### **Press Statement**

#### **Get well soon Message to Madiba Nelson Mandela, Former South African President.**

I have been following very closely, with prayerful attention the evolution of Nelson Mandela's health. I know that he is getting the best possible medical attention and treatment anyone of his status could receive. It gives me great comfort to hear that he is also responding positively to treatment.

I am sending him our fervent prayers and numerous get-well-soon messages from the entire staff of the Commission, Organs and People of the Union. We give him courage and urge him carry on.

We continue to pray and look forward to Madiba's speedy recovery!

**H.E. Dr. Nkosazana Dlamini Zuma**  
**Chairperson, African Union Commission**
