

REVISED STATUTE OF THE PAN AFRICAN UNIVERSITY

We, the Member States of the African Union:

RECALLING the Decision Assembly/AU/Dec.290 (XV) adopted by the Assembly of Heads of State and Government of the African Union during its Fifteenth Ordinary Session in July 2010 in Kampala, Uganda creating the Pan African University.

AWARE of the central role that higher education and scientific and technological research play as a cornerstone of social integration, economic development and competitiveness.

ACKNOWLEDGING that the establishment of the Pan African University is a first step towards the creation of high quality continental institutions that promote quality training, research and innovation within Africa, ensure a steady nurturing of new ideas and also a continuous injection of highly skilled human resources to meet the developmental needs of the continent.

INSPIRED by the Plan of Action for the Second Decade of Education for Africa 2006- 2015, and the Consolidated Plan of Action for Science and Technology 2006-2011.

ALSO INSPIRED by the African Union's Agenda 2063 – The Africa We Want, the Science Technology and Innovation Strategy for Africa 2024 (STISA-2024) and the roles articulated therein for higher education, science, technology and innovation as drivers of the continent's rapid development.

RECOGNIZING that, to meet its objectives, the Pan African University must achieve financial sustainability by mobilizing adequate resources from the African Union Commission, African Union Member States and other potential partners.

AWARE that sound financial management is key to the Pan African University assuring allocation and timely disbursement of funds.

HAVE AGREED AS FOLLOWS:

**Article 1

Article 2 Principles

1. The PAU is a continental academic, research and innovation institution based on the following guiding principles:
 - a) Academic freedom, autonomy and accountability;
 - b) Quality assurance;
 - c) Strengthening existing African institutions at the graduate studies level to enable them to serve the whole continent;
 - d) Promotion of African integration through the mobility of students, academic and administrative staff, as well as the development of collaborative research linked to the challenges faced by African countries;
 - e) Excellence and international partnerships in academic and research activities;
 - f) Institution of an appropriate framework and a conducive environment to enable the African Diaspora to contribute towards the development of higher education, research and innovation in Africa;
 - g) Promotion of inter-disciplinary and multidisciplinary research programmes integral to policy making processes in Africa;
 - h) Promotion and harnessing of productive linkages with the industrial sector for innovation and dissemination of new knowledge and technology;

- i) Strengthening of research particularly in the thematic areas of the PAU;
 - j) Promotion of optimal use of Information and Communication Technologies for pedagogy, research and management;
 - k) Promotion of gender equity at all levels and in all university functions; and
 - l) Promotion of access to higher education for persons with disabilities.
2. The PAU shall take into account basic principles of the Constitutive Act of the AU, AU Instruments and Policies on Higher Education, Science, Technology and Innovation, Agenda 2063, the African Charter on Human and People's Rights as well as other regional and international human rights instruments.

Article 3 Objectives

The PAU shall undertake training, research and innovation focused on priority issues in order to attain the following objectives:

- a) develop continent-wide and world-class graduate study programmes in science, technology, innovation, humanities, social sciences and governance;
- b) stimulate collaborative, internationally competitive, cutting-edge fundamental and applied research, in areas having a direct bearing on the scientific, technological, economic and social development of Africa;
- c) enhance the mobility of students and academic staff among African universities to improve on training, research and innovation;
- d) contribute to the capacity building needs of present and future stakeholders of the African Union;
- e) improve on the attractiveness of African higher education and research institutions to attract and retain talented young professionals on the African continent;
- f) initiate and invigorate mutually beneficial partnerships with public and private sectors within Africa and the Diaspora as well as internationally; and
- g) facilitate the emergence and strengthening of an African higher education and research platform.

Article 4
Legal Capacity and Autonomy of the PAU

1. The PAU is an autonomous institution of the African Union and in conformity with the African Union rules and regulations, shall possess legal personality and capacity to:
 - a) Enter into agreements;
 - b) Acquire and dispose of moveable and immovable property;
 - c) Institute legal proceedings.
2. The PAU shall enjoy the basic principles applicable to all institutions of higher education, which are required for the achievement of its objectives. The observance and respect of these principles, particularly academic freedom, autonomy and accountability shall enable the PAU to function under the best attainable conditions and standards within the framework of the common rules governing the institutions of the African Union.
3. The PAU as well as its host countries and host universities shall grant full academic freedom and self-governance in teaching and research to all members of the academic and research staff of the university. Students of the PAU shall equally be entitled to full learning rights and privileges.

Article 5
Privileges and Immunities

1. The PAU and its staff shall enjoy within the territory of each Member State of the African Union, the status, privileges and immunities provided in the 1965 General Convention on the Privileges and Immunities of the Organization of African Unity and other international agreements and Assembly Decisions relating to the status, privileges and immunities of the African Union and its institutions;
2.
