Note to Editors

The African Union spearheads Africa's development and integration in close collaboration with African Union Member States, the Regional Economic Communities and African citizens. AU Vision: to accelerate progress towards an integrated, prosperous and inclusive Africa, at peace with itself, playing a dynamic role in the continental and global arena, effectively driven by an accountable, efficient and responsive Commission.

Africa CDC is a specialized technical institution of the African Union which supports Member States in their efforts to strengthen health systems and improve surveillance, emergency response, prevention and control of diseases. Learn more at: <http://www.africacdc.org>
