

PAN AFRICAN UNIVERSITY

CALL FOR APPLICATIONS FOR ACADEMIC STAFF POSITIONS

2014 / 2015 ACADEMIC YEAR

Applications are invited from suitably qualified candidates for Academic staff positions in the Pan African University.

The PAU is an initiative of the African Heads of State and Government of the African Union. It is a Premier continental University network whose mission is to provide wholesome postgraduate education geared towards the achievement of a prosperous, integrated and peaceful Africa. The goal of the PAU is to usher in a new generation of leaders, well-equipped to harness the wealth of African human and natural resources, imbued with a common vision of a peaceful, prosperous and integrated Africa.

To complement its international faculty, the PAU is seeking to fill the following long-term, short-term and part-time positions at the levels of Professor, Associate Professor, Senior Lecturer or equivalent.

The thematic areas for which Academic Staff are required include the following:

1. Life and Earth Sciences (including Health and Agriculture) - Hosted by University of Ibadan, Ibadan, Nigeria for Western Africa.

Areas of Specialization:

- i. Mineral Exploration and Petroleum Geosciences options
- ii. Reproductive Health and Reproductive Biology options.
- iii. Environmental Management
- iv. Plant Breeding

2. Basic Sciences, Technology and Innovation - Hosted by Jomo Kenyatta University of Agriculture and Technology (JKUAT) Juja, Kenya for Eastern Africa.

Areas of Specialization:

- i. Molecular Biology and Biotechnology
- ii. Mathematics (Computational, Financial and Statistics options)
- iii. Civil Engineering (Arid and Semi-arid land) and Structural Engineering options
- iv. Electrical Engineering (Telecommunications and Power Systems options)

3. Governance, Humanities and Social Sciences - Hosted by University of Yaoundé II, Soa, Cameroon for Central Africa.

Areas of Specialization:

- i. Governance and Regional Integration
- ii. Trans-border Languages with Kiswahili option

4. Water and Energy Sciences (including Climate Change) – Hosted by University of Tlemcen, Algeria, for Northern Africa.

Areas of Specialization

- I. Water (Engineering and Policy options)
- II. Energy (Engineering and Policy options)

ACADEMIC STAFF REQUIRED:

Academic staff will be recruited from the host institution, the host country, other African countries, the African Diaspora and the international academic community, in the following categories

- i. Long-term teaching staff
- ii. Part-time (three weeks or more) teaching staff from within and outside the Host Institution
- iii. International visiting scholars for teaching and research

REQUIREMENTS:

Applicants must be Professors, Senior Lecturers or equivalent, with teaching and research experience in the relevant area of specialization. They must show evidence of scholarly publications in peer-reviewed journals, and attracting grants for research. Applicants must also have supervised student research projects at Master's and Doctoral levels in their area of specialization.

MODE OF APPLICATION:

Applications should be completed online at www.pau-au.org/apply

Applications should be accompanied with a recent CV with relevant supporting documents.

Closing date for receipt of applications with **all supporting documents** is **15th March 2014**

Applications received after this deadline shall NOT be considered

CONDITIONS OF SERVICE:

The Pan African University is a competitive employer and offers attractive rates for each category of personnel recruited.

For further enquiries contact the PAU Rectorate paurectorate@africa-union.org

Only shortlisted candidates will be acknowledged.
