When: 29th October 2021, 12PM GMT.

Where: To participate in the event, register in advance:

https://zoom.us/webinar/register/WN_YY0bhv-dS4aioRLFfXUmnA

Meeting ID: 917 2178 8464

Passcode: 905940

Who: Convened by the African Union Commission Department of Economic Development, Trade, Industry and Mining, the conference will bring together participants from the AU Member States, Regional Economic Communities, AU Organs and Specialized Agencies, development partners, the private sector, civil societies, academia and the media.

Background

The Conference aims to provide a platform for a public debate on how to develop passionate and visionary leaders within the continent, who understand global dynamics and environment and can drive developmental changes for to attainment of people centered and sustainable economic development and, overall, the realization of the aspirations of Agenda 2063, the “Africa We Want”. The conference will also be an opportunity to explore and learn lessons and experiences from within and outside the continent on leadership that facilitated inclusive economic growth and Africa’s transformation; and identify current leadership challenges within the continent and determine ways to strengthen them and propose policy recommendations for capacity building.
