AU Values

- Think Africa Above all
- Integrity and Impartiality
- Efficiency and Professionalism
- Transparency and Accountability
- Respect for Diversity and Teamwork
- Information and Knowledge Sharing

Context

Under the authority of the Chairperson of the AU Commission, this position is responsible for driving the implementation of Infrastructure and Energy policies, programs and strategies in line with the aspirations of Agenda 2063, the associated medium-term plans and other key continental legal and policy frameworks. Leads engagement with the AU Member States and strategic partners in the delivery of the portfolio's continental priorities. The Commissioner shall have a high commitment to pan-African values and the guiding principles of the African Union.

Main functions

- Sets the overall goals of the Infrastructure and Energy portfolio in line with the AU Agenda 2063;
- b) Sets annual performance targets for the Infrastructure and Energy portfolio and report on annual progress to Specialized Technical Committees and AU Policy Organs;
- c) Provides regular reports to the Chairperson of the Commission on portfolio delivery;
- d) Carries out effective regular engagement and collaboration with, and timely reporting to the PRC and respective subcommittees;
- e) Drives the implementation of the AU Institutional Reform Agenda as part of the senior leadership team;
- f) Provides leadership and guidance to Directors in the implementation of policies and programs within the portfolio;
- g) Engages with Member States in order to pursue the Commission's work to promote domestication of AU Agenda 2063 at the regional and national level by Member States;
- h) Leads partnership negotiations and resource mobilization with Strategic Partners to finance continental programmes and priorities;
- i) Co-ordinates Specialized Technical Committees to promote the achievement of the departmental mandate;
- j) Strengthens regional coordination, cooperation and integration initiatives and ensure an effective division of labour with Member States and Regional Economic Communities
- k) Ensures effective collaboration in programme development with the AU Development Agency (AUDA-NEPAD);
- Collaborates with other members of the senior leadership team to ensure strategic coherence and overall synergy in the implementation of the Commission's programme and the delivery of high impact results for the continent;
- m) Cultivates a knowledge management culture through promotion of research and publications that will ensure knowledge sharing and transfer within the department and with other departments across the Commission; and
- n) Supervises Directors and inspires the highest standard of ethics , performance and delivery across the portfolio.

Specific Responsibilities

- a) Leads the development, harmonization and ratification of continental infrastructure policies and programmes on interconnected infrastructure to enable the development of cross-border infrastructural projects to enhance interconnectivity;
- b) Drives and promotes strategies and mechanisms for advancing integrated infrastructural development in AU Member States including resource mobilization and technical support from Member States and development partners to ensure continental connectivity through rail, road, sea and air;
- c) Drives the promotion of the acceleration of digital transformation programmes amongst Members States to ensure Africa is well equipped to adopt and benefit from emerging technologies and the dynamic global digital landscape;
- d) Leads advocacy for security and safety of critical Infrastructure projects through cooperation and partnership with Member States, Regional Economic Communities (RECs) and development partners to prevent damage, pilferage and unauthorized use of infrastructure;
- e) Provides leadership in the implementation and maintenance of Agenda 2063 infrastructural flagship projects such as Integrated High-Speed Network, the Grand Inga Dam project, Single African Air Transport Market and Cyber Security to ensure availability of infrastructure necessary to improve trade, boost growth and create jobs in Member States:
- f) Facilitates adoption of DotAfrica (.africa), the African Geographical Top-Level Domain (gTLD) by garnering support from Member States and private sector organizations to enable African citizens, governments and organizations associate their services with Africa and her people;
- g) Leads the establishment of continental accountability mechanisms to track the implementation of the AU vision on infrastructure through coordination and monitoring of results; and
- h) Leads the monitoring and evaluation of the Programme for Infrastructure Development in Africa (PIDA) to ensure the fulfillment of action plans towards delivering infrastructure projects that integrate energy, transportation, and water development on a continental scale.

- Proven track record of change management and accomplishments at the regional, national or international level with strong resource mobilization, political and diplomatic skills;
- Demonstrated ability to work harmoniously in a multi-cultural team and establish harmonious and effective working relationships both within and outside the organization;
- Proven ability to inspire, encourage, build trust and confidence and build consensus, stimulate effective campaigns and drive collective action among a broad spectrum of people and organizations.

Leadership Competencies

- Strategic Focus: Determines and outlines the portfolio's strategic priorities and connects the portfolio's purpose to that of the broader organization vision and values. Inspires others and the organisation to achieve beyond expectations. Proactively identifies and prioritizes the key issues involved to facilitate executive decision-making and makes well-informed, effective, and timely decisions, even when data is limited, or solutions produce unpleasant consequences; perceives the impact and implications of decisions.
- Developing Organizational Capability: Promotes and catalyzes organizational learning and development to
 ensure that the portfolio is well positioned to meet future leadership needs and mentors others to enhance their
 development.
- Change Leadership: Acts as a catalyst for organizational change. Influences others to translate vision into
 action and identifies change opportunities and champion organizational change initiatives consistently looks
 for ways to improve the portfolio or organization. Understands multiple cultural frameworks, values, and norms.
 Demonstrates an ability to adapt style when faced with myriad dimensions of culture in order to be effective
 across cultural contexts. Able to resolve conflicts arising to competing objectives, limited resources, or differing
 perspectives and seeks amicable solutions.
- Strategic Risk Management: Manage the organisation's and portfolio's reputation by making risk-intelligent
 decisions and using sound judgement in highly complex situations based on an assessment of the risks and
 benefits, impacts,
- Ethics and Integrity: Maintains the highest standard of ethics and integrity and inspires the same in team members.

Core Competencies

- **Building Partnerships:** Develops networks and builds alliances; collaborates across boundaries to build strategic relationships and achieve common goals to foster organizational goals through proactive engagement with key stakeholders. Perceives organizational and political reality and acts accordingly.
- Drives Accountability Culture: Determines objectives, sets priorities and develops longer-term goals and
 proactively influences how resources, services, etc. are re-organized to achieve goals and offering
 recommendations on issues of accountability for improvement. Holds self and others accountable for
 measurable high-quality, timely, and cost-effective results.
- Learning Agility and Resilience: Engages in systematic and development activities aligned with the strategic needs of the organization. Promotes ongoing learning and development across the organization, develops personal and professional goals and makes insightful career planning decisions to achieve (or alter) these goals. Deals effectively with pressure; remains optimistic and persistent, even under adversity. Recovers quickly from setbacks.
- Communicating with impact: Projects authority, credibility and influences external executive decision
 makers to achieve substantive goals. Uses personal rather than positional power to influence and motivate
 others to achieve results and presents the key points of an argument persuasively. Negotiates and facilitates
 through cultural differences, conflicts, tensions, or misunderstandings.

Functional Competencies

- Conceptual Thinking: Creates new concepts that are not obvious to others to think through issues and/or resolve problems.
