2019 novel Coronavirus

Coronavirus infection can be transmitted through the eyes, nose or mouth;
avoid touching your face and wash your hands regularly
If you have recently travelled AND you have fever, cough, or difficulty breathing,
seek medical attention immediately

Wash your hands regularly with soap and water or alcohol-based hand rub to avoid transmitting disease-causing organisms

If you need to sneeze or cough, **do so in your inner elbow or on a tissue paper**

Do not cough into the open air or into your hands
