The Chairperson of the African Union Commission calls for the lifting of economic sanctions imposed on Zimbabwe

The Chairperson reiterates his concerns that the persistence of economic sanctions imposed by the international community, continue to have negative impact on the economy and the people of Zimbabwe. In this regard, he expressed his determination and that of the various relevant Organs of the Union to continue to mobilize support for the country’s recovery efforts.

The Chairperson commends the government of Zimbabwe for its efforts to create a conducive environment for economic growth and assures the government and people of Zimbabwe of the continued support of the African Union towards the country’s road to peace and prosperity for all its citizens.
