### **Background information.**

The AGA-APSA Platform established in 2012 as a “platform for dialogue between the various stakeholders” who are mandated to promote good governance, human rights and strengthen democracy, peace and security in Africa.

The members of the Platform meet at the Technical and Political levels twice a year. The statutory meeting will provide an opportunity for the Platform to discuss key issues on democratic governance, peace and security, plan for the year 2025 joint flagship activities and interact with partners and stakeholders.
