Background Information

The novel coronavirus disease (COVID-19) has spread to about 220 countries and territories with more than 54million cases; and claimed over 1.3million lives globally. In Africa, over 1.9million cases have been reported in all countries, with nearly 48,000 deaths. Africa CDC continue to work with Member States to ensure an effective response to the outbreak by Member States, including maintaining key public health measures which have helped to slow down the pandemic on the continent and to be prepared for a possible second wave of the outbreak.

Dr Nkengasong's briefing on the COVID-19 situation will be followed by the signing of MOU between the African Union and African Development Bank (AfDB). This short ceremony will be performed by H.E. Amira Elfadil, Commissioner for Social Affairs at AU Commission, and Mr. Abdul B. Kamara, Country Manager, AfDB Group.

Kindly note that the briefings now covers 3 AU working languages (English, French and Portuguese) through interpretation.
