

Resilient Landscapes in Africa's Drylands: Seizing Opportunities and Deepening Commitments

This high-level session at COP 22, Marrakech, aims to:

- **confirm countries' commitment to build resilient landscapes at scale;**
- **confirm partners' support for African initiatives and plans;**
- **call for collaboration in promoting resilient landscapes under a common umbrella.**

Speakers:

**African Ministers | European Commission | FAO
Germany | Green Belt Movement | UNCCD**

**Monday, November 14, 2016
2:00 to 3:30 pm**

**Africa Pavilion
Room 1**
