-building functions to resolve conflicts where they have occurred
- Authorise the mounting and deployment of peace support missions, and lay down general guidelines for the conduct of such missions, including the mandate
- Recommend to the Assembly, pursuant to article 4(h) of the AU Constitutive Act, intervention on behalf of the Union in a Member State, in respect of grave circumstances, namely, war crimes, genocide and crimes against humanity, as defined in relevant international instruments
- Institute sanctions whenever an unconstitutional change of government takes place in a Member State
- Implement the AU's common defence policy
- Ensure implementation of key conventions and instruments to combat international terrorism
- Promote harmonisation and coordination of efforts between the Regional Mechanisms (RMs) and the AU in the promotion of peace, security and stability in Africa
- Follow up promotion of democratic practices, good governance, the rule of law, protection of human rights and fundamental freedoms, and respect for the sanctity of human life and international humanitarian law
- Promote and encourage the implementation of conventions and treaties on arms control and disarmament
- Examine and take action in situations where the national independence and sovereignty of a Member State are threatened by acts of aggression, including by mercenaries
- Support and facilitate humanitarian action in situations of armed conflict or major natural disasters.

## Evolution

The PSC is the successor to the OAU Central Organ of the Mechanism for Conflict Prevention, Management and Resolution. The Central Organ was the OAU's operational body mandated to make decisions on matters of peace and security in Africa. It was composed of nine initially and later 14 Member States. Like the PSC, the organ operated at summit, minister and ambassador levels.

## Structure

The PSC has 15 members with equal voting powers. All members are elected by the AU Executive Council and endorsed by the AU Assembly during its ordinary sessions. Ten members are elected to serve for two-year terms and five members are elected to serve for three-year terms in order to ensure continuity. While there are no permanent members, the PSC Protocol does not prevent any member from seeking immediate re-election.

In electing PSC members the principle of equitable regional representation and rotation is applied as follows:

- Central Africa: three seats
- Eastern Africa: three seats
- Northern Africa: two seats
- Southern Africa: three seats
- Western Africa: four seats.

Article 5(2) of the PSC Protocol outlines the criteria used in electing PSC members, which include: contribution to the promotion and maintenance of peace and security in Africa; participation in conflict resolution, peace making and peace building at regional and continental levels; willingness and ability to take up responsibility for regional and continental conflict resolution initiatives; contribution to the Peace Fund and/or Special Fund; respect for constitutional governance, the rule of law and human rights; and commitment to AU financial obligations.

Article 8(6) of the PSC Protocol provides that the Chair shall be held in turn by the members, using the English alphabetical order for the names of the Member States.

The PSC Secretariat was established in line with article 10(4) of the PSC Protocol. It provides direct technical and operational support to the PSC and is housed within the Department of Political Affairs, Peace and Security (PAPS) at AU Headquarters in Addis Ababa, Ethiopia.

Article 2(2) of the PSC Protocol provides that the PSC shall be assisted by the AU Commission, Continental Early Warning System, Panel of the Wise, African Standby Force and the Peace Fund. The PSC also works in collaboration with the Regional Economic Communities (RECs) and Regional Mechanisms (RMs) for Conflict Prevention, Management and Resolution; the UN Security Council and other similar international organisations; civil society organisations; and other AU organs, including the Pan-African Parliament and the African Commission on Human and Peoples' Rights.

## Meetings

The PSC meets in continuous session. All members are required to keep a permanent presence at AU Headquarters. Meetings can be held at three levels: permanent representatives, ministers, or Heads of State and Government. Article 8(2) of the PSC Protocol requires permanent representatives to meet at least twice a month, and ministers and Heads of State and Government at least once a year. PSC meetings include closed sessions, open meetings and informal consultations.

PSC decisions are adopted using the principle of consensus. Where consensus is not possible, decisions on procedural matters are taken by a simple majority, and on substantive matters by a two-thirds majority (PSC Protocol, article 8(13)). In line with article 8(9) of the PSC Protocol, any Member State that is party to a conflict or situation under consideration by the PSC may be invited to attend a PSC meeting but does not participate in the discussion and decision-making process relating to that particular conflict or situation.

The PSC's monthly provisional programme of work is determined by the chairperson of the month on the basis of proposals from the Chairperson of the AU Commission and PSC Members. Under article 10 of the PSC Protocol, the Chairperson of the Commission may bring to the attention of the PSC any matter that he or she feels deserves its attention. The inclusion of any item on the provisional agenda may not be opposed by any PSC Member.

### Members<sup>1</sup>

During the 40th Ordinary Session of the AU Executive Council, held from 2 to 3 February 2022, five PSC members were elected for a three-year term beginning on 1 April 2022 and 10 Members were elected for a two-year term also beginning on 1 April 2022 (EX.CL/Dec.1167(XL)). ## **PSC Subsidiary Bodies**

The PSC **Protocol**, article 8(5), empowers the PSC to establish subsidiary bodies as it deems necessary and seek such military, legal and other forms of expertise as it may require. The PSC Rules of Procedure, with the necessary modifications, apply to its subsidiary bodies. As of February 2022, the following two subsidiary committees were fully operational.

### **Committee of Experts**

The Committee of Experts was established under article 8(5) of the PSC **Protocol**. At the request of the PSC, it assists in elaborating draft PSC working documents, including the outcomes of PSC activities. The Committee is composed of 15 designated experts, each representing a PSC Member State. It is supported by officers from the PSC Secretariat.

### **Military Staff Committee**

The Military Staff Committee was established in line with the provisions of article 13(8) of the PSC **Protocol**. It advises and assists the PSC in all questions relating to military and security requirements for the promotion and maintenance of peace and security in Africa. The Protocol provides for the Committee to comprise senior military representatives from the 15 PSC

Member States, chaired by the military/defence attaché of the Member State chairing the PSC in any given month. The Committee can invite any AU Member State to its meetings to assist with its work. Rules of Procedure for the Committee are yet to be adopted.

## **PSC High-Level Panels**

### **African Union High-Level Implementation Panel (AUHIP) for Sudan and South Sudan**

In October 2009, the PSC 207th Heads of State and Government meeting requested the Chairperson of the AU Commission (AUC) establish the African Union High-Level Implementation Panel (AUHIP) (*PSC/AHG/COMM.1(CCVII)*). The mandate of the Panel, as set by the PSC, is to promote a regional and holistic approach to the challenges of peace, security, stability and development in the Horn of Africa. The mandate includes facilitating negotiations relating to South Sudan's independence from Sudan, including issues such as oil, security, citizenship, assets and the common border.

The AUHIP is the successor of the earlier AU High-Level Panel on Darfur (AUPD), which was established by the PSC on 21 July 2008 at its 142nd meeting (*PSC/MIN/Comm(CXLII)*). The AUPD was mandated to examine the situation in depth and submit recommendations to the AU Executive Council on issues of accountability, potentially including through truth and/or reconciliation commissions supported by the AU and the international community.

The AUHIP is chaired by Thabo Mbeki, a former President of South Africa, and includes Ramtane Lamamra, the former AU High Representative for Silencing the Guns; Abdul Mohammed, chief of staff; and Barnabas Philip Akafo, legal adviser. Initially, its other members included Abdulsalami Alhaji Abubakar, a former President of Nigeria, who has since retired, and Pierre Buyoya, a former President of Burundi, who passed away in December 2020.

The Panel works with the United Nations (UN) Special Representative for the Horn of Africa and the IGAD Special Envoy for Somalia, Red Sea and the Gulf of Aden. The AUC, through the Department of Political Affairs, Peace and Security (PAPS), facilitates the Abyei Joint Oversight Committee (AJOC) and the work of the AUHIP on Abyei and contested areas of South Sudan and Sudan. The AUHIP is also supported by, amongst others, the AU Liaison Office in Sudan and the AU Liaison Office in South Sudan.

# African Peace and Security Architecture (APSA)

The African Peace and Security Architecture (APSA) is a mechanism established to comprehensively address peace and security issues in a coordinated manner between the AU and the Regional Economic Communities (RECs) and Regional Mechanisms (RMs) for Conflict Prevention, Management and Resolution. Established under the AU Constitutive Act (2000) and the Protocol Relating to the Establishment of the Peace and Security Council (2002), APSA is built around defined structures that include the Peace and Security Council (PSC), the standing decision-making organ for peace, security and stability in Africa; AU Commission (AUC): Panel of the Wise (POW); Continental Early Warning System (CEWS); African Standby Force (ASF); and the Peace Fund. Additional components of APSA are the Military Staff Committee, a subsidiary body of the PSC; the Common African Defence and Security Policy; the Network of African Women in Conflict Prevention and Mediation (FemWise-Africa), a subsidiary mechanism of the POW; and the African Union Child Protection Architecture, established by the AU Assembly in 2019 as a sub-set of APSA.

As an institutional mechanism, APSA has become the foundation of interventions in peace and security in Africa. Collaboration between the RECs and RMs on peace and security matters is guided by the Memorandum of Understanding (MoU) on Cooperation in the Area of Peace and Security between the AU and RECs, signed in Addis Ababa, Ethiopia, on 28 January 2008. One aim of the MoU is to contribute to the full operationalisation and effective functioning of the European Union (EU)–APSA Support Programme and enable the AUC and RECs/RMs to develop joint programmes and activities in the area of peace, security and stability in Africa.

The implementation of APSA is guided by roadmaps in order to increase its impact. Under the 2016–20 Roadmap, the AU and RECs/RMs agreed to concentrate on five strategic priorities: conflict prevention, crisis and conflict management, post-conflict reconstruction and peace building, strategic security issues, and coordination and partnerships. An important aspect of the Roadmap emphasised the need to mainstream and address cross-cutting issues such as youth, gender, children in situations of conflict, human rights and climate change. When the Political Affairs and the Peace and Security departments of the AU Commission were merged into the Department of Political Affairs, Peace and Security (PAPS) in 2021, the process of aligning APSA with the African Governance Architecture (AGA) began with the establishment of a joint APSA–AGA Secretariat.

Under the current EU contribution agreement, EU APSA IV (2020–24), there are three strategic objectives that guide the implementation of the Programme:

1. The conflict cycle management under APSA is improved with a focus on effective Early Warning Systems and the African Standby Force
2. The effectiveness and cooperation within and around the APSA framework (including civil society organisations (CSOs)) is enhanced
3. The APSA is more inclusive of youth and children.

All outputs and activities are centred on these three strategic objectives. In addition, there is a particular emphasis on complementarity and synergy amongst the APSA stakeholders in the implementation of these strategic objectives.

Information about [PAPS](#) and a list of [Special Envoys and Representatives](#) appointed by the Chairperson of the Commission are in the AUC chapter of this book.

## Panel of the Wise

### Purpose

The Panel of the Wise (POW) is one of the critical pillars of the African Peace and Security Architecture (APSA). Article 11 of the Protocol establishing the PSC set up a five-person panel of “highly respected African personalities from various segments of society who have made outstanding contributions to the cause of peace, security and development on the continent” with the task “to support the efforts of the PSC and those of the Chairperson of the Commission, particularly in the area of conflict prevention”. The mandate of the Panel is to:

- Advise the Chairperson of the PSC and the Chairperson of the Commission on all issues pertaining to the promotion and maintenance of peace, security and stability in Africa
- Undertake all such actions deemed appropriate to support the efforts of the Council and those of the Chairperson of the Commission for the prevention of conflicts
- When necessary, and in the form it considers most appropriate, pronounce itself on any issue relating to the promotion and maintenance of peace, security and stability in Africa
- Carry out conflict mediation and broker peace agreements between warring parties
- Help the Commission in mapping out threats to peace and security by providing regular advice and analysis, and requesting the Commission to deploy fact-finding missions or mediation teams to specific countries.

### Meetings

The Panel of the Wise meets as often as required but is mandated to meet at least three times a year to deliberate on the peace and security situation on the continent, including providing horizon-scanning briefings to the PSC, setting its programme of work and identifying regions or countries to undertake prevention and good offices engagements. The Panel also organises periodic workshops and commissions thematic research on issues relating to conflict prevention and management to facilitate the production of thematic reports, which are submitted to the PSC and Assembly for endorsement.

### Members

The five members of the Panel are appointed by the AU Assembly following recommendations by the Chairperson of the Commission after consultations with Member States. Members of the Panel are mandated to serve three-year terms, renewable once. Members cannot hold political office at the time of their appointment or throughout the duration of their term on the Panel. Each member is drawn from one of the AU’s five regions. The **Modalities** for the Functioning of the Panel of the Wise provide for a chairperson who is elected on a rotational basis for a one-year term.

### Panel Members

Since 2007, there have been five **Panels**. The members of the fifth Panel were appointed by the AU Assembly in February 2022 (**Assembly/AU/Dec.824(XXXV)**) and held their inaugural **meeting** from 28 to 29 March 2022 in Addis Ababa, Ethiopia.

### Fifth Panel: February 2022 to February 2025

Central Africa: Domitien Ndayizeye, a former President of Burundi (Chairperson; one-year term from March 2022)

Eastern Africa: Effie Owuor, a retired judge of the Court of Appeal of Kenya

Northern Africa: Amr Mahmoud Abu Zaid Moussa, Egypt, a former Secretary-General of the League of Arab States (re-appointed)

Southern Africa: to be appointed by the AU Executive Council

Western Africa: Babacar Kanté, a former Vice-President of the Constitutional Court of Senegal

## Friends of the Panel of the Wise

During the July 2010 AU Summit in Kampala, Uganda, the Assembly supported enhancing the Panel's capacity by establishing a group of 'Friends of the Panel of the Wise' (*Assembly/AU/Dec.310(XV)*). The Friends of the Panel of the Wise is composed of outgoing members of the Panel of the Wise who are tasked to support the incoming Panel in its activities, such as fact-finding missions, engagement in formal negotiations and follow-up on recommendations. The Friends enjoy the same privileges and entitlements as the Panel members.

## Pan-African Network of the Wise (PanWise)

The Pan-African Network of the Wise (PanWise) was established through a decision of the Assembly in May 2013 (*Assembly/AU/Decl.1(XXI)*). PanWise fosters coordination and collaboration between the PSC, the Panel of the Wise and similar structures within the Regional Economic Communities (RECs) and Regional Mechanisms (RMs) to promote a more concerted and inclusive approach to preventive diplomacy, mediation and peaceful resolution of disputes within the context of the African Peace and Security Architecture (APSA). The umbrella network brings together as core members the Panel of the Wise, Friends of the Panel of the Wise and its existing and future counterparts at the RECs/RMs. These include the Common Market for Eastern and Southern Africa (COMESA) Committee of Elders; the Economic Community of West African States (ECOWAS) Council of the Wise; the East African Community (EAC) Panel of Eminent Persons; the Southern African Development Community (SADC) Mediation Reference Group and Panel of Elders; the Intergovernmental Authority on Development (IGAD) Roster of Mediators; and the newly established East African Standby Force (EASF) Panel of Elders. Secretariats of the RECs/RMs that are yet to establish and operationalise similar structures are part of the network. The network also includes institutions such as national infrastructures for peace, partners and personalities working on conflict prevention and mediation, for example, former African Heads of States and African mediation associations. Where necessary, the AU Chairperson, AU Special Envoys and Representatives, Chief Mediators and their mediation teams are invited to participate in the network's activities.

## Network of African Women in Conflict Prevention and Mediation (FemWise-Africa)

A subsidiary mechanism of the Panel of the Wise, FemWise-Africa is a network of African women in conflict prevention and mediation. It was officially established in line with Assembly decision *21(XXIX)* of July 2017. The network brings together African women from various backgrounds, professional experiences and areas of expertise who are or have been engaged in conflict prevention and Track 1, 2 and/or 3 (official, unofficial and/or individual) mediation efforts. The network provides a platform for strategic advocacy, capacity building and networking aimed at actualising the commitment of women's inclusion in peace making in Africa. It encourages the promotion of women in conflict prevention and mediation across all levels, especially at grass roots, with the objective of contributing to gender-sensitive and inclusive approaches.

The FemWise-Africa structure includes a steering committee, assembly and secretariat. The Steering Committee is presided over by two **chairpersons**, including a female member of the Panel of the Wise. The Steering Committee provides strategic guidance to the Secretariat; reflects on the Network's activities, including inputs on the annual work plan and review; and approves membership accreditation applications. The Assembly comprises all members of the network, which as of March 2022 stood at 462 members.

The Secretariat is located within the Panel of the Wise Secretariat, in the Mediation and Dialogue Division of the Department of Political Affairs, Peace and Security (PAPS). The

Secretariat coordinates, harmonises and monitors the activities of the network through relevant structures within PAPS and through PanWise to the Panel of the Wise. The Secretariat also manages the network's relations with other pillars of the African Peace and Security Architecture (APSA), the African Governance Architecture (AGA) and Gender Architecture, as well as other relevant stakeholders, including training, research and policy institutions.

## **African Union Mediation and Dialogue Division (AU MDD)**

The African Union mediation support mandate is currently under the auspices of the Mediation and Dialogue Division (AU MDD), located within the Conflict Management Directorate (CMD) of the Department of Political Affairs, Peace and Security (PAPS). The Division is designed to strengthen and institutionalise the AU's preventive diplomacy and mediation efforts by establishing a systematic, professional and comprehensive mechanism that offers technical, logistical and operational support to the work of AU-designated mediators and AU-led mediation processes. It is anchored on two pillars: Mediation Support (previously executed through the Mediation Support Unit (MSU)) and the Secretariat to Special Envoys, High Representatives, the Panel of the Wise (PoW) and FemWise-Africa Network. This forms part of the AU Commission's efforts to enhance the effectiveness of the African Peace and Security Architecture (APSA) and the African Governance Architecture (AGA), among others.

The primary mandate of the AU MDD is to spearhead the design and implementation of preventive diplomacy, mediation and dialogue strategies and operational plans for the AU Commission. This is premised on the Communiqué of the 665th meeting of the PSC (PSC/PR/COMM(DCLV) of March 2017), which requires the Division to provide relevant technical support to African mediation efforts on different levels, including through the Panel of the Wise and its subsidiary mechanisms.

The core objectives of the AU MDD are to:

- Provide enhanced technical and operational support to the AU's mediation efforts and mediation support activities throughout the mediation process's planning, implementation and evaluation phases. This includes enhancing the functional capacity and technical expertise of the MDD to support AU mediation processes and the ability of the AU mediators, mediation teams and the Regional Economic Communities/Regional Mechanisms (RECs/RMs) to plan, deploy, manage, support and monitor mediation interventions.
- Develop the AU's mediation knowledge production, management and communication processes, ensuring that Africa's knowledge products (including policies, guidance documents, lessons learnt and best practices) are documented, disseminated, utilised and made available to other mediators and researchers.
- Serve as the continental nerve centre for networking with the mediation mechanisms of the RECs/RMs, United Nations (UN) and other mediation actors, focusing on enhancing coherence, coordination and complementarity of mediation and mediation support approaches between the RECs/RMs and the UN.
- Coordinate and facilitate the effective implementation of the respective mandates of the Special Envoys, High Representatives and Panel of the Wise and its subsidiary mechanisms.

## **Continental Early Warning System (CEWS)**

### **Purpose**

The Continental Early Warning System (CEWS) was established in line with the PSC Protocol, article 12, as one of the pillars of the African Peace and Security Architecture (APSA). The main objective of CEWS is to anticipate and prevent conflicts on the continent, and to provide timely information about evolving violent conflicts, based on specifically developed indicators.

CEWS consists of the:

- Situation Room, located in the **Department** of Political Affairs, Peace and Security (PAPS)
- Observation and Monitoring Centres of the Regional Economic Communities (RECs).

The Situation Room, located at the AU Commission (AUC) in Addis Ababa, Ethiopia, serves as the hub of CEWS and operates 24 hours a day, including weekends and holidays. Its main task is information monitoring and data collection on simmering, potential, actual and post-conflict developments. This facilitates strategic analysis aimed at informing decision makers about prevailing and structural dynamics as well as options for response to prevent and/or mitigate conflicts in Africa.

To further efforts toward the prevention of structural conflict, in collaboration with the RECs and relevant AUC departments, CEWS developed the Continental Structural Conflict Prevention **Framework** (CSCPF). The Framework has two tools – the Country Structural Vulnerability and Resilience Assessment (CSVRA) and the Country Structural Vulnerability Mitigation Strategies (CSVMS) – that aim to strengthen the capacity of Member States to identify and address structural vulnerabilities at an early stage and build more resilient and prosperous nations.

The PSC **Protocol**, article 12, also provides for coordination and collaboration with international organisations, research centres, academic institutions and non-governmental organisations (NGOs) to facilitate the functioning of CEWS. The Framework for the Operationalisation of CEWS, adopted by the Executive Council in 2007, stresses the importance of collaboration with civil society organisations (CSOs) and conflict prevention as a prerequisite to achieving peace, security and stability in Africa.

### **Evolution**

The operationalisation of CEWS has included the development and implementation of different methods, processes and systems that ensure the collection, analysis and dissemination of early warning information on current and potential conflicts.

CEWS continues to provide timely information on potential threats to peace and security on the continent through the production of early warning reports and regular horizon-scanning briefings to the PSC, as well as strategic briefings by the Commissioner for Political Affairs, Peace and Security and members of the PSC.

To strengthen the relationship with the RECs and Regional Mechanisms (RMs), as well as to enhance the Commission's role in the areas of peace and security and conflict prevention across Africa, CEWS has also engaged in the provision of technical support to the RECs. Regular technical meetings are now avenues for discussing substantive issues with the early warning mechanisms of the RECs. Joint early warning reports by CEWS and the RECs have also become common practice. In addition, as part of efforts to ensure effective conflict prevention efforts at national levels, CEWS provides support to Member States for the establishment and operationalisation of national early warning and response systems.

### **Peace Fund**

Under article 21 of the PSC **Protocol** (2002), the role of the Peace **Fund** is to provide “the necessary financial resources for peace support missions and other operational activities related to peace and security”. The Protocol provides for the Peace Fund to be made up of financial appropriations from the regular AU budget; voluntary contributions from Member States, international partners and other sources, such as the private sector, civil society and individuals; and fundraising activities. The Chairperson of the AUC is mandated to raise and accept voluntary contributions from sources outside Africa, in conformity with the AU's objectives and principles.

The PSC Protocol also envisaged a revolving trust fund within the broader Peace Fund that would provide a standing reserve for specific projects in case of emergencies and unforeseen priorities. The level of funding required in the revolving trust fund is to be determined by the relevant AU policy organs on recommendation by the PSC.

The target year for the full US\$400 million Peace Fund endowment is 2023. (See [Assembly/AU/Dec.605 \(XXVII\)](#) of July 2016, [Assembly/AU/Dec.687\(XXX\)](#) of January 2018, [Assembly/AU/Dec.752\(XXXIII\)](#) and [Assembly/AU/Dec.755\(XXXIII\)](#) of February 2020, and [Assembly/AU/Dec.815\(XXXV\)](#) of February 2022.) As of 31 August 2021, US\$230,226,851.51 had been collected from 52 Member States, representing 77 percent of the total assessed contribution of US\$297,500,000. Of the 52 contributors, 25 had made their full contributions for the period 2017 to 2021, while 27 had made partial contributions.

## African Standby Force (ASF)

ASF Chief of Staff, Peace Support Operations Division (PSOD), AUC: Air Vice-Marshal Brian John Chikonzo, Zimbabwe (appointed in May 2020)

The [Protocol](#) Relating to the Establishment of the Peace and Security Council (2002, article 13(1) and (2)) provides for an African Standby Force (ASF) to enable the PSC to perform its responsibilities with respect to the deployment of peace support operations (PSOs) under article 4(h) and (j) of the AU [Constitutive Act](#) (2000). The same provisions call for the ASF to be multidimensional and composed of pledged capabilities comprising military, police and civilian components on standby in their countries of origin, ready for rapid deployment (PSC Protocol (2002), article 13(3), (4) and (5)) to perform:

- Observation and monitoring missions
- Other types of peace support missions
- Intervention in a Member State in respect of grave circumstances or at the request of a Member State in order to restore peace and security
- Prevention of a dispute or conflict escalating
- Peace building, including post-conflict disarmament and demobilisation
- Humanitarian assistance
- Any other functions mandated by the PSC or AU Assembly.

In December 2020, the AU Assembly declared the ASF fully operational and directed the PSC to use its framework in mandating and authorising AU peace support operations. The Assembly also decided to dissolve the African Capacity for Immediate Response to Crises (ACIRC). (See [Ext/Assembly/AU/Dec.1\(XIV\)](#) and [Ext/Assembly/AU/Decl.1\(XIV\)](#) of December 2020.)

To facilitate the operation of the ASF, several support structures form part of the ASF framework, including: Continental Planning Elements (PLANELMs) represented by the Peace Support Operations Division (PSOD) within the AU Commission; regional PLANELMs in the five Regional Economic Communities/Regional Mechanisms (RECs/RMs) of the ASF; Continental Logistics Base (CLB) in Douala, Cameroon; and five Regional Logistics Depots (RLDs). A Regional Standby Force six-month rostering and scheduling system (in the English alphabetical order) began in January 2017, in line with the Declaration of the ninth Ordinary Session of the Specialised Technical Committee on Defence, Safety and Security (STCDSS) that was held in June 2016.

The five ASF RECs/RMs are:

### **Economic Community of Central African States (ECCAS) Standby Force**

Angola (also Southern)	Chad	Gabon
Burundi (also Eastern)	Congo Republic	São Tomé and Príncipe
Cameroon	DR Congo (also Southern)	
Central African Republic	Equatorial Guinea	

### **Eastern Africa Standby Force (EASF)**

Burundi (also Central)	Kenya	Sudan
Comoros	Rwanda	Uganda
Djibouti	Seychelles	Observer since April 2013:
Ethiopia	Somalia	South Sudan

### **North African Regional Capability (NARC) Standby Force**

Algeria	Libya	Sahrawi Republic
Egypt	Mauritania	Tunisia

### **Southern African Development Community (SADC) Standby Force**

Angola (also Central)	Madagascar	South Africa
Botswana	Malawi	Tanzania
DR Congo (also Central)	Mauritius	Zambia
Eswatini	Mozambique	Zimbabwe
Lesotho	Namibia	

### **Economic Community of West African States (ECOWAS) Standby Force (ESF)**

Benin	Ghana	Niger
Burkina Faso	Guinea	Nigeria
Cabo Verde	Guinea-Bissau	Senegal
Côte d'Ivoire	Liberia	Sierra Leone
Gambia	Mali	Togo

The five ASF regions and PLANELMs of ECCAS, ECOWAS, EASF, NARC and SADC coordinate their activities with the AU via their REC liaison offices at AU Headquarters.

In February 2020, the AU Assembly called for the establishment of a special unit within the ASF for combatting terrorism (see [Assembly/AU/Dec.753\(XXXIII\)](#) and [Assembly/AU//Dec.754\(XXXIII\)Annex](#)). Subsequently, the third Extraordinary [Session](#) of the STCDSS, held on 30 January 2021, adopted the AU Doctrine on Peace Support Operations, which highlights that the ASF is a framework and tool for the implementation of AU PSOs. The Doctrine will serve as the basis for the development of the ASF concept and align it to address current conflict trends and trajectories.

## Peace Support Operations

The PSC **Protocol** (2002) provides for peace support operations (PSOs) to be a function and tool of the PSC. Article 7(1) gives the PSC powers to “authorize the mounting and deployment of peace support missions” and outlines general guidelines for the conduct of such operations. AU PSOs are also authorised by the UN Security Council in accordance with **chapter VIII**, article 53(1) of the UN Charter.<sup>2</sup>

The AU Commission’s Peace Support Operations Division (PSOD), also referred to as the African Standby Force Continental Planning Element, was set up in line with article 13 of the PSC Protocol (2002), and the Policy Framework on the Establishment of the African Standby Force and the Military Staff Committee (2004, article 18). PSOD is one of the six divisions within the Department of Political Affairs, Peace and Security (PAPS). Its primary functions are to plan, launch, sustain and liquidate PSOs mandated by the PSC and/or the Assembly.

Fourteen AU-mandated PSOs have been deployed since 2003, as well as four AU-authorized PSOs. In addition, two humanitarian missions have been authorised to support efforts to contain the Ebola virus pandemic in West Africa and DR Congo. The PSOs have varied in nature, personnel strength, duration and budget.

Most PSO mandates are renewed periodically and may be revised if required. Funding arrangements vary between missions and include a mix of sources, such as the AU Peace Fund, as well as support from international bilateral and multilateral partners and, in some cases, UN trust funds or UN assessed contributions.

AMISOM was first established by the PSC on 19 January 2007 (PSC/PR/Comm(LXIX)) and authorised by the UN Security Council (1744(2007)).

## Sub-Regional Security Arrangements

### Multinational Joint Task Force (MNJTF) against Boko Haram

Force Commander: Major General Abdul Khalifah Ibrahim, Nigeria (since August 2021)

The PSC decided on 29 January 2015 to **authorise** the deployment of the Multinational Joint Task Force (MNJTF) following a request from the Lake Chad Basin Commission (LCBC) Member States (Cameroon, Chad, Niger and Nigeria) and Benin. The Force was authorised for an initial 12 months, renewable, with a mandate to: create a safe and secure environment in the areas affected by the activities of Boko Haram and other terrorist groups; facilitate the implementation of overall stabilisation programmes by the LCBC Member States and Benin in the affected areas; and facilitate, within the limit of its capabilities, humanitarian operations and the delivery of assistance to the affected populations (see PSC/AHG/2.(CDLXXXIV) of 29 January 2015 and Assembly/AU/Dec.558(XXIV) of 30–31 January 2015).

The MNJTF has a strength of 10,750 personnel, with one police adviser to the MNJTF Commander and an AU mission support team (MST) coordinating and managing the delivery of AU additional support to the force as well as advising the Commander on human rights and humanitarian coordination issues. The AU and its partners, in particular the European Union (EU), provide additional financial and logistical support to the MNJTF in line with communiqué PSC/PR/2.(CDLXXXIX) of 3 March 2015 (PSC 489th meeting), in which the PSC requested the Commission to take all necessary steps in support of the full operationalisation of the MNJTF and within the framework of the Memorandum of Understanding (MoU) and the Support Implementation Agreement (SIA).

On 14 January 2022, the 1057th PSC meeting renewed the mandate of the MNJTF for 12 months from 1 February 2022 (see PSC/PR/COMM.2/1057(2022)).

## **G5 Sahel Joint Force (FC-G5S)**

The Group of Five Sahel States (G5 Sahel) was established in December 2014 to address the impact of terrorism and transnational organised crime. It comprises Burkina Faso, Chad, Mali, Mauritania and Niger. As part of the fight against terrorism and organised crime and for the management of the security situation in the Sahel, the Joint Force, or Force Conjointe, of the G5 Sahel (FC-G5S) was deployed in accordance with the Communiqué of the 679th meeting of the PSC (PSC/PR/COMM(DCLXXIX) of 13 April 2017). UN Security Council resolution 2359 of 21 June 2017 welcomed the deployment of the FC-G5S throughout the territories of its contributing countries, with up to 5000 military, police and civilian personnel. Joint operations have continued with the support of partners in the region and the French Barkhane force.

The PSC has authorised renewal of the mandate of the Joint Force several times, including for 12 months from 13 July 2021 (PSC/PR/COMM.1006(2021)). See also *Assembly/AU/Dec.792(XXXIII)* of February 2020.

## **Previous Operations**

### **African Union Mission in Somalia (AMISOM)**

AMISOM was established by the PSC in January 2007 to support the transitional federal institutions in Somalia in their efforts towards dialogue and reconciliation; facilitate humanitarian assistance; and create conditions conducive for long-term stabilisation, reconstruction and development. The Mission was initially deployed in Mogadishu for six months and its mandate was subsequently extended and expanded. In July 2017, the PSC endorsed a gradual and phased reduction and reorganisation of AMISOM's uniformed personnel. This aimed to provide a greater support role for the Somali National Security Forces to progressively take over primary security responsibility from AMISOM leading up to 2021 and towards achieving the objectives of the Somali Transition Plan (STP) (PSC/PR/COMM.(DCC)). The Mission ended on 31 March 2022 and was succeeded by the African Union Transition Mission in Somalia (ATMIS). (See PSC Communiqué 1068 of 8 March 2022 and UN Security Council resolution 2628 of 31 March 2022).

### **African Union Technical Support Team to Gambia (AUTSTG)**

The Executive Council elects and appoints the Commissioners. Commission members' terms are for four years, renewable once.

In November 2018, as part of institutional reforms, the Assembly decided that from 2021 the number of Commissioners would reduce from eight to six. Headway Hill  
Midrand, 1685  
South Africa

Email: [info@aufoundation.africa](mailto:info@aufoundation.africa)

Website: <https://au.int/en/auf>

The Foundation was established by the AU to receive voluntary contributions from the private sector, individuals and philanthropists towards financing the Union and its programmes, and also to allow Africans to tap into domestic resources and begin to fund their own programmes and take full charge of their development as set out in Agenda 2063. The Foundation is tasked with developing a systematic way of engaging the private sector to ensure it becomes a partner of the AU and that this results in inclusive economic development and growth, the growth of African business, intra-African trade and shared prosperity.

The AU Assembly decided in May 2013 to establish the Foundation, following a proposal by the High-Level Panel on Alternative Sources of Financing the African Union ([Assembly/AU/Dec.487\(XXI\)](#)). The Foundation was launched on 30 January 2015 during the Assembly's 24th Ordinary Session.

The Foundation is governed by a council, which is made up of African leaders from various sectors and regions of the continent, as well as representatives from the African diaspora. The Chairperson of the AU Commission is the Chairperson of the Foundation.

## Other Bodies

### African Union Board of External Auditors (AU BoEA)

Website: [www.au.int/en/BoEA](http://www.au.int/en/BoEA)

Executive Secretary: Dinberu Mulugeta Abebe, Ethiopia

The role of the Board is to carry out posterior external auditing of AU accounts, including trust, project and special funds, and ensure that the audit is in conformity with international standards. Its mandate is derived from the AU Financial Rules and Regulations (FRRs), whereby the Board is required to audit the accounts of the AU Commission and AU organs and submit reports to the Executive Council through the Permanent Representatives Committee (PRC) Sub-Committee on Audit Matters.

The Board comprises 11 heads of supreme audit institutions, one from each of the five regions of Africa (two-year terms) and the six Member States from the first tier of the scale of assessment of the AU budget.

The AU provides the Board with a secretariat, headed by an executive secretary. The Secretariat provides administrative, technical and secretarial support to the Board and its Audit Operations Committee (AOC). The Board usually meets twice a year, at the beginning of the year for planning and in May for adoption of the final report.

Acting Clerk of the Parliament: Gali Massa Harou, Chad (from 1 April 2022; appointed by the Chairperson of the African Union Commission)

## Purpose

The purpose of the PAP, as set out in article 17 of the African Union (AU) [Constitutive Act](#), is “to ensure the full participation of African peoples in the development and economic integration of the continent”. The Parliament is intended as a platform for people from all African states to be involved in discussions and decision making on the problems and challenges facing the continent. The Parliament sits in Midrand, South Africa.

The PAP members are all members of their domestic legislatures, rather than being elected directly by the people. The ultimate aim is for the Parliament to be an institution with full legislative powers, whose members are elected by universal suffrage. Until such time, the PAP has consultative, advisory and budgetary oversight powers within the AU.

The objectives and functions of the Parliament are set out in the 2001 [Protocol](#) to the [Abuja Treaty](#) relating to the Pan-African Parliament and in its Rules of Procedure (amended in 2011). Functions include:

- Facilitating and overseeing implementation of AU policies, objectives and programmes
- Promoting human rights and consolidating democratic institutions and culture, good governance transparency and the rule of law by all AU organs, Regional Economic Communities (RECs) and Member States
- Participating in creating awareness among the peoples of Africa on the: AU’s objectives, policy aims and programmes; strengthening of continental solidarity, cooperation and development; promotion of peace, security and stability; and pursuit of a common economic recovery strategy
- Contributing to the harmonisation and coordination of Member States’ legislation
- Promoting the coordination of the RECs’ policies, measures, programmes and activities
- Preparing and adopting its budget and Rules of Procedure
- Electing its bureau members
- Making recommendations on the AU budget.

## Evolution

The PAP is one of nine organs proposed in the [Abuja Treaty](#) (1991), which, amongst other things, called for the establishment of a parliament to ensure that the peoples of Africa are fully involved in the economic development and integration of the continent. The Sirte Declaration (1999) repeated the call for early establishment. The PAP operates under the [Protocol](#) to the Treaty Establishing the African Economic Community Relating to the Pan-African Parliament, which was adopted on 2 March 2001 at the Organization of African Unity (OAU) Summit in Sirte, Libya, and entered into force on 14 December 2003. The Parliament’s first session was held in March 2004. As of February 2022, 51 Member States had signed the Protocol and deposited their instruments of ratification.

In June 2014, the AU Assembly adopted the **Protocol** to the Constitutive Act of the African Union Relating to the Pan-African Parliament (**Assembly/AU/Dec.529(XXIII)**). The new Protocol will come into force 30 days after the deposit of instruments of ratification by a simple majority of the 55 AU Member States. As of February 2022, 21 Member States had signed the Protocol and 13 had deposited their instruments of ratification.

The 2014 **Protocol** includes that the Parliament shall be the legislative organ of the AU, with the AU Assembly determining the subjects/areas on which the Parliament may propose draft model laws and for the Parliament to make its own proposals on the subjects/areas on which it may submit or recommend draft model laws to the Assembly for its consideration and approval (article 8).

The 2014 Protocol also includes provisions that at least two of each Member State's five members shall be women (article 4(2)); that members shall be elected by their national parliament or other deliberative organ from outside its membership and that elections shall be conducted in the same month by all Member States as far as possible (article 5(1)); and that the procedure for election shall be determined by national parliaments or other deliberative bodies until a code is developed for election to the PAP by direct universal suffrage (article 3).

The **2001** and **2014** Protocols, as well as status lists of Member States that have signed and ratified the Protocols, are available at <https://au.int/treaties>.

## Structure

The Parliament is composed of five members per Member State that has ratified the Protocol establishing it, including at least one woman per Member State and reflecting the diversity of political opinions in their own national parliament or deliberative organ.<sup>1</sup> Under rule 7(2) of the PAP Rules of Procedure, a parliamentarian's tenure of office begins when he or she has taken the oath of office or made a solemn declaration during a PAP plenary session. A parliamentarian's term should correspond to the term of his or her own national parliament term or any other deliberative organ that elected or designated the parliamentarian.

---

### Note

<sup>1</sup> The number of Member States represented may vary over time, where states are under sanction.

The PAP organs are the Bureau and Permanent Committees (PAP Rules of Procedure, rule 3). The Bureau is composed of a president and four vice-presidents, representing the five AU regions, and is responsible for the management and administration of the Parliament and its organs (PAP Rules of Procedure, rule 17(a)). There are 10 Permanent Committees and one ad hoc one (Audit and Public Accounts), whose mandate and functions are set out in rules 22 to 27 of the PAP Rules of Procedure. These functions correspond to those of the AU Specialised Technical Committees. Rule 22(5) provides for each committee to have up to 30 members.

Under rule 83 of the PAP Rules of Procedure, each of the five geographic regions should form a regional caucus composed of its members. The Rules of Procedure also provide for other types of caucuses to be established to deal with issues of common interest as the PAP deems necessary. There are two such caucuses: Women and Youth. Each caucus has a bureau comprising a chairperson, deputy chairperson and rapporteur.

The Secretariat assists in the day-to-day running of the Parliament, including reporting meetings, organising elections and managing staff. The Secretariat consists of a clerk, two deputy clerks and support staff.

In February 2022, the AU Executive Council directed the AU Commission to arrange the holding of PAP elections (EX.CL/Dec.1148(XL)). Election of the new Bureau was expected to be held in late June 2022.

## Purpose

ECOSOCC was established under the provisions of articles 5 and 22 of the African Union (AU) *Constitutive Act*. Its *Statutes*, adopted by the AU Assembly in July 2004, define it as an advisory organ composed of different social and professional groups of AU Member States (*Assembly/AU/ Dec.48(III)*). The purpose of ECOSOCC is to provide a mechanism for African civil society organisations (CSOs) to actively contribute to the policies and programmes of the African Union. It is referred to as the parliament of civil society. ECOSOCC's functions include:

- Contributing, through advisory opinions, to the effective translation of the AU's objectives, principles and policies into concrete programmes, as well as evaluating those programmes
- Undertaking studies and making recommendations from a civil society perspective
- Contributing to the promotion and realisation of the AU's vision and objectives
- Contributing to the promotion of human rights, the rule of law, good governance, democratic principles, gender equality and child rights
- Promoting and supporting the efforts of institutions engaged in reviewing the future of Africa and forging pan-African values, in order to enhance an African social model and way of life
- Fostering and consolidating partnerships between the AU and CSOs
- Assuming functions referred to it by other AU organs.

## Evolution

The first interim ECOSOCC General Assembly was inaugurated in October 2005 in Addis Ababa, Ethiopia, and the first Permanent General Assembly in September 2008 in Dar es Salaam, Tanzania. Following an intensive campaign by the AU to encourage African CSOs to join ECOSOCC, the second Permanent General Assembly was inaugurated in December 2014 in Nairobi, Kenya. The third Permanent General Assembly was inaugurated in December 2018 in Nairobi, Kenya. The fourth Permanent General Assembly is expected to be constituted in December 2022 and a new bureau and chairpersons for the sectoral technical cluster committees elected.

The AU Assembly adopted ECOSOCC's Rules of Procedure in January 2016 (*Assembly/AU/ Dec.589(XXVI)*), and endorsed an offer from Zambia to host the ECOSOCC Secretariat (see *Assembly/AU/Dec.591(XXVI)* of January 2016, *Assembly/AU/Dec.676(XXX)* of January 2018, and *Assembly/AU/Dec.642(XXIX)* and *EX.CL/Dec.965(XXXI)* of July 2017). The dedicated Secretariat started operations in Lusaka, Zambia, in November 2019. In addition, a study on the functioning of ECOSOCC is expected to lead to an overall package of amendments to its *Statutes* (see *Assembly/AU/Dec.676(XXX)* of January 2018, *EX.CL/Dec.975(XXXI)* of July 2017 and *EX.CL/Dec.814(XXV)* of June 2014).

## Structure

The ECOSOCC Statutes, articles 8–12, provide for the following structure (see [www.auecosocc.org/statutes](http://www.auecosocc.org/statutes)):

- General Assembly: composed of all members, and ECOSOCC's highest decision- and policy-making body.
- Bureau: composed of the Presiding Officer and four deputies elected for two-year terms by the General Assembly on the basis of equitable geographical distribution and rotation, including one member representing the diaspora.
- Standing Committee: composed of 18 members – the Bureau, Chairpersons of the 10 Sectoral Cluster Committees and two AU Commission (AUC) representatives, elected by the General Assembly for two-year terms.
- Ten Sectoral Cluster Committees: operational thematic mechanisms that mirror AUC technical departments.
- Credentials Committee: composed of one CSO representative from each of the five regions and one from the African diaspora, one nominated representative for special interest groups and two AUC representatives, and established by the General Assembly.

In addition, the second General Assembly highlighted the need for national chapters as a framework of accountability for elected members and for disseminating information and mobilising support for AU policies and programmes. Interim chapters have been established in some Member States.

## Members

The ECOSOCC [Statutes](#), article 4, provide for the following membership:

- Two CSOs from each AU Member State<sup>1</sup>
- Ten CSOs operating at regional level and eight at continental level
- Twenty CSOs from the African diaspora, as defined by the Executive Council and covering the continents of the world
- Six CSOs, in ex officio capacity, nominated by the AUC based on special considerations, in consultation with Member States.

Article 4 also provides for Member State, regional, continental and diaspora representatives to be elected on the basis of 50 percent gender equality and 50 percent aged between 18 and 35. Members are elected for four-year terms and may be re-elected once.

CSO members include but are not limited to social groups, professional groups, non-governmental organisations (NGOs), community-based organisations (CBOs), voluntary organisations, cultural organisations, and social and professional organisations in the African diaspora. For more details, see [www.auecosocc.org/statutes](http://www.auecosocc.org/statutes).

## Meetings

The General Assembly convenes its ordinary session once every two years. It may also convene extraordinary sessions. The quorum for meetings of the General Assembly or of any of its committees is a simple majority (article 15). Each member has one vote. Decision-making is by consensus or, where consensus cannot be reached, by a two-thirds majority of those present and voting (article 16). Questions of procedure require a simple majority. The frequency of committee meetings is yet to be provided in the Rules of Procedure.

---

### Note

- 1 Under the ECOSOCC Statutes, the total number of members is 150. However, the Statutes were adopted before South Sudan and Morocco became AU members, and, in practice, the total number will be 154. Amendments to the Statutes are proposed.

Website: [www.achpr.org](http://www.achpr.org)

### Purpose

The African Commission was inaugurated in 1987 to oversee and interpret the [African Charter on Human and Peoples' Rights](#) (also known as the Banjul Charter). The Charter is a regional human rights instrument designed to champion the promotion and protection of human and peoples' rights in Africa.

Under the Charter, the ACHPR is charged with three major functions, the:

- Promotion of human and peoples' rights (article 45(1))
- Protection of human and peoples' rights (article 45(2))
- Interpretation of the Charter (article 45(3)).

The Charter provides for a 'communication procedure', under which states (under articles 48–49) and organisations and individuals (under article 55) may take a complaint to the ACHPR alleging that a State Party to the Charter has violated one or more of the rights contained in the Charter. Following consideration of complaints, the ACHPR can make recommendations to the State Party concerned on measures to be taken to redress the violations.

The ACHPR may also use its 'good offices' to secure a settlement at any stage of the proceedings, as stipulated in rule 112 of the [Rules of Procedure](#) (2020). In emergency situations, where the life of a victim is in imminent danger, the ACHPR can invoke provisional measures under rule 100, requesting the state to delay any action pending its final decision on the matter in order to prevent irreparable harm to the victim or victims of the alleged violation as urgently as the situation demands.

Article 62 of the Charter requires each State Party to submit a report every two years on the legislative or other measures taken with a view to giving effect to the rights and freedoms guaranteed by the Charter. The ACHPR then issues concluding observations, which are recommendatory in nature. The ACHPR also submits a report of its activities to all AU Assembly ordinary sessions. These reports are considered by the Executive Council on behalf of the Assembly. The ACHPR may publish information about its protective activities only after the Executive Council and Assembly have adopted the report. In February 2022, the combined 50th and 51st Activity Report was authorised for publication by the Executive Council (EX.CL/Dec.1154(XL)). Communication decisions, State Party reports and activity reports are available on the ACHPR [website](#).

### Evolution

In July 1979, the Assembly of the Organization of African Unity (OAU, the AU's predecessor) adopted a resolution calling on its Secretary-General to form a committee of experts to draft an African Charter on Human and Peoples' Rights providing, among other things, for mechanisms to promote and protect the rights embodied in the Charter. The group's draft was unanimously adopted at a 1981 meeting of the OAU Heads of State and Government in Nairobi, Kenya, and the [Charter](#) came into force on 21 October 1986. This date is now

celebrated as African Human Rights Day. The full Charter text is available on the ACHPR website under '[Resources](#)'.

The Charter provided for a Human Rights Commission to be established within the OAU. The ACHPR was officially inaugurated on 2 November 1987 in Addis Ababa, Ethiopia, after its members were elected by the OAU Assembly in July of the same year. The ACHPR's Headquarters moved to Banjul, Gambia, in 1989.

### Structure

The ACHPR consists of 11 members elected from experts nominated by State Parties to the Charter. Equitable geographical and gender representation is considered. Members have traditionally been elected by the Executive Council and appointed by the Assembly. In February 2020, the Assembly decided to delegate its authority to the Executive Council to appoint members ([Assembly/AU/Dec.760\(XXXIII\)](#)). Terms are for six years, and members are eligible for re-election. The Commissioners serve in their personal capacities. In April 2005, the AU issued nomination guidelines excluding senior civil servants and diplomatic representatives.

The ACHPR elects a chairperson and vice-chairperson as the Bureau. Their terms are for two years, renewable once. The Bureau coordinates the ACHPR's activities and supervises and assesses the Secretariat's work. The Bureau is also empowered to take decisions between sessions on matters of emergency. The Secretariat provides administrative, technical and logistical support to the ACHPR. Staff are appointed by the Chairperson of the AUC.

### Meetings

The ACHPR holds two ordinary sessions a year, usually in March/April and in October/November. Extraordinary sessions may also be held. The ordinary sessions include both a public and private session, with the public session open to the general public. The extraordinary sessions are closed to the public. The ACHPR invites states, specialised institutions, national human rights institutions (NHRIs), non-governmental organisations (NGOs) and individuals to attend its sessions. As of December 2021, the ACHPR had granted affiliate status to 33 NHRIs and observer status to 538 NGOs: details are on the ACHPR website under '[Network](#)'.

Ordinary session agendas are drawn up by the ACHPR's Secretariat in consultation with the Bureau. More detail about ordinary and extraordinary session agendas is on the ACHPR website under '[Sessions](#)'.

### Establishment and mandate

The Court was established by virtue of article 1 of the **Protocol** to the Charter on the Establishment of an African Court on Human and Peoples' Rights, which was adopted in June 1998 by the Organization of African Unity (OAU, the predecessor of the AU) in Ouagadougou, Burkina Faso. The Protocol came into force on 25 January 2004, 30 days after 15 Member States had deposited their instruments of ratification.

The first judges were elected in January 2006 in Khartoum, Sudan, and were sworn in before the AU Assembly on 2 July 2006 in Banjul, Gambia. The Court officially started operations in Addis Ababa, Ethiopia, and in August 2007 moved to Arusha, Tanzania, the seat of the Court.

The mandate of the Court, provided for under article 2 of the Protocol, is to complement and reinforce the functions of the African Commission on Human and Peoples' Rights (ACHPR) in protecting human and peoples' rights, freedoms and duties in AU Member States. The Court's vision is the realisation of an Africa with a viable human rights culture.

Unlike the Commission, which can only make recommendatory decisions, the Court's decisions are binding and can include orders for compensation or reparation.

### Jurisdiction and access

The Court exercises two main jurisdictions: contentious and advisory. Under article 3 of the Protocol, the Court's contentious jurisdiction shall extend to all cases and disputes submitted to it concerning the interpretation and application of:

- The African **Charter** on Human and Peoples' Rights, which is the main human rights instrument in Africa
- The **Protocol** that established the Court
- Any other relevant human rights instrument ratified by the State Party concerned.

Under Article 4 of the Protocol, the Court can exercise its advisory jurisdiction at the request of an AU Member State, the AU and any of its organs, or any African organisation recognised by the OAU (now AU), to provide an opinion on any legal matter relating to the Charter or any other relevant human rights instruments, provided that the subject matter of the opinion is not related to a matter being examined by the Commission.

Under article 7 of the Protocol, the Court shall apply the provisions of the Charter and any other relevant human rights instruments ratified by the States concerned.

Under article 5 of the Protocol, the following entities can access the Court directly:

- The African Commission on Human and Peoples' Rights
- State Parties to the Protocol
- African inter-governmental organisations.

Non-governmental organisations (NGOs) with observer status before the African Commission and individuals can bring cases directly to the Court only against State Parties that have deposited a declaration accepting the jurisdiction of the Court in accordance with article 34(6).

In January 2016, the AU Assembly, as part of a decision on streamlining AU working methods, decided to provide for individuals to, in some circumstances, directly petition the Court on the implementation or otherwise of AU policy organ decisions (*Assembly/AU/Dec.597(XXVI)*).<sup>1</sup>

As of January 2022, 33 Member States had ratified the Protocol: Algeria, Benin, Burkina Faso, Burundi, Cameroon, Chad, Comoros, Congo Republic, Côte d'Ivoire, DR Congo, Gabon, Gambia, Ghana, Guinea-Bissau, Kenya, Lesotho, Libya, Madagascar, Malawi, Mali, Mauritania, Mauritius, Mozambique, Niger, Nigeria, Uganda, Rwanda, Sahrawi Republic, Senegal, South Africa, Tanzania, Togo and Tunisia. Twelve Member States had deposited the declaration required under article 34(6): Benin, Burkina Faso, Côte d'Ivoire, Gambia, Ghana, Guinea Bissau, Malawi, Mali, Niger, Rwanda, Tanzania and Tunisia. However, four of these states have since withdrawn their declaration: Benin, Côte d'Ivoire, Rwanda and Tanzania (see <https://au.int/treaties>).

### Structure

The Court consists of 11 judges elected from amongst Africans of high moral character and recognised practical, judicial or academic competence and experience in the field of human and peoples' rights. They were traditionally elected by the Executive Council and appointed by the Assembly. In February 2020, the Assembly decided to delegate its authority to the Executive Council to appoint members (*Assembly/AU/Dec.760(XXXIII)*).

Judges are nominated by State Parties to the Protocol and elected in their personal capacities, bearing in mind equitable geographical, legal tradition and gender representation. They are elected by secret ballot for six-year terms, renewable once. No two judges may be of the same nationality. The judges elect a president and vice-president to serve two-year terms, renewable once. The President of the Court works on a full-time basis while the other 10 judges work part time.

The Registry provides technical and administrative support to the Court. It is composed of international civil servants who are citizens of AU Member States. The Registry is headed by the Registrar, assisted by the Deputy Registrar, and with a structure holding 90 positions.

### Sittings/sessions

The Court sits four times a year in ordinary sessions, with each session lasting four weeks. Extraordinary sessions may also be held.

### President

Imani Aboud, Tanzania (elected President in May 2021 for a two-year term; first elected as a Judge of the Court in July 2018 for a two-year term; re-elected in February 2021 for a six-year term ending in 2026)

### Vice-President

Blaise Tchikaya, Congo Republic (elected Vice-President in May 2021 for a two-year term; first elected as a Judge of the Court in July 2018 for a six-year term ending in 2024)

## African Court of Justice/African Court of Justice and Human Rights

The AU [Constitutive Act](#) provided for an African Court of Justice to be established as one of the AU's principal organs. The [Protocol](#) of the Court was adopted in July 2003 and entered into force in February 2009, 30 days after 15 Member States had ratified it. As of February 2022, 45 Member States had signed the 2003 Protocol and 19 had ratified it (see <https://au.int/en/treaties>).

However, the African Court of Justice has not yet been operationalised. At its July 2008 Summit, the AU Assembly decided to merge the African Court of Justice with the African Court on Human and Peoples' Rights (see previous entry) into an African Court of Justice and Human Rights. The Assembly adopted the 2008 [Protocol](#) on the Statute of the African Court of Justice and Human Rights to merge the courts ([Assembly/AU/Dec.196\(XI\)](#)).

The 2008 Protocol replaced the 1998 Protocol establishing the African Court on Human and Peoples' Rights and the 2003 Protocol establishing the African Court of Justice. However, the 1998 Protocol remains provisionally in force to enable the African Court on Human and Peoples' Rights, which was operational prior to the adoption of the 2008 Protocol, to transfer its prerogatives, assets, rights and obligations to the African Court of Justice and Human Rights once that court becomes operational.

Transition to the new Court will begin after 15 Member States have ratified the 2008 [Protocol](#) on the Statute of the African Court of Justice and Human Rights. As of February 2022, 33 states had signed the 2008 Protocol and eight had ratified it (see <https://au.int/en/treaties>).

Article 28 of the Statute of the African Court of Justice and Human Rights, which is annexed to the 2008 Protocol, provides that the Court will have jurisdiction over all cases and legal disputes that relate to, amongst other things: interpretation and application of the AU [Constitutive Act](#), AU treaties and all subsidiary legal instruments, the African [Charter](#) on

### Notes

2 In October 2020, the AU Executive Council decided to postpone the election and appointment of four judges until its 38th Ordinary Session in February 2021 and extended the terms of office of the outgoing judges until their replacement (see [EX.CL/Dec.1105\(XXXVII\)](#) of October 2020 and [EX.CL/Dec.1121\(XXXVIII\)](#) of February 2021).

3 Two judges are scheduled to be elected by the Executive Council in mid-2022.

Human and Peoples' Rights (African Human Rights Charter), African **Charter** on the Rights and Welfare of the Child (African Children's Charter), **Protocol** to the African Charter on Human and Peoples' Rights on the Rights of Women in Africa (Maputo Protocol), other human rights treaties ratified by the State Party concerned and any question of international law.

In June 2014, the Assembly adopted a further **Protocol** on Amendments to the Protocol on the Statute of the African Court of Justice and Human Rights (**Assembly/AU/Dec.529(XXIII)**) which intends to add international criminal jurisdiction to this merged Court. As of January 2022, 15 countries had signed the 2014 Protocol and none had ratified it (see <https://au.int/treaties>). This Court would have jurisdiction over the following international crimes: genocide, crimes against humanity, war crimes, the crime of unconstitutional change of government, piracy, terrorism, mercenarism, corruption, money laundering, trafficking in persons, trafficking in drugs, trafficking hazardous waste, illicit exploitation of natural resources and the crime of aggression.

### Extraordinary African Chambers (EAC)

The African Union and Senegal agreed in August 2012 to establish the Extraordinary African Chambers (EAC) within the Senegalese judicial system to "prosecute and try the person(s) most responsible for crimes and serious violations of international law, customary international law and international conventions ratified by Chad, committed on the territory of Chad during the period from 7 June 1982 to 1 December 1990" (EAC Statute, article 3). In line with article 37 of the Statute, the Chambers were dissolved automatically after a final appeal by lawyers for Hissène Habré, President of Chad 1982–90, was decided in April 2017 (see [www.chambresafricaines.org](http://www.chambresafricaines.org)).

In January 2018, the AU Assembly adopted the **Statute** of the Trust Fund for victims of the Hissène Habré crimes (**Assembly/AU/Dec.676(XXX)**). The purpose of the Statute is to establish an institutional framework for compensation and reparations for victims (article 3).

### AU Commission on International Law (AUCIL)

Office of the AUC Legal Counsel  
PO Box 3243  
Roosevelt Street (Old Airport Area)  
W21K19  
Addis Ababa  
Ethiopia

Tel: +251 (0) 11 518 2308  
Fax: +251 (0) 11 551 7844  
Website: <https://au.int/auCIL/about>  
Email: [ntwarig@africa-union.org](mailto:ntwarig@africa-union.org)

#### Purpose

The **AUCIL** was created in 2009 as an independent advisory organ in accordance with article 5(2) of the AU **Constitutive Act**. Article 5(2) provides for the Assembly to establish organs as it deems necessary.

Under article 4 of the AUCIL **Statute**, the Commission's objectives include to:

- Undertake activities relating to codification and progressive development of international law in Africa, with particular attention to the laws of the AU
- Propose draft framework agreements and model regulations
- Assist in the revision of existing treaties and identify areas in which new treaties are required
- Conduct studies on legal matters of interest to the AU and its Member States
- Encourage the teaching, study, publication and dissemination of literature on international law, in particular, the laws of the AU, with a view to promoting respect for the principles of international law, the peaceful resolution of conflicts, and respect for the AU and recourse to its organs.

## Evolution

An African Commission on International Law was initially proposed in May 2004 by a meeting of experts reviewing OAU/AU treaties. In July 2004, the AU Executive Council requested the Chairperson of the Commission to elaborate detailed proposals on the mandate, structure and financial implications of the proposal (EX.CL/Dec.129(V)). The Assembly reaffirmed this in January 2005 as part of its decision on the African Union Non-Aggression and Common Defence Pact (Assembly/AU/Dec.71(IV)). Article 14 of the Pact undertook to establish an African Union Commission on International Law.

The AUCIL was formally established in February 2009 when its Statute was adopted by the AU Assembly's 12th Ordinary Session (Assembly/AU/Dec.209(XII)). The Assembly appointed members in July 2009 (Assembly/AU/Dec.249(XIII)), following election and recommendation by the Executive Council. The AUCIL became operational in 2010.

## Structure

The AUCIL consists of 11 elected members and reflects the principles of equitable geographical representation, the principal legal systems and gender representation. Members have traditionally been elected by the Executive Council and appointed by the Assembly. In February 2020, the Assembly decided to delegate its authority to the Executive Council to appoint members (Assembly/AU/Dec.760(XXXIII)).

Members shall have recognised competence in international law, and serve in their personal capacities. No two members may be of the same nationality. Members are elected by secret ballot, usually for five-year terms that are renewable once. To avoid the departure of all 11 members after the first term, five of the original members were to serve initial three-year terms. A member may be elected to replace a member for the remainder of the predecessor's term (AUCIL Statute, article 12).

The Commission elects a chairperson, vice-chairperson and a general rapporteur as the Bureau. Terms are for two years, renewable once. The Bureau coordinates the Commission's activities and, between sessions, acts on behalf of the Commission under the Chairperson's guidance. The Commission's composition and the election of members are governed by articles 3 and 10–14 of its Statute. Members perform their duties on a part-time basis (article 15).

In accordance with article 21 of the AUCIL Statute, the AUC provides the staff and infrastructure to the AUCIL Secretariat to enable it to carry out its duties effectively. The AUCIL Secretariat is headed by an executive secretary and is located in the Office of the Legal Counsel. Equatorial Guinea has offered to host the Secretariat (see EX.CL/Dec.1047(XXXIV) of February 2019 and EX.CL/Dec.1083(XXXVI) of February 2020).

## Meetings

Under the AUCIL Statute, article 15, the Commission meets twice a year in ordinary session at AU Headquarters and may meet elsewhere. The 20th Ordinary Session was held in March 2022 in Addis Ababa, Ethiopia. The Commission may also meet in extraordinary session at the request of the Chairperson or two-thirds of the members. The quorum is six members (article 16). In June 2018, the AU Executive Council asked the AUCIL to, amongst other things, consider holding open sessions to enable Member States to participate in its activities (EX.CL/Dec.1019(XXXIII)).

In addition to ordinary sessions, the AUCIL holds an annual Forum on International Law, usually for two days. The Forum is a platform for international law experts and enthusiasts to deliberate on relevant major topics, create awareness about AU and international law, and identify ways to accelerate regional integration. The Forum has been held in Egypt, Equatorial Guinea, Ethiopia and Ghana. The AUCIL also consults with inter-governmental, international and national organisations.

Executive Secretary: Charity Hanene Nchimunya, Zambia (since 2016)

## Purpose

AUABC was established in May 2009 as part of the [African Union Convention on Preventing and Combating Corruption](#), which entered into force in August 2006. Under article 22(5) of the Convention, the Board is mandated to promote and encourage State Parties to adopt measures and actions to meet the Convention objectives and to follow up the application of those measures. As of March 2022, 49 countries had signed and 46 had ratified the Convention. The full list of signatories and ratifications is at <https://au.int/treaties>.

The Board's main mandate is to promote and encourage the adoption of measures and actions by State Parties to the Convention to prevent, detect, punish and eradicate corruption and related offences in Africa; to follow up on the measures; and to regularly submit reports to the AU Executive Council on the progress made by each State Party in complying with the provisions of the Convention.

The Board's mission, as stated in article 22(5) of the Convention, also includes to: collect and document information about the nature and scope of corruption and related offences in Africa; advise governments on how to deal with corruption and related offences; develop and promote the adoption of harmonised codes of conduct for public officials; and build partnerships with all the continental stakeholders to facilitate dialogue in the fight against corruption.

## Notes

- 4 Kathleen Quartey Ayensu, Ghana, was appointed as an AUCIL member for the remaining three years of the term held by the late Ebenezer Appreku, Ghana, who had been elected in July 2009 and re-elected in January 2015.
- 5 Hajer Gueldich was elected by the AU Assembly in January 2015 to replace Rafaâ Ben Achour, Tunisia, who had been elected in January 2013 for a five-year term ending in June 2018 but later resigned.

## Membership

The Board is composed of 11 members who serve in their personal capacities. Terms are for two years, and members can be re-elected once. Potential members are nominated by AU Member States. The AU Executive Council elects the members, taking gender and geographical representation into account. Members were traditionally appointed by the AU Assembly, but more recently the Assembly decided to delegate its authority to the Executive Council to appoint members (see [Assembly/AU/Dec.743\(XXXII\)](#) of February 2019 and [Assembly/AU/Dec.760\(XXXIII\)](#) of February 2020).

The Board elects its bureau from among the members, comprising a chairperson, vice-chairperson and rapporteur. Bureau members are appointed for two years. The Bureau's role is to ensure the planning and coordination of Board activities necessary to execute its functions under article 22(5) of the [Convention](#). The Board is supported by the Executive Secretariat, which is managed by the Executive Secretary. The Secretariat functions under the direction of the Bureau and the supervision of the Rapporteur.

Twitter: [@acerwc](https://twitter.com/acerwc)

Acting Secretary: Catherine Wanjiru Maina, Kenya (since November 2018)

### Purpose

The ACERWC draws its mandate from articles 32–46 of the [African Charter on the Rights and Welfare of the Child](#) (ACRWC), which was adopted by the Organization of African Unity (OAU) Heads of State and Government on 11 July 1990 and came into force on 29 November 1999. As of January 2022, 50 AU Member States had ratified the Charter and five were still to ratify: Morocco, Sahrawi Republic, Somalia, South Sudan and Tunisia. (See [the website or https://au.int/treaties](#) for the full list, including reservations by four ratifying states.)

The Charter provides for an 11-member committee of experts. The Committee is supported by a secretariat. The Committee's functions, as set out in article 42 of the Charter, include to:

1. Promote and protect the rights enshrined in the Charter, particularly:
  - (i) Collect and document information, commission inter-disciplinary assessment of situations on African problems in the fields of the rights and welfare of children, organise meetings, encourage national and local institutions concerned with the rights and welfare of children, and, where necessary, give its views and make recommendations to governments
  - (ii) Formulate and lay down principles and rules aimed at protecting the rights and welfare of children in Africa
  - (iii) Cooperate with other African, international and regional institutions and organisations concerned with the promotion and protection of the rights and welfare of children
2. Monitor the implementation of and ensure protection of the rights enshrined in the Charter
3. Interpret the provisions of the Charter at the request of a State Party, an AU/OAU institution or any other person or institution recognised by the AU/OAU
4. Perform other tasks as entrusted by the Assembly.

Details about the mandate and functions of the Committee are available on the website [www.acerwc.africa](http://www.acerwc.africa).

Following a 2018 decision by the AU Executive Council on relocation of the Secretariat ([EX.CL/Dec.1010\(XXXIII\)](#)), the ACERWC is now based in Maseru, Lesotho. In February 2020, the Assembly adopted the staffing structure for the Secretariat (see [Assembly/AU/Dec.750\(XXXIII\)](#) and [EX.CL/Dec.1073\(XXXVI\)](#)).

## Meetings

The Committee convenes various meetings, seminars and workshops, in line with its promotional mandate. In addition, the Committee holds ordinary sessions twice a year and an extraordinary session when necessary. Proceedings of the Committee's sessions are available at [www.acerwc.africa/sessions](http://www.acerwc.africa/sessions).

## Membership

The 11 members serve in their personal capacities. They are elected by secret ballot from a list of people nominated by State Parties to the Charter (ACRWC Charter, article 34). Members were traditionally elected by the Executive Council and appointed by the Assembly. In February 2020, the Assembly decided to delegate its authority to the Executive Council to appoint members ([Assembly/AU/Dec.760\(XXXIII\)](#)).

Candidates are required to be of high moral standing, integrity, impartiality and competence in matters of the rights and welfare of children. Under the Charter, terms are for five years, but to avoid the departure of all 11 members after the first term, article 37 provided for the terms of two members to expire after two years and six after four years, as determined in a draw of lots by the AU Assembly Chairperson immediately after the first election. Article 37 originally stated that members could not be re-elected. In January 2015, the AU Assembly adopted an amendment to article 37(1) to provide for members to be re-elected once for a five-year term ([Assembly/AU/Dec.548\(XXIV\)](#)). The amendment entered into force on its adoption. Bureau members are elected from within the Committee for two-year terms (article 38).

The [Statute](#) on the Establishment of the Legal Aid Fund of the AU Human Rights Organs was adopted by the AU Assembly at its 26th Ordinary Session, held in January 2016 ([Assembly/AU/Dec.589\(XXVI\)](#)). The objectives of the Fund are to mobilise and receive resources to finance the legal aid scheme of the organs and to foster stakeholder cooperation for the provision of legal aid on the continent. AFRICAN UNION HANDBOOK 2022

# **FINANCIAL INSTITUTIONS**

# FINANCIAL INSTITUTIONS

Article 19 of the African Union (AU) **Constitutive Act** provides for three specific financial **organs** to be created, the African Central Bank (ACB), the African Investment Bank (AIB) and the African Monetary Fund (AMF). The role of these **institutions** is to implement the economic integration called for in the 1991 Treaty Establishing the African Economic Community (**Abuja Treaty**). The 1999 Sirte Declaration, under which the Organization of African Unity (OAU) decided to create the AU, called for the speedy establishment of all institutions proposed in the Abuja Treaty. Establishment of the financial institutions is included in the Agenda 2063 flagship projects.

The AU Assembly has adopted protocols for the establishment of the AIB and AMF. Proposed structures for the financial institutions will be submitted to the Executive Council for approval, once the legal instrument for each institution comes into force.

In February 2020, the AU Assembly appointed Nana Addo Dankwa Akufo-Addo, the President of Ghana, as the Champion of AU Financial Institutions (AUFIs) “to provide political leadership and awareness to accelerate their establishment” (**Assembly/AU/Dec.769(XXXIII)**). The Champion presented his first report on progress toward the establishment of the AUFIs to the 35th Ordinary Session of the Assembly in February 2022. One major decision taken by the Assembly was the adoption of the macro-economic convergence criteria to allow for the monitoring of the path towards a common African currency (**Assembly/AU/Dec.819(XXXV)**).

## African Central Bank (ACB)

The ACB’s purpose will be to build a common monetary policy and single African currency as a way to accelerate economic integration as envisaged in articles 6 and 44 of the Abuja Treaty. The ACB’s objectives will be to:

- Create and manage the continental common currency
- Promote international monetary cooperation through a permanent institution
- Promote exchange rate stability and avoid competitive exchange-rate depreciation
- Assist in the establishment of a multilateral system of payments in respect of current transactions between members and eliminate foreign exchange restrictions that hamper the growth of world trade.

It is proposed that the ACB headquarters will be in Abuja, Nigeria. The agreed timeframe under Agenda 2063 for establishing the ACB is between 2028 and 2034. Preparations for the ACB will be made through the African Monetary Institute, which is expected to be established as a matter of priority. The establishment of the ACB will be based on the Joint AU Commission (AUC)/Association of African Central Banks (AACB) Strategy, which was adopted by the AACB in August 2015. The February 2020 AU Assembly requested the AUC to continue working towards the establishment of the ACB and to fast-track the establishment of the Pan-African Stock Exchange (**Assembly/AU/Dec.769(XXXIII)**).

## African Investment Bank (AIB)

The AIB’s purpose will be to foster economic growth and accelerate economic integration in Africa, as envisaged by articles 6 and 44 of the Abuja Treaty. The AIB’s objectives will be to:

- Promote public and private sector investment activities intended to advance regional economic integration of States Parties
- Utilise available resources for the implementation of investment projects contributing to strengthening of the private sector and modernisation of rural sector activities and infrastructures

- Mobilise resources from capital markets inside and outside Africa for the financing of investment projects in African countries
- Provide technical assistance as may be needed in African countries for the study, preparation, financing and execution of investment projects.

The AU Assembly adopted the AIB **Statute** at its February 2009 Summit (see [Assembly/AU/Dec.212\(XII\)](#)). The AIB **Protocol** and Statute will enter into force 30 days after ratification by 15 Member States. As of March 2022, 22 Member States had signed the Protocol, and six had deposited their instruments of ratification: Benin, Burkina Faso, Chad, Congo Republic, Libya and Togo (see <https://au.int/treaties>). The agreed timeframe under Agenda 2063 for establishing the AIB is 2025. The AIB will be located in Libya (see [Assembly/AU/Dec.64\(IV\)](#)).

## African Monetary Fund (AMF)

The AMF's purpose will be to facilitate the integration of African economies by eliminating trade restrictions and providing greater monetary integration, as envisaged under articles 6 and 44 of the Abuja Treaty. The AMF is expected to serve as a pool for central bank reserves and AU Member States' national currencies. The AMF will prioritise regional macro-economic objectives in its lending policies.

The specific AMF objectives include:

- Providing financial assistance to AU Member States
- Acting as a clearing house as well as undertaking macro-economic surveillance within the continent
- Coordinating the monetary policies of Member States and promoting cooperation between their monetary authorities
- Encouraging capital movements between Member States.

The AU Assembly adopted the AMF **Protocol** and Statute at its June 2014 Summit (see [Assembly/AU/Dec.517\(XXIII\)](#)). The Protocol and Statute will enter into force 30 days after ratification by 15 Member States. As of March 2022, 12 Member States had signed the Protocol and only Chad had deposited its instrument of ratification (see <https://au.int/treaties>). The agreed timeframe under Agenda 2063 for establishing the AMF is 2023. The AMF headquarters will be in Yaoundé, Cameroon (see [EX.CL/Dec.329\(X\)](#) of January 2007). The Headquarters Agreement for the AMF was signed by the Government of Cameroon and the AUC in March 2019.

Chief Executive Officer: Eddy Maloka, South Africa (appointed by the African Peer Review Forum in January 2016; term extended in February 2019 for a further three years; term extended in February 2022 for one year)

## Purpose

The Mechanism was established in 2003 by the New Partnership for Africa's Development (NEPAD) Heads of State and Government Implementation Committee (HSGIC) as an instrument for African Union (AU) Member States to voluntarily self-monitor their governance performance.

The Mechanism is a voluntary arrangement amongst African states to systematically assess and review governance at Head of State peer level in order to promote political stability, accelerated sub-regional and continental economic integration, economic growth and sustainable development.

By acceding to the APRM, Member States agree to independently review their compliance with African and international governance commitments. Performance and progress are measured in four thematic areas: democracy and political governance; economic governance and management; corporate governance; and socio-economic development.

Each review leads to a national programme of action for the state concerned to address problems identified. A national monitoring body prepares six-monthly and annual reports on progress in implementing the national programme of action for submission to meetings of the APRM Forum of Heads of State and Government. Country review reports are made available to the public after the APRM Forum peer review.

## Evolution

From establishment in March 2003, the APRM operated as an independent body under a memorandum of understanding signed by Member States. The AU Assembly decided in June 2014 that the APRM should be integrated into the AU system as an autonomous body ([Assembly/AU/Dec.527\(XXIII\)](#)). Since then, work has been undertaken on revitalising and widening the role of the APRM. This includes positioning the APRM as an early warning tool for conflict prevention in Africa, and including a monitoring and evaluation role for the AU Agenda 2063 and UN Sustainable Development Goals (see [Assembly/AU/Dec.765\(XXXIII\)](#) of February 2020).

The APRM Forum presented its first Africa Governance Report to the AU Assembly in February 2019 and is scheduled to present an updated report every two years. The 2021 [report](#), under the theme "African Governance Futures Scenarios 2063", was presented to

the Assembly at its 35th Ordinary Session in February 2022. The Assembly decided that the APRM, in collaboration with the African Governance Architecture (AGA), should develop the third report with a focus on “the nexus between governance and the 4th Industrial Revolution (4IR)” (*Assembly/AU/Dec.818(XXXV)*).

In July 2019, the Executive Council requested the Specialised Technical Committee (STC) on Justice and Legal Affairs to review the APRM Rules of Procedure and draft Statute (see *Assembly/AU/Dec.758(XXXIII)* and *Assembly/AU/Dec.765(XXXIII)* of February 2020).

## Structure

The APRM has structures at both continental and national levels. The following bodies are the structures at the continental level:

- African Peer Review (APR) Forum: a committee of all participating Member States' Heads of State and Government. The Forum is the APRM's highest decision-making authority.
- APR Panel: composed of eminent persons from all five of Africa's regions and responsible for ensuring the Mechanism's independence, professionalism and credibility. Panel members are selected and appointed by the Forum, usually for a term of up to four years. The Chairperson and Vice-Chairperson are appointed for one-year non-renewable terms.
- APRM Focal Point Committee: composed of the personal representatives of the Heads of State of the participating countries. The Committee is a ministerial body acting as an intermediary between the APR Forum and the APRM Secretariat. It is responsible for administrative and budgetary matters, and reports to the APR Forum.
- APRM Continental Secretariat: provides technical, coordinating and administrative support services to the APRM.

The APRM country structures are:

- National Focal Point
- National Commission/National Governing Council
- National Secretariat.

The APRM also has special support agreements with five Africa-based institutions designated by the Forum as strategic partners: the African Development Bank (AfDB), UN Economic Commission for Africa (ECA), UN Development Programme (UNDP) Regional Bureau for Africa, Mo Ibrahim Foundation and African Capacity Building Foundation (ACBF).

**REGIONAL  
ECONOMIC  
COMMUNITIES  
AND REGIONAL  
MECHANISMS**

# REGIONAL ECONOMIC COMMUNITIES (RECs) AND REGIONAL MECHANISMS (RMs)

The Regional Economic Communities (RECs) are regional groupings of African states, each led by a Head of State or Government on a rotational basis. They have developed individually and have differing but complementary roles and structures. Generally, the purpose of the RECs is to facilitate regional economic integration between members of the individual regions and through the wider African Economic Community (AEC), which was established under the [Abuja Treaty](#) (1991). The 1980 Lagos Plan of Action for the Development of Africa and the Abuja Treaty proposed the creation of RECs as the basis for wider African integration, with a view to facilitating regional and eventual continental integration. The RECs are increasingly involved in coordinating African Union (AU) Member States' interests in wider areas such as peace and security, development and governance.

The RECs work closely with the AU and serve as its building blocks. The complementary relationship between the AU and the RECs is mandated by the [Abuja Treaty](#) and the [AU Constitutive Act](#), and guided by the: Protocol on Relations between the RECs and the AU (2008); [Protocol](#) Relating to the Establishment of the African Union Peace and Security Council (2002); Memorandum of Understanding (MoU) on Cooperation in the Area of Peace and Security between the AU, RECs and the Regional Mechanisms (RMs) for Conflict Prevention, Management and Resolution of Regional Standby Brigades of Eastern and North Africa; and Agenda 2063.

In February 2020, the AU Assembly adopted the Revised Protocol on Relations between the AU and the RECs, and authorised the Chairperson of the AU Commission (AUC) to sign the Protocol on behalf of the Union ([Assembly/AU/Dec.767\(XXXIII\)](#) and [Assembly/AU/Dec.758\(XXXIII\)](#)). The Revised Protocol entered into force on 10 November 2021. The Assembly also adopted the Rules of Procedure for the Mid-Year Coordination Meetings.

The AU recognises eight RECs, the:

- Arab Maghreb Union (UMA)<sup>1</sup>
- Common Market for Eastern and Southern Africa (COMESA)
- Community of Sahel–Saharan States (CEN–SAD)
- East African Community (EAC)
- Economic Community of Central African States (ECCAS)
- Economic Community of West African States (ECOWAS)
- Intergovernmental Authority on Development (IGAD)
- Southern African Development Community (SADC).

All of these RECs have observer status with the United Nations. In addition, the RECs, as well as the Eastern Africa Standby Force Coordination Mechanism (EASFCOM, now the EASF Secretariat) and North African Regional Capability (NARC), have liaison offices at the AU.

## Structure

The Protocol on Relations between the RECs and the AU provides for a coordination framework between the AEC and the RECs. This framework has the following two elements.

---

### Note

1 UMA signed the Protocol on Relations between the RECs and the AU in 2018.

### Committee on Coordination

The Committee provides policy advice and oversight of implementation of the Protocol (article 7). It is also tasked with coordinating and monitoring progress made by the RECs in meeting the regional integration goal stages detailed in article 6 of the Abuja Treaty. The Committee comprises the Chairperson of the AUC (Committee Chairperson), Chief Executives of the RECs, Executive Secretary of the UN Economic Commission for Africa (ECA), President of the African Development Bank (AfDB) and chief executives of the AU financial institutions. Under article 8 of the Protocol, the Committee must meet at least twice a year. Decisions are taken by consensus or, when consensus cannot be reached, by a simple majority of the members present and voting. Decisions are forwarded to the Executive Council as policy recommendations. Members may be accompanied to meetings by experts and advisers.

### Committee of Secretariat Officials

The Committee prepares technical reports for consideration by the Committee on Coordination (article 9 of the Protocol). It is composed of AUC and RECs senior officials responsible for community affairs, as well as ECA and AfDB senior officials. The Committee usually meets at least twice a year, prior to Committee on Coordination meetings, and is chaired by the AUC. Decisions are reached by consensus or, when consensus is lacking, by simple majority vote (article 9).

### Meetings

As part of institutional reforms, the AU Assembly decided that, from 2019, it would meet once a year in ordinary session, not twice. In place of the mid-year Assembly Summit, the Bureau of the Assembly would hold a coordination meeting with the RECs, with the participation of the Chairpersons of the RECs, the AUC and the RMs (*Assembly/AU/Dec.635(XXVIII)* of January 2017).

### Mid-Year Coordination Meetings

Fourth meeting: scheduled for 17 July 2022, Lusaka, Zambia  
 Third meeting: held by videoconference on 16 October 2021  
 Second meeting: held by videoconference on 22 October 2020  
 First meeting: held on 8 July 2019, Niamey, Niger

Secretary-General: Taïeb Baccouche, Tunisia (appointed by the Council of Foreign Affairs Ministers in May 2016; assumed office in August 2016)  
 Head of Cabinet: Basma Soudani, Tunisia

### Purpose

UMA was established under the *Marrakesh Treaty* of 1989. The aims of the Treaty include “strengthening the ties of brotherhood which link Member States and their people to one another; achieving progress and prosperity of their societies and defending their rights; pursuing a common policy in different domains; contributing to the preservation of peace based on justice and equity; and working gradually towards free movement of persons and transfer of services, goods and capital among them”.

Article 3 of the Treaty provides that the Union's objectives are to promote:

- Close diplomatic ties and dialogue between Member States while safeguarding their independence
- Mechanisms for Member States' industrial, commercial and social development, including through common sectoral programmes
- Measures to support Islamic values and the safeguarding of the National Arabic identity through mechanisms such as cultural exchange, research and education programmes.

### Structure

UMA is a political-level body supported by a secretariat based in Rabat, Morocco.

The structures set out in the Marrakesh Treaty are:

- Council of the Presidency, which is the supreme decision-making organ
- Council of the Prime Ministers, which coordinates policy
- Council of Foreign Ministers, which prepares Presidency sessions and examines Follow-up Committee proposals
- Follow-up Committee, which is a national officials-level committee tasked with implementing UMA decisions
- Four Special Ministerial Committees, which deal with thematic areas
- General Secretariat, which is the executive for the Union and Consultative Council
- Consultative Council, which is composed of legislative representatives from each country and tasked with sharing opinions and recommendations on draft Council of the Presidency decisions.

In addition, the Treaty provides for a range of institutions, including the: Judicial Authority, composed of two judges from each state with the authority to interpret or rule on issues relating to UMA; Maghreb University and Academy; and Maghreb Bank for Investment and Foreign Trade.

Recent efforts to develop structures within the UMA Secretariat in the area of peace and security include: a decision in 2014 to create the Department of Political Affairs, Information and Cabinet; and a decision in 2012 to establish four high-level expert groups to examine counter-terrorism, drug trafficking, migration and civil protection challenges; share information and national experiences in addressing the challenges; and offer recommendations. The country convenors of the groups are: Tunisia (counter-terrorism); Algeria (drug trafficking); Mauritania (civil protection); and Morocco (migration). The groups meet once or twice a year, and their reports are submitted to the UMA ministers of interior.

### Meetings

The Marrakesh Treaty provides for the Council of the Presidency to meet once a year in ordinary session and in extraordinary session as required. The Council of the Presidency is the only decision-making body. Decisions are taken unanimously. Under the Treaty, the Presidency should rotate every year, although it has not always done so. Six summits have been held since 1990.

Its structure includes the Council of Ministers (responsible for policy making), the Intergovernmental Committee, 12 technical committees and a series of subsidiary advisory bodies. The office of Chairperson is usually held for one year in rotation among the Member States. The Summit discusses business submitted to it by the Council of Ministers (which usually meets twice each year) and any other matter that may have a bearing on COMESA. Chairperson: Uhuru Kenyatta, Kenya (elected in February 2021)

Secretary-General: Peter Mutuku Mathuki, Kenya (non-renewable five-year term from April 2021)

## Purpose

EAC was initiated in 1999 as an economic and political entity of the five East African countries, with the vision of a prosperous, competitive, secure, stable and politically united East Africa. Its mission is to widen and deepen economic, political, social and cultural integration in order to improve the quality of life of East African people through increased competitiveness, value-added production, trade and investments. The EAC countries established a customs union in 2005 and a common market in 2010. EAC aims to create a monetary union as the next step in integration and, ultimately, to become a political federation of East African states.

## Note

<sup>3</sup> Cabo Verde, Kenya, Liberia and São Tomé and Príncipe did not sign the revised CEN–SAD Treaty and are no longer members.

## Evolution

EAC was first formed in 1967 but collapsed in 1977 because of political differences. In 1993, the Agreement for the Establishment of the Permanent Tripartite Commission (PTC) for East African Co-operation was established, and, in 1996, the Commission's Secretariat was launched. In 1997, leaders directed the PTC to upgrade the agreement establishing the Commission into a treaty. This Treaty entered into force on 7 July 2000 following its ratification by the original three partner states: Kenya, Uganda and Tanzania. Rwanda and Burundi acceded to the EAC Treaty on 18 June 2007 and became full members of EAC from 1 July 2007. In March 2016, the EAC 17th Summit decided to admit South Sudan as a new member. South Sudan formally signed the Treaty in April 2016.

## Structure

The seven EAC organs are the:

- Summit: composed of the Heads of State and Government, the Summit gives general directions and impetus for development and achievement of objectives. The office of Chairperson is held for one year in rotation among the partner states
- Council of Ministers: the policy organ
- Coordination Committee: composed of the permanent secretaries, the Committee submits reports and recommendations to the Council either on its own initiative or on request from the Council, and implements Council decisions
- Sectoral Committees: role is to monitor and review implementation of EAC programmes
- East African Court of Justice: role is to ensure adherence to interpretation and application of, and compliance with, the Treaty establishing EAC
- East African Legislative Assembly: the legislative organ
- Secretariat: the executive organ, with the role of ensuring that regulations and directives adopted by the Council are properly implemented.

## Meetings

The Summit usually meets twice a year, traditionally on 20 April and 30 November, and may hold extraordinary meetings at the request of any of its members. Decisions are reached by consensus. The Summit discusses business submitted to it by the Council and any other matters that may have a bearing on EAC. The Council usually meets twice a year, including immediately prior to the Summit. Extraordinary meetings may be held at the request of a partner state or the Chairperson of the Council.

President of the Commission: Gilberto Da Piedade Verissimo, Angola (appointed in September 2020 by the ECCAS Conference of Heads of State and Government for a five-year term)

### Purpose

Article 4 of the ECCAS Revised Treaty stipulates that the primary purpose and objective of the Community is promoting cooperation and strengthening regional integration in central Africa in all fields of activity: political, security, economic, monetary, financial, social, cultural, scientific and technical. The aim is to achieve collective autonomy, raise the standard of living, increase and maintain economic stability, strengthen and preserve close and peaceful relations between ECCAS Member States, and contribute to the progress and development of the African continent.

### Evolution

The Treaty Establishing the Economic Community of Central African States (ECCAS) was signed in October 1983 in Libreville, Gabon, and entered into force in December 1984. Following internal crises in many Member States, ECCAS ceased activities between 1992 and 1998. ECCAS was revitalised by a Heads of State and Government decision at the 1998 Summit in Libreville. In 2015, Heads of State decided to proceed with institutional reform, and the first major results were adopted in 2019. The reforms included adoption of the revised Treaty; change from a general secretariat to a commission; and the integration of the Protocol of the Council for Peace and Security in Central Africa (COPAX) in the revised Treaty and institutional architecture of ECCAS. Official texts that govern the operation of ECCAS are on its [website](#).

### Structure

The decision-making architecture of ECCAS is as follows.

#### 1. Organs

- Conference of Heads of State and Government, which is the highest organ of the Community
- Council of Ministers, which oversees policy implementation
- Commission, which fulfils ECCAS's executive functions
- Technical specialised committees, which formulate policy recommendations in thematic areas
- Inter-state Committee of Experts
- Permanent Representatives Committee.

#### 2. Institutions

- Parliament of the Community
- Court of Justice
- Community Court of Auditors

### Purpose

ECOWAS was established on 28 May 1975 by the Lagos [Treaty](#), which was revised in 1993. The aims of ECOWAS are to promote cooperation and integration, leading to the establishment of an economic union in West Africa in order to raise the living standards of its peoples, and to maintain and enhance economic stability, foster relations among Member States and contribute to the progress and development of the African continent.

The new vision of ECOWAS, known as Vision 2050, is: "A community of peoples fully integrated in a peaceful, prosperous region with strong institutions that respect fundamental freedoms and work for inclusive and sustainable development".

Chairperson: to be advised

Executive Secretary: Workneh Gebeyehu, Ethiopia (appointed in 2019)

### Purpose

IGAD was established in 1996 to represent the interests of states in the Horn of Africa region. Under article 7 of the Agreement establishing IGAD, its aims and objectives include promoting joint development strategies; harmonising Member States' policies; achieving regional food security; initiating sustainable development of natural resources; promoting peace and stability in the sub-region; and mobilising resources for the implementation of programmes within the framework of regional cooperation.

### Evolution

IGAD is the successor to the Intergovernmental Authority on Drought and Development (IGADD), which was founded in 1986 to address the recurring droughts and other natural disasters that had caused severe hardship in the region. The revitalised Authority's mandate increased to include promoting greater regional political and economic cooperation as well as addressing peace and security issues. It also implemented a new organisational structure. Within this new structure, IGAD has four divisions: Agriculture and Environment; Peace and Security; Trade and Economic Cooperation; and Health and Social Development.

### Structure

The IGAD Assembly of Heads of State and Government is the organisation's supreme policy-making organ, determining its objectives, guidelines and programmes. IGAD's structure also includes the Council of Ministers, which formulates policy and approves the work programme and the Secretariat's annual budget; and the Committee of Ambassadors, which facilitates the Council's work and guides the Executive Secretary (head of the Secretariat). The Council is composed of ministers of foreign affairs and one other minister designated by each Member State. The Executive Secretary is appointed by the Assembly to run the organisation's day-to-day affairs.

Other bodies include the:

- Inter-Parliamentary Union (IPU-IGAD), which came into existence after its establishing Protocol came into force in November 2007, and is composed of IGAD Member States' speakers of parliament
- IGAD Business Forum (IBF), which was first established in 2002 and re-launched in 2010, and is set to play a leading role in the harmonisation of trade, customs and transport facilitation policies; creation of an enabling environment for foreign, cross-border and domestic trade investment; and promotion of free movement of goods and services in the IGAD region
- IGAD Partners Forum (IPF), which was formed in January 1997 to replace and formalise IGAD's relationships with the 'Friends of IGAD', a group of partners working closely with the Secretariat.

IGAD bodies also include the Conflict Early Warning and Response Mechanism, IGAD Climate Prediction and Application Centre, IGAD Centre for Pastoral Areas and Livestock Development, IGAD Drought Disaster Resilience and Sustainability Initiative (IDDRSI), IGAD Sheikh Technical Veterinary School and the IGAD Centre of Excellence in Preventing and Countering Terrorism. In addition, IGAD has specialised offices for Somalia and South Sudan that are dedicated to restoring stability in those two Member States.

### Meetings

The Assembly Summit is scheduled to meet at least once a year and may hold extraordinary meetings at the request of any of its members. Summit decisions are reached by consensus. The Summit discusses business submitted to it by the Council (which usually meets twice each year) and any other matter that may have a bearing on IGAD. The Committee of Ambassadors convenes as often as the need arises. The 38th Extraordinary Summit was held on 20 December 2020 in Djibouti.

Its main objectives are to achieve economic development, peace and security, and poverty alleviation; improve the standard of living for the people of the region; and increase regional integration, built on democratic principles and equitable and sustainable development.

### Evolution

SADC is the successor to the Southern African Development Co-ordination Conference (SADCC), which was established in 1980 in Lusaka, Zambia. The transformation of SADCC into SADC in 1992 redefined the basis of cooperation among Member States, from a loose association into a legally binding arrangement, and formalised the intention to spearhead the economic integration of the Southern Africa region.

## Structure

SADC organs include the:

- Summit of Heads of State or Government, the highest decision-making organ in SADC and responsible for the overall policy direction and control of functions of SADC
- Heads of State-level Summit Troika Organ on Politics, Defence and Security Cooperation, which is responsible for policy direction on regional peace and security issues between summits
- Council of Ministers, which is responsible for the implementation of summit policy decisions
- Secretariat, which is the executive body for SADC and headed by the Executive Secretary
- Standing Committee of Officials, which offers technical advice to the Council of Ministers
- SADC National Committees (SNCs), which deal with thematic issues.

Article 16 covers the relationship between the RMs and the AU, including that the PSC and the Chairperson of the Commission shall work closely in partnership with the RMs in the promotion and maintenance of peace, security and stability.

The ICGLR Executive Secretariat was established in May 2007.

The AU is an ICGLR formal partner. In September 2017, the Chairperson of the AUC appointed a new Special Representative for the Great Lakes Region and Head of the AU Liaison Office in Burundi (Basile Ikouebe, Congo Republic). Through its Special Representative, the AUC provides technical, diplomatic and financial support to the ICGLR. It also works in cooperation with the ICGLR in the framework of its activities.

The Heads of State and Government Summit is the ICGLR's supreme organ and is chaired by a member country's Head of State or Government usually for two-year terms in rotation. The Summit is held every two years, and extraordinary sessions may be convened at the request of a Member State and with the consent of the majority of Member States present and voting. ICGLR's executive organ comprises Member States' foreign affairs ministers. The executive organ usually meets in ordinary session twice a year, and may meet in extraordinary session on the request of a Member State and with the consent of a majority of the 12 Member States. The main divisions of the ICGLR are Peace and Security; Democracy and Good Governance; Economic Development and Regional Integration; and Humanitarian and Social Issues. EASF is one of the five forces that make up the African Standby Force (ASF). The EASF Secretariat was established in 2007 to coordinate EASF activities in consultation with relevant Member State authorities and the AU. The EASF policy organs are the Assembly of Eastern Africa Heads of State and Government, Eastern Africa Council of Ministers of Defence and Security, and Eastern Africa Committee of Chiefs of Defence Staff (EACDS).

EASF inaugurated its first Panel of Elders (PoE) of eminent persons in December 2021, modelled on the same principles as the AU Panel of the Wise. The main purposes of the PoE are to support and advise on the efforts of the EASF policy organs in the area of conflict prevention; use its good offices to carry out conflict mediation and broker peace agreements between warring parties; and help the policy organs in mapping out threats to peace and security in the region.

YouTube: AfCFTA Secretariat  
LinkedIn: African Continental Free Trade Area (AfCFTA) Secretariat

Secretary-General: Wamkele Mene, South Africa (appointed by the AU Assembly in February 2020 for a four-year term; sworn in on 19 March 2020)

The AfCFTA Secretariat is the administrative organ of the African Union (AU) charged with the coordination and implementation of the AfCFTA [Agreement](#), which is an Agenda 2063 flagship initiative that aims to significantly accelerate growth of intra-African trade, use trade more effectively as an engine of growth and sustainable development, and strengthen Africa's common voice and policy space in global trade negotiations. Trading under the Agreement began on 1 January 2021. (See the Introduction section for more information about the AfCFTA.)

The Secretariat is a functionally autonomous institutional body within the AU system, with an independent legal personality. The Secretary-General was appointed in early 2020 ([Assembly/AU/Dec.751\(XXXIII\)](#)), and the Secretariat building was officially opened in Accra, Ghana, in August 2020.

The Secretariat:

- Coordinates, facilitates and supports the implementation of the AfCFTA Agreement, its Protocols and Annexes
- Undertakes strategic planning and management of the AfCFTA Agreement implementation
- Facilitates the establishment, monitoring and evaluation of mechanisms for follow-up on the implementation of the AfCFTA Agreement and submits annual reports on its implementation to the Council of Ministers
- Monitors and evaluates the implementation process and other duties assigned to it by the Committee of Senior Trade Officials, Council of Ministers for Trade of the State Parties, and the AU Assembly.

Through its activities, the Secretariat aims to:

- Lead the establishment of a single continental market for goods and services, with free movement of business people and investments, and thus pave the way for accelerating the establishment of the Customs Union
- Expand intra-African trade through better harmonisation and coordination of trade liberalisation and facilitation instruments across the Regional Economic Communities (RECs) and across Africa in general
- Enhance competitiveness at African industry and enterprise levels through exploitation of opportunities for scale production, continental market access and better reallocation of resources.

## Structure

The work of the Secretariat and implementation of decisions related to the AfCFTA are made within an institutional framework consisting of the Assembly, the Council of Ministers for Trade of the State Parties, and the Committee of Senior Trade Officials.

### Assembly

The Assembly, consisting of all AU Heads of State and Government, has exclusive authority to adopt interpretations of the AfCFTA Agreement on the recommendation of the Council of Ministers. It provides oversight of and guidance on the AfCFTA. The decision to adopt an interpretation is taken by consensus.

### Council of Ministers

The Council of Ministers comprises ministers for trade or such other ministers, authorities or officials duly designated by the State Parties. It takes decisions on all matters under the AfCFTA Agreement and reports to the Assembly through the Executive Council of the AU. The AfCFTA Council of Ministers is separate from the AU Ministers of Trade (AMOT) group.

The Council of Ministers meets twice a year in ordinary sessions and as necessary in extraordinary sessions. Decisions taken by the Council of Ministers while acting within its mandate are binding on State Parties. Decisions that have legal, structural or financial implications shall be binding on State Parties upon their adoption by the Assembly. The State Parties take such measures as are necessary to implement the decisions of the Council of Ministers.

### Committee of Senior Trade Officials

The Committee of Senior Trade Officials comprises permanent or principal secretaries or other officials designated by State Parties. It is responsible for the development of programmes and action plans for the implementation of the AfCFTA Agreement. The Committee:

- Monitors, constantly reviews and ensures proper functioning and development of the AfCFTA in accordance with the provisions of the Agreement
- Subject to directions from the Council of Ministers, meets at least twice a year and operates in accordance with the rules of procedure as adopted by the Council of Ministers
- Submits its report, which may include recommendations, to the Council of Ministers following its meetings
- Promotes the harmonisation of appropriate policies, considers reports and activities of the Secretariat, and takes appropriate actions. It can also make regulations, issue directives and make recommendations
- Can establish sub-committees or working groups to oversee the implementation of the Agreement and may request that a technical committee investigate any particular matter.

The Protocols of the AfCFTA Agreement establish various technical committees to assist with the implementation of the Agreement. They include the Trade in Goods Committee and the Trade in Services Committee.

STATAFRIC's vision is to be the centre of reference for harmonised, quality and timely statistics on Africa. Its values include professional independence, as defined in article 3 of the African Charter on Statistics. Specifically, the Institute aims to:

- Implement the revised Strategy for the Harmonisation of Statistics in Africa (SHaSA 2)
- Coordinate and regulate the African Statistical System (AfSS)
- Provide the statistical information needed to design, implement, monitor and evaluate African policies
- Develop and promote standards, methods and procedures that allow the cost-effective production and dissemination of comparable and reliable statistics throughout the AU and beyond
- Steer the AfSS, strengthen cooperation among partners, build capacity and ensure it takes a leading role in official statistics worldwide.

### Evolution

Establishment of the Institute was approved by the AU Assembly at its January 2013 Summit ([Assembly/AU/462\(XX\)](#)). In March 2015, following preparation work by the AU Commission (AUC), the Conference of Ministers of Economy and Finance gave the AUC the mandate for the Institute's activities to begin in late 2016. During the 30th AU Summit, held in January 2018, the AUC and the Government of Tunisia signed the Host Agreement. The structure of STATAFRIC was considered and approved by AU decision-making organs in July 2019. The activities were officially launched on 18 November 2019 during the celebration of African Statistics Day.

### Structure

STATAFRIC is a specialised technical agency of the AUC under the Office of Strategic Planning and Delivery (OSPD).

### African Statistical Training Centre

The purpose of the Centre (also known as PANASTAT or PANSTAT) will be to strengthen the capability of official statisticians of AU Member States to collect, analyse and disseminate timely and high-quality statistics for economic and social development planning. Its mandate, mission and role will focus on coordination and harmonisation of statistical training in Africa, including being an accrediting body for schools and training centres in collaboration with the Association of African Statisticians. The Centre will undertake regular evaluations of training centres and schools in order to adapt training programmes to the needs of the labour market, and will be the Secretariat of the African Group on Statistical Training (AGROST).

Creation of an African statistical training centre was endorsed by the AU Assembly in July 2012 ([Assembly/AU/Dec.424\(XIX\)](#)), and the structure was approved by AU decision-making organs in July 2019. The Centre, to be based in Côte d'Ivoire, will be a specialised technical agency of the AUC under the Office of Strategic Planning and Delivery (OSPD).

Head: Rita Bissoonauth, Mauritius (since November 2014)

#### Purpose

AU/CIEFFA's mission is to ensure that African women are fully empowered in all spheres, with equal social, political and economic rights and opportunities, and are able to fight against all forms of gender-based discrimination and inequality.

The Centre works closely with AU Member States and governments, civil society organisations, traditional and religious leaders, development partners and youth to achieve the objectives of the Continental Education Strategy for Africa 2016–25 (CESA 16–25) and Agenda 2063 with regards to girls' and women's education in Africa. AU/CIEFFA's third strategic plan (2021–25) comprises the following four strategic axes: gender-responsive education policies; curriculum reform and teacher education; science, technology, engineering, arts and mathematics (STEAM) and skills development; and education in emergency and humanitarian contexts.

#### Evolution

The Centre was originally established under the aegis of the UN Educational, Scientific and Cultural Organization (UNESCO). It became a specialised institution of the AU following AU Assembly approval, in principle, in July 2004 (*Assembly/AU/Dec.44(III)*), and its Statute was adopted by the Assembly in February 2019 (*Assembly/AU/Dec.735(XXXII)*).

#### Structure

As a specialised technical institution of the AU, the Centre reports to the AUC Department of Education, Science, Technology and Innovation (ESTI).

### Fund for African Women (FAW)/Trust Fund for African Women (TFAW)

FAW was a mechanism for the implementation and mobilisation of resources for programmes and projects dedicated to the African Women's Decade (AWD) 2010–20, supporting a minimum of 53 projects per theme. In line with a decision in May 2018 by the Specialised Technical Committee (STC) on Gender Equality and Women's Empowerment to align FAW with Agenda 2063, work has begun towards transforming FAW into the Trust Fund for African Women (TFAW) as a financial mechanism for the African Decade of Women's Financial and Economic Inclusion 2020–30 (*Assembly/AU/Dec.793(XXXIII)*). The TFAW strategy proposes a transitional process to allow the finalisation of outstanding business from the FAW, such as disbursement of grants to beneficiaries. It also suggests operational models to ensure that the Trust Fund delivers to the aspirations of African women. In addition, an internal AUC committee on the FAW was established under the leadership of the Deputy Chairperson to support the transition process to TFAW.

FAW was launched by the AU Assembly in 2010 (see [Assembly/AU/Dec.277\(XIV\)](#) of February 2010, [EX.CL/Dec.539\(XVI\)](#) of January 2010, and article 11 of the 2004 Solemn [Declaration on Gender Equality in Africa \(SDGEA\)](#)). Its five main goals are to:

- Mobilise financial resources to support development programmes and projects for women
- Support women's initiatives to fight poverty, close the gender gap and halt marginalisation of women
- Share experiences and best practices on economic, political and social empowerment of women
- Facilitate the dissemination of information on activities led by African women
- Strengthen the capacities of African women in leadership, management and entrepreneurship.

The 10 annual themes selected for financial support 2011–20 were: Women's Health, Maternal Mortality and HIV/AIDS; Agriculture, Food Security and Environment; Fighting Poverty and Promoting Economic Empowerment of Women and Entrepreneurship; Environment and Climate Change; Education, Science and Technology; Finance and Gender Budgets; Mentoring Youth (men and women) to be Champions of Gender Equality and Women's Empowerment; Peace and Security and Violence Against Women; Women in Decision-Making Positions; and Governance and Legal Protection.

AOSTI's role also includes: monitoring and evaluating the AU's STI policy implementation; supporting Member States to manage and use STI statistical information in accordance with the African Charter on Statistics; assisting Member States to map their STI capabilities to address development challenges; strengthening national capacities for STI policy formulation,

evaluation and review, as well as technology foresight and prospecting; providing Member State decision makers with up-to-date information on global scientific and technological trends; and promoting and strengthening regional and international cooperation.

### Evolution

AOSTI was established through AU Assembly decision 235(xii) of February 2009. In July 2010, the AUC and the Government of Equatorial Guinea signed a hosting agreement for the observatory to be headquartered in Malabo, Equatorial Guinea. Assembly decision 452(XX) of January 2013 formally created AOSTI; decision 589(XXVI) of January 2016 adopted the AOSTI Statute; and decision 750(XXXIII) of February 2020 adopted the staffing structure.

### Structure

AOSTI is a specialised technical office of the AU operating under the AUC Department of Education, Science, Technology and Innovation (ESTI).

Officer in charge (Acting Director of the AUC Department of Education, Science, Technology and Innovation): Hambani Masheleni, Zimbabwe

### Purpose

The aim of the Pan African University (PAU) is to:

- Establish continental institutions that promote high-quality training, research and innovation within Africa
- Ensure a steady nurturing of new ideas and a continuous injection of highly skilled human resources to meet the developmental needs of the continent.

The University is a network of post-graduate (master's and doctoral) teaching and research institutions within selected high-quality universities in the five geographic regions of Africa. It promotes student mobility in Africa and facilitates intra-regional networking for academic researchers. Its guiding principles include academic freedom; autonomy and accountability; quality assurance; promotion of African integration through the mobility of students and academic and administrative staff; and the development of collaborative research linked to the challenges facing the African continent. The University comprises five thematic institutes:

- Institute for Basic Sciences, Technology and Innovation (PAUSTI), hosted by the Jomo Kenyatta University of Agriculture and Technology in Kenya (Eastern Africa)
- Institute for Life and Earth Sciences (including Health and Agriculture) (PAULESI), hosted by the University of Ibadan in Nigeria (Western Africa)
- Institute for Governance, Humanities and Social Sciences (PAUGHSS), hosted by the University of Yaoundé II in Cameroon (Central Africa)
- Institute for Water and Energy Sciences (including Climate Change) (PAUWES), hosted by the University of Tlemcen in Algeria (Northern Africa)
- Institute for Space Sciences (PAUSS), to be hosted by the Cape Peninsula University of Technology in South Africa (Southern Africa).

As of January 2022, four of the five institutes were operational. PAUSS was yet to become operational.

PAU students are admitted on a competitive basis from all African countries, with no more than 20 percent from the host country and with gender balance taken into consideration.

Full scholarships are offered and include an agreement with the AUC that recipients will work in Africa upon the completion of their studies for at least the same length of time as their scholarship. Students are awarded joint degrees from PAU and the host universities. Between 2012 and 2021, 2279 students had been admitted and a total of 1237 had graduated.

### Evolution

In July 2010, the AU Assembly decided to establish the University ([Assembly/AU/Dec.290\(XV\)](#)). This followed the start of the Second Decade of Education for Africa 2006–15 ([Assembly/AU/Dec.92\(VI\)](#)) and the Consolidated Plan of Action for Science and Technology in Africa 2008–13 ([Assembly/AU/Decl.5\(VIII\)](#)), as well as the endorsement of PAU as an academic network of existing post-graduate and research institutions by the fourth Ordinary Session of the AU Conference of Ministers of Education (COMEDAF IV) in 2009. The AU Assembly approved the PAU concept in July 2011 ([Assembly/AU/Dec.373\(XVII\)](#)), and in January 2012 requested the AUC to operationalise PAU ([Assembly/AU/Dec.391\(XVIII\)](#)). The Assembly adopted the PAU Statute in January 2013 ([Assembly/AU/Dec.451\(XX\)](#)) and the amended [Statute](#) in January 2016 ([Assembly/AU/Dec.589\(XXVI\)](#)).

In January 2015, the AU Assembly designated Cameroon as the host country of the PAU Rectorate ([Assembly/AU/Dec.552\(XXIV\)](#)). An official relocation ceremony was held in Yaoundé, Cameroon, on 31 July 2018.

The PAU Rectorate also hosts the Pan African Virtual and e-University (PAVeU), which was endorsed by the AU Executive Council in January 2018 as the open, distance and e-learning arm of PAU ([EX.CL/Dec.987\(XXXII\)Rev.1](#)).

### Structure

The AU Assembly has the overall responsibility for overseeing the PAU. The AUC department working to support the PAU's establishment and operationalisation is the Department of Education, Science, Technology and Innovation (ESTI). The revised PAU [Statute](#) provides that the major PAU organs are the:

- Council: the highest governing body comprising 33 members. In February 2020, the AU Assembly decided to delegate its authority to appoint the President and Vice-President to the AU Executive Council ([Assembly/AU/Dec.760\(XXXIII\)](#)). All other members are appointed by the Chairperson of the AUC for three-year terms, renewable once. The Council held its inaugural meeting in June 2015
- Rectorate: headed by the PAU Rector (the PAU Chief Executive Officer), who is appointed by the Chairperson of the AUC upon recommendation of the PAU Council for a five-year term, renewable once
- Senate: in charge of academic affairs, research and innovative activities. The Senate first met in May 2017
- Directorates of Institutes: headed by institute directors appointed by the Rector in consultation with the Council and the respective host universities
- Boards of Institutes: supervise, guide and support the Directorates in the management and administration of the Institutes.

Interim Secretary General: Angeline Simana, Namibia (appointed in January 2022)

### **Purpose**

AFCAC is a specialised agency of the AU on all matters of civil aviation. Its responsibilities include coordinating civil aviation matters in Africa and cooperating with the International Civil Aviation Organization (ICAO) and all other relevant bodies involved in the promotion and sustainable development of civil aviation in Africa. AFCAC provides Member States' civil aviation authorities with a framework for cooperation on civil aviation issues, and it promotes coordination, better use and orderly development of African air transport systems. AFCAC's vision is to "foster a safe, secure, efficient, cost-effective, sustainable and environmentally friendly civil aviation industry in Africa".

### **Evolution**

AFCAC was created by the 1964 Constitutional Conference in Addis Ababa, Ethiopia, jointly convened by the ICAO and the Organization of African Unity (OAU, the AU's predecessor). It began functioning in 1969. AFCAC's Constitution was adopted by the OAU in 1969, and

it became a specialised agency in 1978. The AU adopted revised constitutions in 2003 and 2009. The 2009 Constitution included entrusting AFCAC with the functions of executing agency for implementation of the Yamoussoukro Decision (1999) on the liberalisation of air transport in Africa.

In January 2018, the AU Assembly officially launched the establishment of the Single African Air Transport Market (SAATM), within the framework of Agenda 2063 ([Assembly/AU/Dec.665\(XXX\)](#)). It also adopted the Yamoussoukro Decision regulatory and institutional texts, that is, the Competition and Consumer Protection Regulations and the Regulations on the Powers, Functions and Operations of the Executing Agency, entrusted to AFCAC.

As of December 2021, 35 African countries had signed the Declaration of Solemn Commitment towards the establishment of SAATM ([Assembly/AU/Decl.1\(XXIV\)](#) of January 2015).

### Structure

Membership of AFCAC is open to all African states, and it is governed by a plenary meeting of all members. The AFCAC structure includes a **bureau**, made up of the President and five Vice-Presidents (one for each geographical region of the AU). The ICAO African Group Coordinator attends meetings of the Bureau in an ex officio capacity. The Secretariat is headed by the Secretary General. Further details can be found at [www.afcac.org](http://www.afcac.org).

Its vision is "A sustainable, interconnected and affordable air transport industry in Africa, where African airlines become key players and drivers to African economic development". AFRAA membership comprises all the major intercontinental African operators, representing more than 85 percent of total

international traffic carried by African airlines. See the AFRAA website under 'About Us' for information about strategic objectives.

### Evolution

AFRAA was founded in Accra, Ghana, in 1968, and is now headquartered in Nairobi, Kenya. It has been instrumental in developing and articulating air transport policy issues in Africa and helping to build the industry. AFRAA has also been instrumental in lobbying African governments, the AU, the African Civil Aviation Commission (AFCAC) and other regional and sub-regional organisations on actions to be taken to develop an efficient air transport system.

### Structure

The General Assembly is AFRAA's highest policy-making body. It is composed of chief executives of member airlines and is presided over by the President of the Association. The Executive Committee is composed of 12 members who exercise executive authority. Nine of the members are elected on a sub-regional basis from among airline member chief executives and the others are exofficio members, with voting rights, who are members of the International Air Transport Association (IATA) Board of Governors. The function of the Executive Committee is to ensure supervision of the affairs, funds and property of the Association, and to formulate and determine policies within the framework of the articles of the Association and by-laws and resolutions adopted by the General Assembly. As of January 2022, there were 44 airline members, which are listed on the AFRAA [website](#). Executive Director: Rashid Ali Abdallah, Sudan (appointed in July 2018)

### Purpose

AFREC is mandated to assist Member States on sub-regional, regional and continental levels to develop energy policies, strategies, research and plans based on development priorities, and recommend their implementation; design, create and update a continental energy database and facilitate rapid dissemination and exchange of information; develop trade and transit of energy goods and services; and mobilise financial support and capacity building for the energy sector.

### Evolution

AFREC was established by OAU decision 167(XXXVII) of July 2001, which established the Convention of the Commission. The Convention entered into force on 13 December 2006 and was officially launched in February 2008. As of February 2022, 35 Member States had ratified the Convention (see <https://au.int/en/treaties>).

### Structure

AFREC is a specialised technical energy agency under the AUC Department of Infrastructure and Energy. Its governance structure comprises the Conference of ministers or authorities responsible for energy as the highest authority, which is the STC on Transport, Transcontinental and Interregional Infrastructure, and Energy (STC-TTIIIE); an executive board; the Secretariat; and a technical advisory body.

The Board of Directors comprises 15 senior energy experts representing Member States, elected on the basis of rotating geographical representation and serving two-year terms, and a senior energy expert representing the AUC. The Board may also include an ex officio representative from each of the following organisations: Regional Economic Communities (RECs); Association of Power Utility for Africa (APUA); African Development Bank (AfDB); and the UN Economic Commission for Africa (ECA). The Executive Director serves as Secretary to the Board.

The Technical Advisory Body comprises representatives of the RECs and AU/ECA/AfDB/UN agencies operating in the energy sector, as well as relevant regional and sub-regional entities dealing with energy as the World Energy Council (WEC).

AFREC fulfils its mandate through five main pillars/thematic areas that form part of its new strategy, as approved by the STC-TTIIIE in April 2019: the Africa Energy Information System (AEIS); Bioenergy Development Programme; Africa Energy Efficiency Programme; Oil and Gas Programme; Capacity Building Programme; and the Energy Transition Programme.

### Purpose

AFCONE works to promote and enhance the peaceful application of nuclear science and technology for socio-economic development, and to foster regional and international cooperation in peaceful applications as well as nuclear disarmament and non-proliferation.

### Evolution

AFCONE was established in line with article 12 of the African Nuclear-Weapon-Free Zone Treaty (Treaty of Pelindaba, 1996) as a mechanism to ensure State Parties' compliance with their treaty obligations. The Treaty entered into force in July 2009. The first Conference of State Parties, held in 2010, elected the first AFCONE.

The African Nuclear-Weapon-Free Zone Treaty prohibits the research, development, manufacture, stockpiling, acquisition, testing, possession, control or stationing of nuclear weapons, as well as the dumping of radioactive waste. As of December 2021, 42 Member States had ratified the Treaty (see <https://au.int/en/treaties> for the full list).

### Structure

AFCONE, as the African Nuclear-Weapon-Free-Zone Treaty body, is the AU specialised agency for nuclear activities on the continent. It comprises 12 State Parties that serve three-year terms and report to the Conference of State Parties. Each of these 12 State Parties is represented by a commissioner with experience in the areas of nuclear science and technology, diplomacy and security. The 12 State Parties are elected by the Conference of State Parties with due regard to equitable regional representation and national development in nuclear science and technology. AFCONE is headed by an executive secretary.

### Meetings

AFCONE usually meets in annual ordinary sessions, the Bureau at least two times a year, and the Conference of State Parties at least once every two years. The fifth Conference was scheduled to be held at the AUC Headquarters in Addis Ababa, Ethiopia, from 27 to 28 April 2022. The opening session was held in April 2021 in Midrand, South Africa.

AFCONE presents a report to the AU Peace and Security Council (PSC) in April each year on the implementation of the Pelindaba Treaty provisions.

### AFCONE members (12)

Elected at the first Extraordinary Session of the Conference of States Parties (CSP) in June 2018. The incoming Commission was scheduled to be elected during the 5th CSP in 2022. The new Bureau was scheduled to be elected by the new Commission during its first session, planned for June 2022.

## African Minerals Development Centre (AMDC)

The main objectives of AMDC will be to support AU Member States and their national and regional organisations to promote the transformative role of mineral resources in the development of the continent, and to ensure that Africa's interests and concerns in the sector are articulated and internalised throughout the continent for the benefit and prosperity of all. In addition, AMDC will support the AUC Department of Economic Development, Trade, Tourism, Industry and Minerals (ETTIM) in coordinating the domestication and implementation of the Africa Mining Vision (AMV). The Centre's Statute was adopted by the AU Assembly in January 2016 ([Assembly/AU/Dec.589\(XXVI\)](#)). In July 2018, the Assembly decided that the Centre would be hosted by Guinea ([Assembly/AU/Dec.697\(XXXI\)](#)). Email: [ibar.office@au-ibar.org](mailto:ibar.office@au-ibar.org)  
Website: [www.au-ibar.org](http://www.au-ibar.org)

Acting Director: Nick Nwankpa, Nigeria

#### Purpose

The mandate of AU–IBAR is to support and coordinate the sustainable development and use of animal resources (livestock, fisheries and wildlife) to enhance nutrition and food security and contribute to the wellbeing and prosperity of people in AU Member States. AU–IBAR also supports, amongst other things, the formulation, consensus building and promotion of Common African Positions within the global animal resources arena.

#### Evolution

AU–IBAR was originally established as the Inter-African Bureau of Epizootic Diseases (IBED) in 1951 to coordinate the study and control of rinderpest (also known as cattle plague), which was declared eradicated in 2011. IBED became the Inter-African Bureau for Animal Health (IBAH) in 1956, which in 1965 became a regional technical office of the OAU. In 1971, the OAU Council of Ministers agreed to the organisation being renamed IBAR and for its mandate to be expanded to include other animal resources issues. In 2003, IBAR was affiliated to the then AUC Department of Rural Economy and Agriculture (DREA) and became AU–IBAR. Over the decades, the functions of AU–IBAR have progressively expanded from an initial focus on one disease to its current role in addressing a broad spectrum of activities, including animal health, animal production, the one health initiative, animal welfare, ecosystems management, fisheries and aquaculture, food safety, apiculture, and the trade and marketing of animals and animal products. Today, AU–IBAR works with stakeholders at all levels to improve capacity for adaptive research in animal resources and for acquisition, interpretation and sharing of knowledge for decision making.

#### Structure

AU–IBAR is a specialised technical office of the AUC. It is headed by a director who reports to the AUC through the Department of Agriculture, Rural Development, Blue Economy and Sustainable Environment (ARBE), the successor to DREA. As of March 2022, there were 17 regular and 20 fixed-term staff.

The approved structure also provides for a steering committee to guide AU-IBAR. The Committee comprises representatives of Member States; the AUC; AU Scientific, Technical and Research Commission (AU-STRC); Regional Economic Communities (RECs); and independent technical experts and international technical partners (the Food and Agriculture Organization (FAO), World Organisation for Animal Health (OIE) and International Livestock Research Institute (ILRI)). The Pan African Veterinary Vaccine Centre (AU-PANVAC), Pan African Tsetse and Trypanosomiasis Eradication Campaign (AU-PATTEC) and development partners participate as observers. The Steering Committee Chair is the Commissioner for ARBE. In addition to the Steering Committee, a client group serves as a mechanism for strategic programme reviews and planning. The group is composed of ministers/permanent secretaries responsible for livestock; directors of veterinary services, animal production and fisheries; private sector operators; deans of veterinary tertiary institutions; chairpersons of veterinary statutory bodies; and women and youth networks.

AU-IBAR hosts the Secretariat of the International Scientific Council of Trypanosomiasis Research and Control (ISCTRC); the Standards and Trade Secretariat for Animal Health and Food Safety; the Secretariat of the Specialised Technical Committee on Agriculture, Rural Development, Water and Environment (STC-ARDWE) Sub-Committee on Fisheries and Aquaculture; the African Women in Animal Resources Farming and Agribusiness Network (AWARFA-N) Secretariat; and the African Apiculture Platform Secretariat.

### Purpose

AU-IAPSC is a resource and information centre for phytosanitary and plant protection activities in Africa, aimed at improving human livelihoods, food and feed security and rural economies. The Council's role is to coordinate the exchange of information amongst African countries about plant health and to ensure an effective management system to combat organisms harmful to plants and plant products.

### Evolution

IAPSC evolved from the Inter-African Phytosanitary Commission, which was created in 1956 in line with a Food and Agriculture Organization (FAO) recommendation for regional plant protection organisations to be established across the globe. The Commission was based in London and became part of the Technical Cooperation Committee in Africa (TCCA) in 1960. In 1965, the Commission became a part of the Scientific, Technical and Research Commission (STRC) and its activities were extended to cover all African Member States. The Commission's offices were transferred from London to Yaoundé, Cameroon, in 1967 following a host agreement between the OAU and the Government of Cameroon. The Commission became the Inter-African Phytosanitary Council in April 1969, fully managed by the OAU Secretariat and Member States.

## Structure

The IAPSC General Assembly is the Council's supreme organ. It is made up of AU Member States' national plant protection organisations (NPPOs) and defines IAPSC's major guidelines. The Steering Committee is composed of members of the Regional Economic Communities (RECs), representatives of the NPPOs and donor partners. The Committee's permanent members can co-opt relevant organisations onto the Committee. IAPSC is a specialised technical office of the AU under the Department of Agriculture and Rural Development (ARD).

## Meetings

The General Assembly usually meets every two years, most recently in April 2021, while the Steering Committee meets annually, most recently in March 2022.

## Semi-Arid Food Grain Research and Development (AU-SAFGRAD)

or [SayahE@africa-union.org](mailto:SayahE@africa-union.org)

Coordinator: Ahmed Elmekass, Egypt

## Purpose

AU-SAFGRAD's role is to coordinate and provide support to AU Member States in building resilience through mitigating climate-related challenges that impact on agricultural and rural livelihoods in Africa. Its vision is to accelerate the growth of agriculture by promoting the adoption and use of climate-smart, productivity-enhancing technologies and building institutional capacities. AU-SAFGRAD focuses on agricultural research, technology transfer, marketing, development of competitive agricultural value chains, management of natural resources, engagement of non-state actors, capacity and knowledge management systems, mitigation and adaptation to climate change, combating desertification, policy development and information dissemination.

## Evolution

African Heads of State and Government created the SAFGRAD office in 1977 to respond to episodes of recurring droughts, the lack of climate-smart and productivity-enhancing technologies to improve agricultural production in semi-arid agro-ecosystems, and the food security crisis of the 1970s. With the advent of the AU in 2002, the Executive Council expanded the mandate of SAFGRAD to address the challenges of improving agricultural production in semi-arid zones. In addition, the Executive Council requested that SAFGRAD be institutionalised as a specialised agency for food security and sustainable agriculture, to enable the AU to streamline tasks and play a key role in improving the livelihoods of rural households by accelerating the growth of agriculture. SAFGRAD became a specialised technical office of the AU in 2003 under the then Department of Rural Economy and Agriculture (DREA).

In October 2010, the Conference of African Ministers of Agriculture, held in Lilongwe, Malawi, requested that SAFGRAD work on access to and management of land and water, production, productivity, technology and innovation, interaction of climate change and desertification, market opportunities, policies and institutions, as well as lead the formulation of programmes to improve livelihoods in semi-arid Africa. In 2014, AU Member States requested that SAFGRAD provide an effective platform for guidance, experience sharing and coordination among existing African centres of excellence on desertification. As part of the 2019–23 strategic plan, SAFGRAD focuses its interventions on the promotion of agricultural research and development to build the resilience of smallholder households to climate-related shocks

## Structure

SAFGRAD is headed by a coordinator who reports to the AUC through the Department of Agriculture, Rural Development, Blue Economy and Sustainable Environment (ARBE). A multi-stakeholder steering committee provides technical oversight and guidance.

Website: <http://aupanvac.org>

Director: Nick Nwankpa, Nigeria

### Purpose

AU-PANVAC was founded on the belief that livestock health in Africa, especially with regard to major infectious vaccine-preventable animal diseases, can be substantially improved by the use of good quality vaccines and good laboratory diagnostics. The mandate of PANVAC is to provide international, independent quality control of veterinary vaccines; promote the availability of safe, effective and affordable veterinary vaccines and diagnostic reagents; facilitate the development, transfer and introduction of improved or new vaccines; and strengthen Africa's capacity in building veterinary vaccine development, production and quality assurance. As a contribution to the 'One Health' approach, the Centre put in place infrastructure for COVID-19 testing in 2020 and has been involved in COVID-19 research.

### Evolution

PANVAC was first established in 1986 by the Food and Agriculture Organization (FAO) as two regional vaccine quality control and training centres, one in Debre-Zeit, Ethiopia, and one in Dakar, Senegal. In 1993, the two centres were merged into a single structure, which became the Pan African Veterinary Vaccine Centre to reflect its pan-African nature. In 1998, in view of the importance of livestock production to the African economy and the significant impact of PANVAC on the eradication of rinderpest (the most devastating disease in livestock) in Africa, the OAU Council of Ministers decided to elevate PANVAC to the status of an OAU specialised agency. In December 2004, the AU Executive Council approved the structure of PANVAC as a regional technical centre under the then Department of Rural Economy and Agriculture (DREA).

### Structure

PANVAC is a specialised technical regional office of the AUC. It is headed by a director who reports to the AUC through the Department of Agriculture, Rural Development, Blue Economy and Sustainable Environment (ARBE, the successor to DREA). PANVAC has been designated as a World Organisation for Animal Health (OIE) and FAO reference laboratory for quality control of veterinary vaccines and training. PANVAC is also designated as a rinderpest holding facility by the OIE and FAO.

### Meetings

PANVAC usually holds a Pan-African meeting of directors of vaccine-producing laboratories every two years and a steering committee meeting in alternate years.

Acting Coordinator: Gift Wanda

### Purpose

PATTEC's role is to initiate and coordinate campaign activities for tsetse and trypanosomiasis (T&T) eradication. This includes creating T&T-free areas in affected countries and ensuring those areas are managed sustainably, equitably and economically.

### Evolution

PATTEC was established following the adoption of decision [AHG/Dec.156\(XXXVI\)](#) by African Heads of State and Government during the July 2000 OAU Summit held in Lomé, Togo. The PATTEC coordination office was established in 2002.

### Structure

PATTEC is a specialised technical office of the AUC. It is headed by a coordinator who reports directly to the AUC through the Department of Agriculture, Rural Development, Blue Economy and Sustainable Environment (ARBE). PATTEC works with national and regional focal points and is supported by international organisations, research and higher learning institutions and other partners, as well as its regional and national coordination offices that are responsible for planning, coordinating, monitoring and evaluating projects and mobilising resources. PATTEC's activities are overseen by a steering committee composed of international, regional and national experts in the tsetse, trypanosomiasis and rural development fields. PATTEC is also supported by technical advisory forums composed of representatives of relevant international and regional organisations and other stakeholders, including the International Scientific Council of Trypanosomiasis Research and Control (ISCTRC).

### Meetings

PATTEC's coordinators/focal points and its Steering and Mobilisation Committee usually meet annually. PATTEC also holds regular consultative meetings and training workshops.

Twitter: [@ARCCapacity](https://twitter.com/ARCCapacity)

Director General: Ibrahima Cheikh Diong, Senegal (appointed in June 2020 by the ARC Agency Conference of the Parties)

### Purpose

The ARC is a pan-African mechanism designed to improve the efficiency of emergency responses to extreme weather events and natural disasters such as droughts, floods and tropical cyclones ([Assembly/AU/Dec.417\(XIX\)](#)). The work of ARC is undertaken by two entities: the ARC Agency, a specialised agency of the AU, established by a treaty; and its affiliated financial entity, the ARC Insurance Company Limited (ARC Ltd), an insurance company organised under the national law of Bermuda.

The ARC Agency provides the overall strategic and governance guidance of ARC; provides services and support to Member States in developing and strengthening their abilities and resources to respond to extreme weather events; prepares Member States for participation in ARC Ltd; and approves and monitors operational plans and the use of insurance payouts. ARC Ltd handles ARC's risk pooling and risk transfer activities, including: providing index-based insurance coverage for ARC Agency Member States against extreme weather events and natural disasters; financially managing that portfolio of insurance risk; and transferring risk to the reinsurance and capital markets as required. Satellite weather surveillance software called *Africa RiskView*, developed by the ARC Agency, is used to estimate needs and trigger index-based insurance payouts to participating countries (see the ARC [website](#) for more information).

### Evolution

The ARC was endorsed by the AU Assembly at its July 2012 [Summit](#). The Agreement for the Establishment of the African Risk Capacity (ARC) Agency (the ARC [Treaty](#)) was adopted on 23 November 2012 by a Conference of Plenipotentiaries convened by the AUC in collaboration with the ARC Secretariat and attended by representatives of 41 AU Member States.

The ARC Treaty fully entered into force in 2020, when the 10th instrument of ratification was deposited. As of December 2021, the Treaty had been signed and ratified by 35 and 11 AU Member States respectively (see <https://au.int/en/treaties>).

### Structure

Under article 14 of the ARC Treaty as amended, the ARC's operations are overseen by the Group Board, composed of five members, each with one alternate, elected by the Conference of the Parties; one member appointed by the AU Chairperson and one member appointed by AU Chairperson in consultation with the World Food Programme (WFP); the Director General of the ARC Agency and the Chief Executive Officers of the ARC subsidiaries or affiliated entities without the right to vote; the Chairpersons of the Boards or similar organs of the ARC Agency subsidiaries or affiliated entities; and up to four additional members appointed by the Conference of the Parties in recognition of funding agreements and to give effect to any arrangements entered into under article 21 of the Agreement. The Group Director General is appointed by the Conference of the Parties and leads the Secretariat, which also comprises management, technical and government outreach teams. Both the Group Board and the Secretariat report to the Conference of the Parties, which is the agency's supreme organ and is composed of the ARC Treaty signatories.

ARC Group Board Chairperson: Mothae Anthony Maruping, Lesotho (since October 2021)

ARC Group Board Vice-Chairperson: Abdoulie Janneh, Gambia (since October 2021)

Executive Secretary: Zainab Ali-Kotoko, Nigeria (appointed in July 2019 for five years)

## Purpose

CISSA is a continent-wide forum for multilateral cooperation on intelligence and security matters. Its main purpose is to assist the AU and its institutions to effectively address security challenges confronting Africa. CISSA was conceived as a mechanism to facilitate dialogue, analysis, knowledge sharing, coordination and adoption of common strategies among intelligence and security organisations in Africa. Fifty-two African states are members.

## Evolution

CISSA was established by the heads of African intelligence and security services in August 2004 in Abuja, Nigeria, and endorsed at the January 2005 AU Summit (*Assembly/AU/Dec.62(IV)*). The same Assembly decision provided for CISSA to communicate with the AU through the AUC's Intelligence and Security Committee (the CISSA Liaison Unit since 2021), located in the Office of the Chairperson of the Commission. In August 2015, the AUC and CISSA Chairpersons signed a memorandum of understanding to strengthen the relationship between the two entities.

## Structure

CISSA has three permanent bodies: the Conference, composed of heads of intelligence and security services who meet annually under a chairperson; Panel of Experts, composed of representatives from each CISSA Member State who prepare for conference meetings; and the Secretariat, based in Addis Ababa, Ethiopia, and staffed, on the principle of equitable regional representation, by officers recruited from CISSA member intelligence and security services. The Secretariat is headed by an executive secretary elected by the Conference for a five-year term.

Facebook: [www.facebook.com/AUACSRT](https://www.facebook.com/AUACSRT)

Acting Director: Idriss Mounir Lallali, Algeria

### **Purpose**

ACSRT is mandated to build the capacity of the AU and its Member States to prevent and counter violent extremism and terrorism on the continent, in order to achieve peace, security, stability and development in Africa. The Centre is also known by its French name Centre Africain d'Etudes et de Recherche sur le Terrorisme (CAERT).

The Centre has a primary responsibility to conduct study and research on terrorism and violent extremism, and develop strategic counter-terrorism policy options and operational plans for consideration by policy makers. The Centre conducts training, workshops, seminars and symposia as part of its capacity-building mandate. It also maintains a database of terrorist groups and their activities in Africa, as well as a list of resource persons with counter-terrorism expertise on the continent. The research, studies and analysis of the Centre are disseminated in the form of early warning messages and in various publications, including the *African Journal on Terrorism*, occasional papers, policy briefs, preliminary technical analyses, monthly terrorism fact sheets, quarterly *Terrorism Bulletin*, mid-year trend analyses and annual terrorism situation analysis reports.

For purposes of coordination across the continent, AU Member States and the Regional Economic Communities (RECs) maintain the system of national and regional focal points respectively for the Centre. The ACSRT Director, who doubles as the AU Special Representative for Counter-Terrorism Cooperation, is also required to liaise with international partners, institutions and bodies with similar objectives, to foster cooperation and support for the AU and ACSRT counter-terrorism effort.

### **Evolution**

ACSRT was inaugurated on 13 October 2004, with headquarters in Algiers, Algeria. The establishment of ACSRT is as constituted under section H, paragraphs 19 to 21, of the AU Plan of Action on the Prevention and Combating of Terrorism and in line with decisions adopted by the AU Assembly and Executive Council (see [Assembly/AU/Dec.15\(II\)](#) of July 2003, [EX.CL/Dec.13\(II\)](#) of March 2003, [EX/CL/Dec.82\(IV\)](#) of March 2004 and [EX.CL/Dec.126\(V\)](#) of June–July 2004).

## Structure

ACSRT is a specialised agency of the AUC. The Centre has an advisory board that is appointed by the Chairperson of the Commission. The Board is composed of one representative from each of the five AU regions and one from each of the RECs, drawn from the Centre's focal points. Board Members serve a renewable one-year term. The Centre is headed by the Director, who is responsible for the day-to-day running of its affairs. Administratively, the Centre is part of the AUC Department of Political Affairs, Peace and Security (PAPS). The Director reports to the Chairperson of the Commission through the Commissioner for PAPS.

Email: [Afripol@Africa-Union.org](mailto:Afripol@Africa-Union.org)  
Website: <https://afripol.africa-union.org>

Director: Tarek A Sharif, Libya

### Purpose

AFRIPOL is a specialised institution for cooperation among the police agencies of AU Member States. Its statutes were adopted by the AU Assembly in January 2017 ([Assembly/AU/Dec.636\(XXVIII\)](#)).

A priority for AFRIPOL is strengthening the African Police Communication System (AFSECOM), which provides secure and reliable communication between and among the police agencies of Member States, by expanding its technical capacities to store and share data. The effective functioning of AFRIPOL working groups against cybercrime, terrorism and transnational organised crime also remains key.

The International Criminal Police Organization (INTERPOL) Support Program for the African Union in Relation to AFRIPOL, which started in 2020, provides opportunities for the two organisations to cooperate in key areas, including fighting criminal networks (cybercrime, terrorism and organised crime) and criminal intelligence analysis. AFRIPOL also continues to strengthen cooperation with similar international organisations such as the European Union Agency for Law Enforcement Cooperation (EUROPOL), Association of Southeast Asian Nations Chiefs of Police (ASEANAPOL), Police Community of the Americas (AMERIPOL) and the Gulf Cooperation Council police agency (GCCPOL). This is in recognition of the fact that crime is increasingly a global threat.

### Structure

The structure of AFRIPOL consists of the General Assembly as the supreme technical and deliberative organ; the Steering Committee as the executive body responsible for implementing the decisions of the General Assembly; the Secretariat; and AFRIPOL National Liaison Offices, which are national points of contact in the Member States that will enable the smooth running of AFRIPOL. The staffing structure was adopted by the AU Assembly in February 2020 (see [Assembly/AU/Dec.750\(XXXIII\)](#) and [EX.CL/Dec.1073\(XXXVI\)](#)).

## African Union Centre for Post-Conflict Reconstruction and Development (AUC-PCRD)

Headquarters: Cairo, Egypt  
Executive Secretary: vacant

The Centre was officially **launched** on 21 December 2021 in Cairo, Egypt. It will serve as the AU's specialised technical agency for the implementation, monitoring and evaluation of

post-conflict reconstruction and development (PCRD) programmes and projects in countries emerging from conflicts.

The mandate of the Centre focuses on providing technical support towards the implementation of the AU PCRD Policy Framework, which was adopted at the Banjul Summit in 2006 (see [EX.CL/Dec.302\(IX\)](#) and [Assembly/AU/Dec.120\(VII\)](#)). The AU Assembly decided in July 2018 that Egypt would host the Centre (see [Assembly/AU/Dec.351\(XVI\)](#) of January 2011, [Assembly/AU/Dec.710\(XXXI\)](#) of July 2018 and [Assembly/AU/Dec.729\(XXXII\)](#) of February 2019). In February 2020, the Assembly adopted the AUC-PCRD staffing structure (see [Assembly/AU/Dec.750\(XXXIII\)](#) and [EX.CL/Dec.1073\(XXXVI\)](#)).

Acting Director: Ahmed Ogwel Ouma, Kenya (since May 2022)

#### Purpose

The Africa CDC supports all African countries to improve surveillance of, emergency response to and prevention of infectious diseases. This includes addressing outbreaks (human-made and natural-disaster-related) and public health events of regional and international concern. It seeks to build capacity to reduce disease burden on the continent.

The Africa CDC has been leading COVID-19 pandemic response initiatives in Africa since early 2020. See [www.africacdc.org](http://www.africacdc.org) and <https://au.int/en/covid19> for the latest information. The Africa CDC has continued to support responses to Ebola outbreaks in DR Congo and Guinea, as well as working with AU Member States on other public health issues such as cholera, Lassa fever, HIV and AIDS, tuberculosis, malaria, hepatitis and non-communicable diseases.

Information about the Africa CDC's strategic objectives and activities is on the website [www.africacdc.org](http://www.africacdc.org).

#### Evolution

The January 2015 AU Assembly endorsed the establishment of the Africa CDC ([Assembly/AU/Dec.554 \(XXIV\)](#)). The first Governing Board meeting, held in May 2016, endorsed [Egypt](#), [Gabon](#), [Kenya](#), [Nigeria](#) and [Zambia](#) as the five Regional Collaborating Centres (RCCs).

The Africa CDC was launched in January 2017 as a specialised technical institution of the AU. In February 2022, the AU Assembly recommended the Africa CDC become an autonomous body of the Union. The Assembly delegated its authority to the Executive Council to consider during its next session the endorsement of amendments to the Africa CDC Statute on this and other matters (see [Assembly/AU/Dec.835\(XXXV\)](#) and [EX.CL/Dec.1146\(XL\)](#) of February 2022).

## Structure

The Africa CDC **Statute**, articles 8–21, provides for the following structure:

- **Governing Board:** a 15-member deliberative organ, answerable to the Specialised Technical Committee (STC) on Health, Population and Drug Control. The Board elects a chairperson and vice-chairperson from among African Ministers of Health.
- **Advisory and Technical Council:** a 23-member council comprising one representative from each of the five Africa CDC RCCs; five representatives from national public health institutes or laboratories or related institutions; one representative each from the ministries of health of five Member States; representatives of two African health networks; representatives of two AU specialised and technical offices and institutions (medical services and the AU–Inter-African Bureau for Animal Resources (AU–IBAR)); one representative of a regional health organisation; two World Health Organization (WHO) representatives; and one representative of the World Organisation for Animal Health (OIE). Members of the Council serve non-renewable three-year rotating terms where applicable. A chairperson and vice-chairperson are elected for non-renewable two-year terms.
- **Secretariat:** headed by a director appointed by the AUC, following approval by the Africa CDC Governing Board, for a four-year term renewable only once. The Director also serves as secretary to the Board and Council.

## AIDS Watch Africa (AWA)

Website: <https://au.int/en/sa/awa> and [www.aidswatchafrica.net](http://www.aidswatchafrica.net)

Facebook: [www.facebook.com/aidswatchafrica](http://www.facebook.com/aidswatchafrica)

Twitter: [@aidswatchafrica](https://twitter.com/aidswatchafrica)

AWA is a statutory entity of the AU with the specific mandate to lead advocacy, resource mobilisation and accountability efforts to advance a robust African response to end AIDS, tuberculosis (TB) and malaria by 2030.

AWA was created following a special summit of African Heads of State and Government in April 2001 in Abuja, Nigeria, to address the challenges of HIV/AIDS, TB, malaria and other related infectious diseases. The special summit followed a decision by the OAU Assembly at its July 2000 Summit, held in Lomé, Togo, to take a strong stance against these diseases (AHG/Decl.2 (XXXVI) and AHG/Decl.3 (XXXVI)). AWA's work is driven by the Abuja Declarations and, broadly, the Africa Health Strategy (2016–30); the Catalytic Framework to end AIDS, TB and eliminate malaria by 2030; and the Sustainable Development Goals 2030. AWA has also been leading on a health financing initiative since 2019, with the President of Rwanda, Paul Kagame, as Champion.

The AWA Heads of State and Government Action Committee (AWA Action Committee), composed of all 55 AU Member States, serves as the primary structure of AWA and is scheduled to convene annually. The Committee most recently met in 2019. The AWA Consultative Committee of Experts is scheduled to convene in June 2022 in Dakar, Senegal, to provide a report for consideration by Heads of State and Government.

The AU Chairperson serves as the AWA Chairperson for statutory meetings with Member States. The Secretariat is located within the AUC.

## African Medicines Agency (AMA)

The **Treaty** for the establishment of the African Medicines Agency (AMA) was adopted in February 2019 by the 32nd Session of the Assembly of Heads of State and Government (Assembly/AU/Dec.735(XXXII)). The Treaty entered into force on 5 November 2021, 30 days after the deposit of the 15th instrument of ratification (as per article 38). The **Agency** is expected to become operational in 2022.

AMA will be the second specialised continental health agency, the other being the Africa Centres for Disease Control and Prevention ([Africa CDC](#)). The main objective of AMA is to enhance the capacity of States Parties and Regional Economic Communities (RECs) to regulate medical products in order to improve access to quality, safe and efficacious medical products on the continent. AMA will also promote the adoption and harmonisation of regulatory policies and standards for medical products, as well as providing scientific guidelines and coordinating existing regulatory harmonisation efforts in the African Union, recognised RECs and regional health organisations (RHOs).

As at 25 March 2022, 28 Member States had signed the Treaty and 19 had deposited their instruments of ratification.

Executive Secretary: Lang Fafa Dampha (since September 2015)

### Purpose

ACALAN's mandate is to contribute significantly to fostering the integration and development of Africa through the development and promotion of African languages. Its overall objectives are to:

- Promote and develop African languages in general and vehicular cross-border languages in particular, and their use as a factor of African integration and development, in partnership with the former colonial languages
- Promote convivial, functional multilingualism at all levels of society, particularly in the education sector.

Amongst recent efforts to fulfil its mandate, ACALAN developed the Dar es Salaam Framework for Action to ensure that article 25 of the AU [Constitutive Act](#), regarding the working languages of the AU, is implemented by promoting the use of Kiswahili and other regional languages. ACALAN also officially launched [African Languages Week](#) in July 2021, and the first annual week was held from 24 to 30 January 2022. For more information about these and other projects, see the ACALAN [website](#).

### Evolution

ACALAN was originally established on 19 December 2000 by the then President of Mali, Alpha Oumar Konaré, as the Mission for the African Academy of Languages (MACALAN). The Mission became the African Academy of Languages when its Statutes were adopted by the AU Assembly at its January 2006 Summit in Khartoum, Sudan ([Assembly/AU/Dec.95\(VI\)](#)).

### Structure

ACALAN is a specialised institution of the AU. Under chapter II, article 6 of its Statutes, it has five organs:

- AU Specialised Technical Committee (STC) on Youth, Culture and Sports, its supreme organ
- Governing Board, its highest policy organ
- Assembly of Academicians, its consultative organ
- Scientific and Technical Committee, its advisory organ
- Executive Secretariat, its administrative organ.

ACALAN's two working structures are the:

- National Language Structures (one in each Member State)
- Vehicular Cross-border Language Commissions (one for each vehicular cross-border language).

### Meetings

The ACALAN Statutes provide for the Governing Board to hold one statutory meeting a year (before the STC meeting), while the Assembly should meet once every two years, and the

Scientific and Technical Committee at least twice a year. The Board and Assembly may meet at ACALAN Headquarters or in any other Member State by invitation, and the Committee should meet at the AU and ACALAN Headquarters.

See the AUDA-NEPAD [website](#) for information about programmes and results.

## Evolution

The New Partnership for Africa's Development (NEPAD) was Africa's continental development vision signed up to by the OAU (now AU) Heads of State and Government Summit in July 2001 in Lusaka, Zambia. The NEPAD vision represented a pledge by African leaders, based on a common vision and shared conviction, with the goal to:

- Eradicate poverty and foster Africa's sustainable economic growth and development through the promotion of regional and continental integration
- Halt the marginalisation of Africa in global processes and enhance its full and beneficial integration into the global economy
- Accelerate the empowerment of socially disadvantaged groups, such as women and children.

The NEPAD Secretariat was set up in South Africa to champion implementation of the NEPAD vision. Through a decision of the 2010 AU Summit (*Assembly/AU/Dec.283(XIV)*), the NEPAD Secretariat was transformed into the NEPAD Planning and Coordinating Agency (NEPAD Agency). This included a change in the mandate, with the Agency formally flagged as the AU's technical implementation support agency and integrated into AU systems.

In July 2018, the Assembly endorsed the reform of the NEPAD Agency into the African Union Development Agency (AUDA-NEPAD) (*Assembly/AU/Dec.691(XXXI)*). The AUDA-NEPAD legal instruments were adopted at the July 2019 Executive Council Ordinary Session in Niamey, Niger (*EX.CL/Dec.1063(XXXV)*).

The Agency was established as a technical body of the AU with its own legal personality, including the capacity to enter into contracts; receive, acquire, own and dispose of movable or immovable assets; and institute and defend legal proceedings (Statute, article 3). The Chairperson of the AUC exercises supervisory authority (*Assembly/AU/Dec.691(XXXI)*).

## Structure

AUDA-NEPAD has four directorates, each composed of divisions as follows:

- Programme Innovation and Planning; Programme Development (design and development of innovative programmes to be implemented); Data Analytics and Research (management

of big data, statistics, accelerator labs and conduct of economic research); and Technical Cooperation and Advisory Services (development of Member States' capacity, and provision of advisory services based on knowledge products developed internally)

- Programme Delivery and Coordination: Environmental Sustainability; Human Capital and Institution Development; Industrialisation; and Economic Integration
- Knowledge Management and Programme Evaluation: Programme Evaluation (provision of independent and objective appraisals on overall programme implementation, impact and financial health); Knowledge Capitalisation and Management (knowledge generation, publications, communities of practice and knowledge dissemination); Centres of Excellence Management and Coordination (development of best practices by management of a portfolio of regional centres of excellence). The Centre of Excellence Division encompasses five regionally located centres, each with a defined thematic focus: Science, Technology and Innovation; Human Capital and Institutions Development; Supply Chain and Logistics; Rural Resources and Food Systems; and Climate Resilience and Energy
- Operations: Finance; Human Resources; Procurement; Information System Management; Enterprise Resource Planning; and Administration.

With slight modifications, the NEPAD Agency governance structures have remained the same for AUDA-NEPAD. These include the:

- AUDA-NEPAD Heads of State and Government Orientation Committee (HSGOC): a 33-Member State sub-committee of the Assembly that provides political leadership and strategic guidance on Agenda 2063 priority issues and reports its recommendations to the full Assembly for endorsement (see the Assembly [chapter](#) for more details). The Chairperson of the AUC also participates in HSGOC Summits
- AUDA-NEPAD Steering Committee: the intermediary body to interface between the HSGOC and AUDA-NEPAD, which oversees the activities of AUDA-NEPAD. The Committee is composed of the personal representatives of the Heads of State and Government of the HSGOC. In addition, a representative of the Chairperson of the AUC participates in meetings, and representatives from the eight AU-recognised RECs, African Development Bank (AfDB), UN Development Programme (UNDP), UN Office of the Special Adviser on Africa (UNOSAA) and the UN Economic Commission for Africa (ECA) participate as observers.

AUDA-NEPAD is financed through AU statutory budgets, voluntary contributions from AU Member States and support from development partners and the private sector in conformity with the African Union financial rules and regulations.

Its mission is to build strategic partnerships, offer technical support and investment, and provide access to knowledge related to capacity building in Africa.

ACBF supports capacity development initiatives for most African countries, the AU Commission and the Regional Economic Communities (RECs) with financial investment and technical support. Through its support for education, training, high-level forums and professional networks in Africa, ACBF contributes to developing: skilled public sector economists and managers; empowerment of women and youth; entrepreneurship; regional integration and trade facilitation; parliamentary oversight and accountability; and science and technology.

### Evolution

In January 2017, the AU Assembly granted ACBF the status of specialised agency of the AU for capacity development (*Assembly/AU/Dec.621(XXVIII)*), giving the Foundation the mandate to spearhead and coordinate the implementation of capacity development interventions in support of Agendas 2063 and 2030. In February 2020, the AU Executive Council directed the AU Commission to channel all departments' and organs' capacity-building-related 2020 budget to the ACBF, and requested the ACBF to accommodate the AUC as a full-time member of its Board of Governors and Executive Board (*EX.CL/Dec.1073(XXXVI)*).

### Structure

The Foundation is led by an executive secretary under the authority of the Board of Governors. The **Board** is mainly composed of African ministers of finance and/or economic planning and directors-general, vice-presidents or other high-level representatives of international development cooperation agencies. An executive board, appointed by the Board of Governors, sets guidelines, rules and procedures and approves projects and budgets.

The Executive Board has 11 voting members, three of whom are representatives of the founding sponsoring institutions while the remaining eight are independent members. Members are appointed on individual merit and primarily because of their experience and knowledge of development issues in Africa. The Executive Secretary is an ex officio member of the Board.

In addition to its headquarters in Harare, Zimbabwe, the Foundation has offices in Accra, Ghana, and Nairobi, Kenya, and representation at the AUC in Addis Ababa, Ethiopia.

## Pan African Women's Organization (PAWO)

Pretoria  
South Africa

Website: <http://pawowomen.org>

President: Eunice Lipinge, Namibia

PAWO was founded in 1962 as a premier pan-African organisation of women at the forefront of fighting for the liberation of the African continent from colonial rule, the elimination of apartheid, and the participation of African women in political decision-making structures.

The objectives of PAWO are to: strive for the effective and responsible participation of African women in the socio-economic, political and cultural development of Africa; pursue representation of women at national, regional and international levels of decision making; fight for the elimination of all forms of discrimination against women; and advance women's empowerment. The AU has identified a strategic need for collaboration with PAWO to enable the Union to strengthen its capacity to achieve the goals and aspirations of the AU's Agenda 2063 and the UN's Agenda 2030, as they pertain to women and children.

In January 2017, the AU Assembly granted PAWO the status of a specialised agency of the AU (see *Assembly/AU/Dec.621(XXVIII)* and *Ex.CL/Dec.943(XXX)*). PAWO has a memorandum of understanding with the AU, which was signed on 21 February 2019 in Addis Ababa, Ethiopia.

AFRICAN UNION HANDBOOK 2022

# **PARTNERSHIPS WITH THE AU**

# PARTNERSHIPS WITH THE AFRICAN UNION

## Partnership between the African Union and the United Nations

Partnership between the Organisation of African Unity (OAU, the AU's predecessor) and the United Nations (UN) was first formalised in a cooperation agreement in 1990. In 2001, the UN adopted the OAU's New Partnership for Africa's Development (NEPAD) as the framework for efforts toward Africa's development (see UN General Assembly resolution 57/7 of November 2001).

In November 2006, the Chairperson of the AU Commission (AUC) and the Secretary-General of the UN signed the Declaration 'Enhancing UN-AU Cooperation: Framework for the ten-year capacity building programme for the African Union' (TYCBP-AU). Partnership between the AU and UN with a focus on peace and security was formalised with the creation of the UN Office to the African Union (UNOAU) in 2010 (see UN General Assembly resolution 64/288).

The TYCBP-AU came to an end in December 2016 and the Renewed UN-AU Partnership on Africa's Integration and Development Agenda (PAIDA) 2017-27 was adopted by the UN through General Assembly resolution 71/254 of December 2016. The framework for PAIDA was adopted by the AU Assembly in June 2015 (Assembly/AU/Dec.587(XXV)). PAIDA is aligned to the AU's Agenda 2063 and the UN's Agenda 2030 as well as integrating other major socio-economic development frameworks and security.

In addition to PAIDA, the Chairperson of the AU Commission and the Secretary-General of the UN signed the Joint UN-AU Framework for Enhanced Partnership in Peace and Security in April 2017 at the first UN-AU Annual Conference. In January 2018, at the 30th AU Assembly Summit, the Chairperson and the Secretary-General signed the AU-UN Framework for the Implementation of Agenda 2063 and the 2030 Agenda for Sustainable Development. Five UN-AU annual conferences have been held, most recently in December 2021.

Following the reforms of both the AU and the UN, a new relationship is being crafted around the Regional Collaborative Platform (RCP, which unites UN entities regionally), with the secretariat being a partnership between the UN Economic Commission for Africa (ECA), UN Development Programme (UNDP) and UN Development Coordination Office (DCO). The first AU-UN Annual Meeting was scheduled to be held in May 2022, with the outcomes of the meeting feeding into the 2022 AU-UN Annual Conference.

(appointed by the UN Secretary-General in April 2017)

## Purpose

ECA is the regional arm of the UN in Africa. It was established by the UN Economic and Social Council (ECOSOC) in 1958 as one of the UN's five regional commissions (ECOSOC res. 671A (XXV) (1958)). ECA's mandate is to support the economic and social development of its Member States, foster regional integration and promote international cooperation for Africa's development.

ECA's work programme is guided by five strategic directions: building Africa's analytical capabilities; formulating macroeconomic and structural policy; designing innovative financing models; supporting regional and sub-regional transboundary initiatives; and advocating continental ideas at the global level. It works with its Member States to promote inclusive and sustainable development in support of accelerating the economic diversification and structural transformation of Africa, in line with Agenda 2063 and the 2030 Agenda for Sustainable Development. It also provides technical advisory services to African governments, inter-governmental organisations and institutions. In addition, it formulates and promotes development assistance programmes and acts as the executing agency for relevant operational projects.

ECA's work is organised around substantive programme clusters: macro-economics and governance; private sector development and finance; data and statistics; technology, climate change and natural resource management; poverty, inequality and social policy; sub-regional activities for development; gender equality and the empowerment of women; and regional integration and trade. More information is on the ECA website under 'Our Work'.

## Structure

ECA is headquartered in Addis Ababa, Ethiopia, and is headed by a UN under-secretary-general. It works with the AU through the Regional Collaborative Platform (RCP, which unites UN entities) and the Joint Secretariat Support Office (JSSO) of ECA, the AU Commission and the African Development Bank (AfDB). ECA has five sub-regional offices that work with the eight Regional Economic Communities (RECs). The offices are based in Yaoundé, Cameroon, for central Africa; Kigali, Rwanda, for eastern Africa; Rabat, Morocco, for north Africa; Lusaka, Zambia, for southern Africa; and Niamey, Niger, for west Africa. Training is carried out by the Institute of Economic Development and Planning (IDEP), based in Dakar, Senegal. ECA is also the link between the UN in Africa and the Office of Special Adviser on Africa.

## Meetings

ECA Conference of Ministers of Finance and Economic Planning sessions are held annually. The 53rd Session was scheduled to be held in Dakar, Senegal, from 11 to 17 May 2022. ECA also participates in the AU's Mid-Year Coordination meetings and continues as a member of the AU Development Agency (AUDA-NEPAD) Steering Committee.

## Membership

The geographical scope of ECA's work is the continent and islands of Africa. Membership is open to members of the UN in this region and to any state in the area that may become a member of the UN in the future. Under its terms of reference, ECA may invite UN Member States to participate in its work in a consultative capacity. Switzerland participates in a consultative capacity by virtue of ECOSOC resolution 925 (XXXIV) (1962).

UNOAU's work is guided by relevant resolutions of the UN Security Council as well as the UN–AU Joint Framework for Enhanced Partnership in Peace and Security, signed in April 2017.

The main areas of focus include conflict analysis and prevention; mediation support; strengthening capacities and collaboration in deploying and managing peace operations; strengthening collaboration in peace building and sustaining peace; and supporting efforts to enhance relations between the UN Security Council and the AU Peace and Security Council.

UNOAU has four substantive sections: Operational Planning and Advisory Service; Mission Support and Planning Service; Institutional and Operational Partnership Service; and Political Affairs.

President: Akinwumi Adesina, Nigeria (elected by the Board of Governors in May 2015; took office 1 September 2015 for a five-year term; re-elected in August 2020)

### Purpose

The African Development Bank (AfDB) Group is a multilateral development finance institution. Its overall objective is to support African countries' economic development and social

progress by promoting investment of public and private capital in projects and programmes designed to reduce poverty and improve living conditions.

The Bank is required to give special attention to national and multinational projects and programmes that promote regional integration. It also plays a leading role in the African Union Development Agency (AUDA-NEPAD), which aims to reduce the gaps that exist between Africa and the developed world, and was one of the key actors supporting negotiations for the establishment of the African Continental Free Trade Area (AfCFTA).

The Bank's **strategy** for 2013–22 outlines five main sectors: infrastructure development, regional and economic cooperation, private sector development, governance and accountability, and skills and technology. The Bank also pays particular attention to fragile states, agriculture and food security, and gender. Since 2015, the Bank has set the following five **priorities**, also known as its High 5s, to fast-track the implementation of the strategy: Light up and Power Africa, Feed Africa, Industrialise Africa, Integrate Africa, and Improve the Quality of Life for the People of Africa.

The AfDB Group comprises the following three distinct entities under one management.

### **African Development Bank (AfDB)**

The **AfDB** is the parent institution. It was established in 1963 by the then 23 newly independent African states. The Agreement establishing the AfDB was drawn up under the auspices of the UN Economic Commission for Africa (ECA) and entered into force in 1964 (see <https://treaties.un.org> under Depository, Status of Treaties, Chapter X, Agreement establishing the African Development Bank). The Bank began operations in 1966. It provides non-concessional loans to regional Member States, as well as policy advice and technical assistance to support development efforts.

### **African Development Fund (ADF)**

The **ADF** was established in 1972 and became operational in 1974. It makes concessional loans and grants to low-income regional Member States, with a primary focus on poverty reduction.

### **Nigeria Trust Fund (NTF)**

The Government of Nigeria set up the **NTF** in 1976. It makes semi-concessional loans to regional member countries.

### **Membership and governance**

All AU Member States except Sahrawi Republic are shareholders of the AfDB. Twenty-eight non-African states are also shareholders. Article 3 of the AfDB Agreement, which provides for any independent African state to become a member, also makes provision for membership from outside Africa.

The **Board of Governors** is the Bank's supreme organ and mostly comprises ministers of finance and economy of Member States' governments. It issues general directives concerning the Bank's operational policies.

The **Board of Directors** comprises 20 members holding the title of executive director. The Board of Governors elects the directors for three-year terms, renewable once. Regional members have 13 executive directors, while states outside the region have seven.

The Board of Governors elects the **President** for a five-year term, renewable once. The President acts as the Bank's Chief Executive and conducts its business, as well as being its legal representative.

Chair of the Board of Directors (and President of the African Development Bank): Akinwumi Adesina, Nigeria

Chief Executive Officer: Alain Ebobissé, Cameroon

Africa50 is a pan-African investment platform that focuses on high-impact national and regional projects in the following key sectors: energy, transport, information and communications technology (ICT), midstream gas, financial technology (fintech), education and health infrastructure.

The entity was established by African governments and the African Development Bank (AfDB) in response to the AU Assembly Declaration on the Programme for Infrastructure Development in Africa (PIDA), which included a resolve to promote innovative financing mechanisms to accelerate the delivery of infrastructure on the continent (see [Assembly/AU/Decl.2\(XVIII\)](#) of January 2012). Africa50's mandate is to help bridge Africa's infrastructure funding gap by facilitating project development, mobilising public and private sector finance, and investing in infrastructure on the continent.

Africa50 began operating in 2016. It has 31 shareholders, composed of 28 African countries, the AfDB, the Central Bank of West African States, and the Bank Al-Maghrib. As of March 2022, the committed capital was more than US\$880 million.

## Other Partnerships

The following list covers formal external partnerships between the AU and organisations, regions or countries.

### Africa–Arab Partnership

Website: <https://au.int/en/partnerships>

Formal relations between Africa and the Arab world were launched at the first Africa–Arab Summit, held in Cairo, Egypt, in March 1977. Cooperation was further consolidated at the second Africa–Arab Summit, held in Sirte, Libya, in October 2010. The Libya Summit adopted the Africa–Arab Partnership Strategy, the Joint Africa–Arab Action Plan 2011–16 and a declaration summarising common positions on major regional and international issues. The partnership strategy outlines four main areas of cooperation: political; economic, trade and financial; agriculture and food security; and socio-cultural. The strategy also elaborates implementation follow-up mechanisms, which include the Africa–Arab Summit, Joint Africa–Arab Council of Ministers of Foreign Affairs and the Coordination Committee on Africa–Arab Partnership at ministerial and senior official levels.

The Joint Africa–Arab Heads of State and Government Summit is usually held every three years. The Coordination Committee usually meets annually at ministerial level and every six months at senior official level. As of February 2022, four Africa–Arab summits had been held, most recently from 17 to 23 November 2016 in Malabo, Equatorial Guinea. The fifth Summit is scheduled to be held in 2022 in Riyadh, Saudi Arabia.

### African Union (AU)–European Union (EU) Partnership

Website: [http://au.int/en/partnerships/africa\\_eu](http://au.int/en/partnerships/africa_eu) or [www.africa-eu-partnership.org](http://www.africa-eu-partnership.org)

The AU–EU Partnership, in its current form, was launched with the first Africa–EU Summit in April 2000, held in Cairo, Egypt. The Partnership’s stated vision is to: reinforce political relations; strengthen and promote issues of common concern; promote effective multilateralism; and promote people-centred partnerships. Activities are based on the Joint Africa–Europe Strategy, which was adopted by Heads of State and Government at the 2007 Summit in Lisbon, Portugal; the Joint Road Map 2014–17, which was adopted at the 2014 Summit; and the latest Declaration adopted during the 6th AU–EU Summit held in Brussels, Belgium, from 17 to 18 February 2022. Partnership mechanisms exist at several levels, including Heads of State summits, ministerial meetings, Commission-to-Commission meetings, and other forums for civil society, the private sector and parliamentarians.

### Africa–South America Cooperation Forum (ASACOF)

Website: [www.au.int/en/partnerships/africa\\_southamerica](http://www.au.int/en/partnerships/africa_southamerica)

The objective of the Forum is to promote south–south cooperation between the two regions in areas such as experience and knowledge sharing, people-to-people engagements, diaspora linkages and trade facilitation. Core structures include a coordination group, ad hoc committee, senior and high officials’ meetings, ministerial meetings and the Summit of Heads of States and Government. The Summit provides orientation on the direction of the partnerships and adopts the main priority areas. Three Summits have been held, the first in November 2006 in Abuja, Nigeria. The fourth Summit, scheduled to be held in May 2016 in Quito, Ecuador, has been postponed several times.

## African Union Commission–United States of America High-Level Dialogue

Website: <http://au.int/partnerships>

The AUC and United States Department of State signed a memorandum of understanding (MoU) in 2013 that formalised cooperation on issues including peace and security, democracy and governance, economic growth, trade and investment, and promotion of opportunity and development. High-level dialogues, usually annual, discuss and agree on the implementation of flagship projects. At the eighth AUC–US High-Level Dialogue, held on 11 March 2022 in Washington DC, both sides reaffirmed their commitment to collaborate on areas of mutual interest, including health security, climate change, inclusive economic growth, peace and security, and governance.

## Forum on China–Africa Cooperation (FOCAC)

Website: [www.au.int/en/partnerships/africa\\_china](http://www.au.int/en/partnerships/africa_china) or [www.focac.org/eng](http://www.focac.org/eng)

The Forum on China–Africa Cooperation (FOCAC) is a platform for consultation and dialogue between China and African states. It was inaugurated in October 2000 in Beijing, China. The AUC is a full member of the FOCAC process. The Forum is mandated to strengthen consultation, expand cooperation and promote political dialogue and economic cooperation between Africa and China. Since 2015, FOCAC conferences have alternated between China and an African country, either at Heads of State and Government level or at ministerial level. The latest FOCAC meeting was the 8th Ministerial Conference, held in Dakar, Senegal, from 29 to 30 November 2021, during which both sides agreed to enhance their cooperation in the areas of health, production capacity, infrastructure, trade and investment, digital economy, green development, peace and security, and capacity building.

## Tokyo International Conference on African Development (TICAD)

Website: [www.mofa.go.jp/region/africa/ticad/index.html](http://www.mofa.go.jp/region/africa/ticad/index.html)

TICAD was formalised in 1993 on the initiative of the Government of Japan, with the objective of promoting high-level political dialogue and mobilising support for African development initiatives. TICAD met in Japan at Heads of State and Government level every five years from 1993 to 2013, and, in June 2013, both sides agreed to meet every three years, alternating between Africa and Japan. The AUC became a co-organiser of the TICAD process in 2010. TICAD is overseen by a three-tier follow-up mechanism comprising a joint secretariat, joint monitoring committee and follow-up meetings. Each TICAD summit approves a declaration and an action plan. The TICAD process involves five stakeholders called co-organisers: the Government of Japan, AUC, UN Office of the Special Adviser on Africa (UNOSAA), UN Development Programme (UNDP) and World Bank. The TICAD8 Summit is scheduled to be held in Tunisia from 27 to 28 August 2022.

## Africa–India Partnership

Website: [http://au.int/en/partnerships/africa\\_india](http://au.int/en/partnerships/africa_india)

The Africa–India Cooperation Agreement was launched by a Leaders' Summit in April 2008 in New Delhi, India, and adopted two documents: the Delhi Declaration and an Africa–India Framework for Cooperation. The first four-year Africa–India Plan of Action (2010–13) was launched in New Delhi in March 2010. The Plan of Action of the Enhanced Framework for the Cooperation was adopted in Addis Ababa, Ethiopia, during the second Summit in May 2011 and signed in New Delhi, India, in September 2013. The third Summit, held in New Delhi in October 2015, adopted two documents, the Delhi Declaration and the Third Africa–India Framework for Cooperation, which cover cooperation in the areas of economic matters, trade

and industry, agriculture, energy, blue ocean economy, infrastructure, education and skill development, health, and peace and security. The third Summit also adopted the **Framework for Strategic Partnership**. In February 2020, the AU Assembly endorsed an offer by Mauritania to host the fourth Africa–India Summit.

### **Africa–Turkey Partnership**

Website: [www.au.int/en/partnerships/africa\\_turkey](http://www.au.int/en/partnerships/africa_turkey) or [www.mfa.gov.tr/turkey-africa-relations.en.mfa](http://www.mfa.gov.tr/turkey-africa-relations.en.mfa)

The Africa–Turkey Partnership was formalised in April 2008 at the Istanbul Summit, which adopted two outcome documents, the Istanbul Declaration and the Framework for Cooperation, setting out the areas of cooperation between the two parties. The Framework focuses on inter-governmental cooperation; trade and investment; agriculture, agribusiness, rural development, water resources management and small- and medium-scale enterprises; health; peace and security; infrastructure, energy and transport; culture, tourism and education; media and information communications technology; and environment. The second Africa–Turkey Summit took place in November 2014 in Malabo, Equatorial Guinea, and adopted three outcome documents: the Malabo Declaration, the 2015–19 Joint Implementation Plan and the Matrix of Key Priority Projects. The third Africa–Turkey Summit was held in Istanbul, Turkey, from 16 to 18 December 2021, and adopted the 2021 Istanbul Declaration and the Joint Africa–Turkey partnership Action Plan for 2022–26.

### **Africa–Korea**

The Africa–Korea Forum was launched in Seoul, South Korea, in November 2006 as a follow-up mechanism of the Korean Initiative of African Development (KIAD), which was announced in March 2006. Although initially envisaged as a ministerial conference, the first Africa–Korea Forum was attended by five African Heads of State. The outcome documents adopted during the first Forum, the Seoul Declaration 2006 and the Action Plan 2006–2009, “laid the foundation for a framework of friendship, partnership and cooperation between Korea and the African countries”. Five Forums have been held, most recently in Seoul, South Korea, from 2 to 3 March 2022, during which both sides adopted the Seoul Declaration 2022 and the Africa–Korea Partnership Framework of Cooperation 2022–26.

# **BUDGET AND SCALE OF ASSESSMENT**

# BUDGET AND SCALE OF ASSESSMENT

## Budget

### Process

In line with article 11 of the AU Financial Rules and Regulations (FRR), the Accounting Officer prepares the budget and convenes the pre-budget hearings with the internal Programmes and Budget Committee and other key stakeholders before preparation of the budget proposals, in order to discuss the priorities and requirements of the financial year. The Joint Sitting of the Permanent Representatives Committee's (PRC's) Advisory Sub-Committee on General Supervision and Coordination on Budgetary, Financial and Administrative Matters and the technical experts of the Committee of Fifteen Ministers of Finance (F15) reviews the budget proposals and makes recommendations to the PRC for consideration. The PRC, after reviewing the budget proposals, submits the revised proposals to the Executive Council for approval. Prior to 2019, the Executive Council, sitting together with the F15, then submitted the budget proposals to the Assembly for adoption. In January 2018, the Assembly decided to delegate its powers to adopt budget proposals to the Executive Council, effective from mid-2019. (See [Assembly/AU/Dec.687\(XXX\)](#) of January 2018, paras. 13–15 and 22–26). The budget process starts immediately after the adoption of the Budget Framework paper that guides the priorities and interventions of a particular financial year (January to December).

### Budget

The budget is prepared and presented in four main components: staff costs, operating expenses, capital expenses and programmes. The AU Golden Rules for financial management, adopted by the Assembly in January 2018, now provide that the operational budget should not exceed 20 percent of the programme budget and that the wage bill should not exceed 30 percent of the total budget (Rule 4). In addition, Assembly decision [578\(XXV\)](#) of June 2015 provided that the AU should strive to ensure that 100 percent of the operational budget, 75 percent of the programme budget and 25 percent of the peace support operations budget are funded by Member States by the year 2022. Executive Council decision [1119\(XXXVIII\)](#) of February 2021 extended the period for attaining the targets to 2025. In order to achieve the funding targets, the Assembly adopted the Kigali decision in July 2016, which in principle requires Member States to institute a 0.2 percent levy on all eligible goods imported into the continent to fund the budget ([Assembly/AU/Dec.605 \(XXVII\)](#)). As of December 2021, there were 17 Member States collecting the levy: Benin, Cameroon, Chad, Congo Republic, Côte d'Ivoire, Djibouti, Gabon, Gambia, Ghana, Guinea, Kenya, Mali, Nigeria, Rwanda, Sierra Leone, Sudan and Togo.

The total budget for 2022, as approved by the Executive Council in October 2021, is US\$651,110,573.<sup>1</sup> As in 2021, it is an austerity budget (see [EX.CL/Dec.1126\(XXXIX\)](#) of October 2021 and [EX.CL/Dec.1097\(XXXVII\)](#) of October 2020). The Council also, amongst other matters, directed that Member States' assessed contributions for the 2023 budget shall not exceed US\$250 million. The 2022 budget is broken down as follows:

---

#### Note

1 In February 2022, the Executive Council approved a total supplementary budget of US\$1,596,873 ([EX.CL/Dec.1143\(XL\)](#)).

- Regular budget of US\$371,887,288:
  - (i) Operating budget of US\$176,348,732 to be funded as follows:
    - US\$158,929,019 assessed on Member States
    - US\$12,777,897 from Administrative Cost
    - US\$4,641,817 from the Maintenance Fund
  - (ii) Programme Budget of US\$195,538,556 to be financed as follows:
    - US\$45,855,552 assessed on Member States
    - US\$149,683,004 to be solicited from international partners, out of which US\$5,851,644 will be in the form of technical assistance
- Peace Support Operations of US\$279,223,285 to be fully solicited from international partners.

Overall, the 2022 AU budget will be financed as follows:

- US\$204,784,571 (31 percent) to be assessed on Member States
- US\$12,777,897 (2 percent) from Administrative Cost
- US\$4,641,817 (1 percent) from the Maintenance Fund
- US\$428,906,289 (66 percent) to come from international partners.

The 2021 budget total adopted by the Executive Council in October 2020 was US\$636,075,986, updated to US\$623,836,163 in February 2021 (see [EX.CL/Dec.1097\(XXXVII\)](#) and [EX.CL/Dec.1107\(XXXVIII\)](#)). In October, 2021, the Council approved a total supplementary budget request of US\$102,045,433 for the year 2021 of which US\$12,017,328 was for the operational budget and US\$90,028,105 for programmes ([EX.CL/Dec.1126\(XXXIX\)](#)).

## Scale of Assessment

In February 2019, the AU Assembly decided to adopt a reformulated scale of assessment for the 2020, 2021 and 2022 financial years based on the principles of ability to pay, solidarity and equitable burden-sharing to avoid risk concentration (see [Assembly/AU/Dec.734\(XXXII\)](#) of February 2019; also see [EX.CL/Dec.1101\(XXXVII\)](#) of October 2020 and [EX.CL/Dec.1119\(XXXVIII\)](#) of February 2021). The new scale, which introduced 'Caps' and 'Minima', was developed on an understanding that it would improve the overall burden-sharing of the budget to ensure the Union was financed in a predictable, sustainable, equitable and accountable manner with the full ownership of its Member States. During the implementation of the reformulated scale, no country will pay less than US\$350,000 or more than US\$35 million in any given financial year. The decisions maintained a three-tier system:

- Tier 1: assessed at 45.151 percent of the Union's assessed budget
- Tier 2: assessed at 32.749 percent of the Union's assessed budget
- Tier 3: assessed at 22.100 percent of the Union's assessed budget.

In February 2022, the Assembly decided to extend the application of the 2020–22 scale of assessment by one year and requested the AU Commission, with the support of the Committee of Fifteen Ministers of Finance (F15), to develop the 2024–26 scale for adoption by the Assembly in February 2023 ([Assembly/AU/Dec.838\(XXXV\)](#)).

**Te Kāwanatanga o Aotearoa**  
New Zealand Government

*E ngā tini, e ngā mano, koutou katoa tēnā koutou!*  
To the many gathered here, greetings to you all!

Aotearoa New Zealand offers its continued support to the African Union and its Member States in their commitment towards achieving an integrated, inclusive and united Africa.

The Union's theme for 2022 focuses on "Strengthening Resilience in Nutrition and Food Security on the African Continent". This is a pertinent theme, with global and regional events, as well as the impacts of climate change, significantly impacting on food security and nutrition outcomes across Africa.

We are proud to support this book and look forward to continuing to work together as strong and active members of the international community.

Hon. Nanaia Mahuta
