Communiqué of the Chairperson of the Commission on the Situation in Guinea Bissau

1 February 2022, Addis Ababa: The Chairperson of the African Union Commission, Moussa Faki Mahamat, follows with deep concern the situation in Guinea Bissau, marked by the attempted coup d'état against the Government of the country.

He calls upon the military to return, without delay, to their barracks and to ensure the physical integrity of President Umaro Sissoco Embaló and members of his Government and to immediately release those among them in detention.
