***WORKSHOP ON CONTINENTAL TRANSPORT POLICY, THE
AFRICAN ROAD SAFETY ACTION PLAN (2011-2020) AND
VALIDATION OF AIR TRANSPORT INSTRUMENTS***

19th – 23rd November 2018, Addis-Ababa, Ethiopia

The African Union Commission is organising a workshop on the Continental Transport Policy, the African road safety action plan (2011-2020) and validation of air transport instruments, scheduled on 19 – 23 November 2018, in Addis-Ababa, Ethiopia.

The overall objectives of the workshop are: (i) - Validate the continental transport policy; (ii) - Assess implementation of the African Road safety action plan and (iii) Validate two Air Transport Related instruments – External Policy on Air Services Agreement and the Dispute Settlement Mechanism of the Yamoussoukro Decision.

The Workshop would involve two and half days meeting for the consideration and validation of the Continental Transport Policy followed by a one and half days meeting for assessment of implementation of the African road safety action plan (2011-2020) and validation of the air transport related instruments as parallel sessions. The workshop will be attended by transport policy and road safety Experts, air transport Legal Experts from all Member States; officials of relevant continental and regional organisations; development partners; and civil society organisations.

Invitations and other details of the workshop will be formally communicated soon. Available working documents can be down loaded from this website.
