OF THE STC ON TRANSPORT, INTERCONTINENTAL AND INTERREGIONAL  
INFRASTRUCTURE, ENERGY AND TOURISM (STC-TTIET)  
ADDIS ABABA, ETHIOPIA, 6TH – 8TH DECEMBER 2017**

The African Union is organizing the First Ordinary Session of the STC Sub-Committee on Transport of the STC on Transport, Intercontinental and Interregional Infrastructure, Energy and Tourism (STC-TTIET), from 6 – 8 December, 2017 in Nouakchott, Mauritania.

The overall objective of the meeting of the Sub-Committee on Transport is to review the outcomes of the July 2017 AU Summit and adopt a mechanism for implementation, follow-up, monitoring and evaluation of the sub-sector action plans covering air, road, railway and Maritime transport. Being its first meeting, the STC Sub-Committee on Transport will also designate its experts' working groups and task teams in accordance with the Rules of Procedure of the STC-TTIET. Finally, the meeting will adopt a mechanism for follow-up, monitoring and evaluation of the sub-sector action plans covering air, road, railway and maritime transport.

The Meeting is composed of a 2-day meeting of experts and a Ministerial Session on the last day. The STC-TTIET Sub-Committee Meeting on Transport will be attended by (1) Ministers of Transport from Member States; (2) Continental and Regional Organizations; (3) Transport Experts; (4) Development Partners; (5) academia and Civil Society organizations.

More information on the logistic aspects and the format of the meeting will be communicated to you soon.
